- Add a portion of Ford Rd. as a collector road

WOODBIDGE CONCEPTUAL LANDUSE PLAN

Justification

- **The current alignment of Mills Branch Dr. relies on the future condemnation of a number of homes/properties that is not preferred by the County.**
- **The addition of Woodbridge Village Dr. as a collector will provide the the east/west connectivity between Ford Road and Woodland Hills Drive that may not otherwise not occur.**
- **This alternate to having Mills Branch Dr. will enhance the circulation in the area.**
