Re: 2012 Waller County Major Thoroughfare Plan Update

Dear Mrs. Gafrick:

Waller County is in the process of updating its county-wide Major Thoroughfare Plan.

There are certain changes and /or additions that occur within your extraterritorial jurisdiction. Those changes and/or additions are as follows:

1. Reroute Cane Island Parkway to Bartlett Rd.
2. Realign Schlipf Road approximately 500 ft. east of its existing alignment north of US 290.
3. Realign Franz Road approximately 1600 ft. north of its existing alignment west of Bartlett Rd.
4. Extend Flukinger Road, within Houston ETJ, as a major thoroughfare as part of the proposed Prairie Parkway.
5. Add Owens Road, within Houston ETJ, as a major thoroughfare between FM 362 and proposed extension of Flukinger Road.

We respectfully request your approval of the above revisions to the Waller County Major Thoroughfare Plan.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Orval Rhoads".
