

Special Minimum Lot Size Block (SMLSB) Application

Dear Applicant:

You are taking the first step toward preserving the character of your block. The Planning and Development Department staff will help you determine if your block qualifies for this application, and can assist you in completing the application process. If approved, an ordinance will be created for your application that preserves the lot size character of your block.

This application packet includes:

- a Special Minimum Lot Size Block (SMLSB) Application
- a list of Submittal Requirements and a sample of the notification signs
- a blank Evidence of Support page for other property owners to sign
- a sample of a Map Sketch
- a set of Frequently Asked Questions

It is recommended, but not required, that each applicant meet with a staff person for a preliminary meeting before an application is submitted, allowing staff to go over the eligibility requirements that are reviewed for all applications. Below are the five criteria that applications and their proposed boundaries must meet:

1. contain at least one blockface, but not more than two opposing blockfaces;
2. contain all lots on each blockface;
3. form a contiguous area;
4. have at least 60% of the lots developed for or restricted to single-family use (exclusive of land used for a park, library, place of worship, or school); and
5. contain at least one lot that does not have a minimum lot size established by deed restrictions

A complete application must include all items listed in the submittal requirements on page 6 of this packet. A complete application package must be mailed or hand-delivered during standard business hours to:

Planning and Development Department
Attn: Community Sustainability
611 Walker Street, 6th Floor
Houston, TX 77002

A step by step guide is provided on page 4 of this packet. Contact the Community Sustainability division at (832) 393-6600 with any questions or to schedule a meeting prior to submitting an application. More information can be found on www.houstonplanning.com. Thank you for your interest and we look forward to meeting with you soon.

Special Minimum Lot Size Block (SMLSB) Application: Frequently Asked Questions

Special Minimum Lot Size Block: Frequently Asked Questions

What is a Special Minimum Lot Size Block (SMLSB) application, what does it mean and who created the boundary?

A SMLSB application provides property owners an opportunity to preserve the lot size character of a blockface, or two opposing blockfaces. This means any new lots that are created in the application area must be greater than or equal to the established Special Minimum Lot Size. The application is submitted by a property owner within the application area, or a representative of an entity in your neighborhood.

What if my lot is smaller than the Minimum Lot Size designated?

For example, if a 5,000 square foot special minimum lot size is established for your block, no lots will be able to divide into any size less than 5,000 square feet. If you currently own a lot that is smaller than the special minimum lot size (for this example its 5,000 square feet), you would not be allowed to divide your property. If you had a 10,000 square foot lot, then you could divide your property into two 5,000 square foot lots.

What can I build on my lot?

On a single family lot you can build a single family home, a single family home with a detached garage apartment not larger than 900 square feet, or a duplex. A Special Minimum Lot Size Ordinance does not determine the physical design of buildings. Please note that deed restrictions may already be imposed on your neighborhood. In those cases the more restrictive of either the proposed lot size or deed restrictions will be applied to the property.

Can I add a porch or rebuild my home/commercial/multifamily property?

Yes, if you have an existing single family lot you are allowed to rebuild, improve or add to your home. If you have an existing commercial or multifamily lot you are allowed to rebuild, improve or add to the building. Please note that deed restrictions may already be imposed on your neighborhood. In those cases the more restrictive of either the proposed lot size or deed restrictions will be applied to the property.

What will happen to my commercial/multifamily lot if the minimum lot size application is approved?

If you have a commercial/multifamily lot it will remain commercial/multifamily. If at any time you desire to change your property to single family residential use, you would not be allowed to convert back to commercial/multifamily. If you decide to subdivide your property, any lots that are created would need to meet the special minimum lot size.

What happens next in the application process?

An applicant for the Special Minimum Lot Size Block will submit a completed application packet. You may choose to support this application by signing the Evidence of Support page prior to its submittal. Planning and Development Department staff will review the application and notify residents within the application area that a complete application was submitted.

What if I disagree with this application?

Notification sent to property owners will indicate a 30-day protest period allowing property owners to file a written protest with the Planning and Development Department. If a SMLSB application receives less than 51% support when it is submitted to the Planning and Development Department, or if there is a protest from a property owner within the block, the application will be referred to the Houston Planning Commission.

Special Minimum Lot Size Block (SMLSB) Application: Frequently Asked Questions

Special Minimum Lot Size Block: Frequently Asked Questions (continued)

What happens at Planning Commission?

At Planning Commission, there will be a public hearing where you will have an opportunity to speak. The Planning Commission will approve or deny the application. If approved, the application will be forwarded to City Council. If the application is denied at Planning Commission or City Council, the application may not be resubmitted for one year.

To approve an application, Planning Commission must find that:

- The application area has an identifiable lot-size character;
- The identifiable lot-size character of the application area will be preserved;
- There is sufficient support by the property owners;
- The application meets all submittal requirements as defined by city ordinance;

What happens after City Council?

If City Council approves the application, the Minimum Lot Size Block designation will apply immediately. The ordinance shall be effective for up to 40 years.

How is the Special Minimum Lot Size calculated?

The Planning and Development Department calculates the special minimum lot size by using the following steps outlined in the ordinance:

1. List all lot sizes in the application area from the largest to the smallest;
2. Add all the lot size numbers and get the total square footage
3. Each lot's area (in square feet) is expressed as a percentage of the total area of all lots in the application area;
4. A cumulative total is kept; and
5. The first lot that represents a cumulative total of at least 70 percent by area (60 percent by area for applications in City of Houston designated historic districts), becomes the proposed special minimum lot size.

Lots Ranked By Size	Address	Size	% by Area	Cumulative % by Area
1	1510 Cocker Spaniel	6,500 sf	15.4%	15.4%
2	1502 Cocker Spaniel	6,000 sf	14.3%	29.7%
3	1508 Cocker Spaniel	6,000 sf	14.3%	43.9%
4	1506 Cocker Spaniel	6,000 sf	14.3%	58.2%
5	1504 Cocker Spaniel	5,830 sf	13.8%	72.0%
6	1500 Cocker Spaniel	5,500 sf	13.1%	85.1%
7	1512 Cocker Spaniel	3,270 sf	7.8%	92.9%
8	1514 Cocker Spaniel	3,000 sf	7.1%	100.0%
Total		42,100 sf	100.0%	
The fifth largest lot size in this example is 5,830 square feet. This would be the new Special Minimum Lot Size for the area.

Special Minimum Lot Size Block (SMLSB) Steps

- **Step 1: Meet with Staff of the Planning and Development Department (Optional)**
Applicants may choose to meet with Planning and Development staff before submitting an application. At the meeting the applicant should bring a map with the proposed boundary and a copy of any existing deed restrictions. To schedule a pre-submittal meeting, contact Community Sustainability at (832) 393-6600.
- **Step 2: Submit a Complete Application**
A complete application package must be mailed or hand-delivered during standard business hours to the Planning and Development Department. If the application is determined to be incomplete, it will be returned with an explanation of what is needed to make it complete. The application package can be mailed through US Postal Service or hand delivered to the Planning and Development Department. Within two (2) business days, Planning and Development staff will contact the applicant(s) regarding whether their application is accepted or rejected. If the application is rejected, staff will provide an explanation of any necessary revisions. It is important to note that any subdivision or development plats submitted within seven (7) days after a Special Minimum Lot Size Area application is accepted will NOT be subject to the lot size requirement.
- **Step 3: Application Review and Notification Signs**
An accepted application will be posted on the Planning and Development Department's website within two (2) business days. Planning and Development staff will review the application, and within 30 business days, determine if the application meets eligibility requirements. After it has been determined that the application meets eligibility requirements staff will notify the applicant(s) and send an instruction letter for the posting of notification signs within the application boundary area. The applicant will have 10 days from when they receive the instruction letter to post the signs.
- **Step 4: 30-Day Protest Period**
Within 15 days of receiving a complete application, the Planning and Development Department will send notification to property owners within the proposed boundaries, as well as the District Council Member. The notifications will include instructions on how property owners may object to this designation. Any objections must be made in writing within 30 days of the date of the notice.
- **Step 5: Department Review of Protest Responses**
At the end of the thirty days, one of the following actions will occur:
 - the application will be sent to the City Council if it has at least 51% support with no protests; or
 - the application will be sent to the Planning Commission for a public hearing if:
 - a) it has at least 51% support and has received protests, or
 - b) it has less than 51% support but has received no protests

A notification letter will be sent to property owners no less than 15 days before the Planning Commission hearing date. Applications recommended for approval by the Commission will be forwarded on to City Council. Applications denied by the Commission will not be forwarded to City Council.
- **Step 6: Attend the Planning Commission Public Hearing**
A letter indicating the time, date and place of the Planning Commission meeting will be sent to all property owners within the proposed SMLSB. Members of the public may present comments about the SMLSB at the public hearing. After the public hearing, the Commission will consider whether or not to recommend that City Council establish the SMLSB. If the Commission recommends that City Council establish the SMLSB, the Planning and Development Director will refer the application to City Council. If the application is denied, the decision of the Commission will be final.
- **Step 7: City Council Action**
City Council will consider all Special Minimum Lot Size Block applications that are approved by the Planning Commission. City Council action to approve or deny the designation is final. Persons wanting to address City Council during the public comment session of the meeting should contact the City Secretary at (832) 393-1100 or citysecretary@houstontx.gov.

Special Minimum Lot Size Block (SMLSB) Application: Submittal Requirements & Signs

Submittal Requirements (Please check and complete)	
Completed application form (page 5)	<input type="checkbox"/>
Evidence of support signed by lot owners within the boundary area (page 5)	<input type="checkbox"/>
Copy of deed restrictions, if applicable***	<input type="checkbox"/>
Sample of Notification Sign (page 6)	<input type="checkbox"/>
Map or sketch showing the address, land use and size of all lots within boundary area	<input type="checkbox"/>

*****DISCLAIMER:** The Planning Department reviewed the deed restrictions you submitted for your subdivision and noted no language addressing a minimum lot size or minimum lot line requirement. As such, revisions to Chapter 42 of the City of Houston Code of Ordinances extending the minimum lot size and minimum building line requirements to neighborhoods within the corporate boundaries of the City of Houston that do not have a minimum lot size or minimum building line established in their deed restrictions are applicable to your subdivision. It's important to understand, however, Planning's review and decision regarding the eligibility of your subdivision to avail itself of the protections set forth in Chapter 42 of the City of Houston Code of Ordinances is based solely on the instruments you have provided and which purport to be the most recent, valid version of your subdivision's deed restrictions. The City of Houston is making no assurances or representations regarding the actual validity of your deed restrictions. You should consult with a private attorney if you have any questions or concerns about your deed restrictions.

Sample Notification Sign (Fill in the blank)

The applicant is responsible for obtaining and posting a minimum of two (2) signs per blockface within the boundary of the proposed Special Minimum Lot Size Block within ten (10) days of written notice from the Planning and Development Department. Planning and Development staff may approve an alternative number of signs for the application of a Special Minimum Lot Size Area upon determining that the signs will provide sufficient notice within the application area. Each sign shall be at least two feet by three feet (2' x 3'), face the street, and be legible from the street. Applicants are responsible for contacting Planning and Development Staff once the signs are posted. The applicant shall use reasonable efforts to maintain the signs until the Planning and Development Director or the Houston Planning Commission has approved an application. Applicants shall include the name of each subdivision in the application on the notification sign.

Special Minimum Lot Size Block (SMLSB) Application: Evidence of Support

Evidence of Support for a Special Minimum Lot Size Block

Below are signatures of property owners within the proposed Special Minimum Lot Size Block boundary who support the request to preserve the character of the existing lot sizes and the creation of a Special Minimum Lot Size Block for the following area: (Example: "North and south side of Winter Lane between Spring Avenue and Summer Avenue" or "Block 15, Lots 1-5, in Four Seasons Subdivision")

By signing this evidence of support, I hereby represent:

- (1) That I am the lot owner or representative of the property listed with my signature, and
- (2) I support the petition to create a Special Minimum Lot Size Block.
