The Old Sixth Ward Neighborhood Association provided invaluable support in the research and documentation of the existing historic structures in the District, and prepared a draft guideline document. Portions of it have been incorporated into this document by permission. The draft document was prepared by J. D. Bartell, with contributions by Jane Cahill and Chuck Stava.

Portions of other regulatory and guideline documents have been incorporated in this document for convenience and reference. These include primarily:

Chapter 33, The City of Houston Code of Ordinances

The Secretary of the Interior’s Standards for the Treatment of Historic Properties
