## Meeting Policies and Regulations

### Order of Agenda

Planning Commission may alter the order of the agenda to consider variances first, followed by replats requiring a public hearing second and consent agenda last. Any contested consent item will be moved to the end of the agenda.

### Public Participation

The public is encouraged to take an active interest in matters that come before the Planning Commission. Anyone wishing to speak before the Commission may do so. The Commission has adopted the following procedural rules on public participation:

1. Anyone wishing to speak before the Commission must sign-up on a designated form located at the entrance to the Council Chamber.
2. If the speaker wishes to discuss a specific item on the agenda of the Commission, it should be noted on the sign-up form.
3. If the speaker wishes to discuss any subject not otherwise on the agenda of the Commission, time will be allowed after all agenda items have been completed and “public comments” are taken.
4. The applicant is given first opportunity to speak and is allowed two minutes for an opening presentation. The applicant is also allowed a rebuttal after all speakers have been heard; two additional minutes will be allowed.
5. Speakers will be allowed two minutes for specially called hearing items, replats with notice, variances, and special exceptions.
6. Speakers will be allowed 1 minute for all consent agenda items.
7. Time limits will not apply to elected officials.
8. No speaker is permitted to accumulate speaking time from another person.
9. Time devoted to answering any questions from the Commission is not charged against allotted speaking time.
10. The Commission reserves the right to limit speakers if it is the Commission’s judgment

that an issue has been sufficiently discussed and additional speakers are repetitive.

11. The Commission reserves the right to stop speakers who are unruly or abusive.

### Limitations on the Authority of the Planning Commission

By law, the Commission is required to approve subdivision and development plats that meet the requirements of Chapter 42 of the Code of Ordinances of the City of Houston. The Commission cannot exercise discretion nor can it set conditions when granting approvals that are not specifically authorized by law. If the Commission does not act upon a Sec. I agenda item within 30 days, the item is automatically approved. The Commission’s authority on platting does not extend to land use. The Commission cannot disapprove a plat because it objects to the use of the property. All plats approved by the Commission are subject to compliance with applicable requirements, e.g., water, sewer, drainage, or other public agencies.
