

## April 14

### Built Form

- Retention of local historical character
- Building diversity
- Physical form
- Neighborhood character
- Acknowledgement of existing characteristics

### Access

- Mobility - sidewalks, angled parking, mid-block thru ways, pedestrian and bus feeder routes, ramps
- Appropriate transit and access
- Alternate transportation options

### Public Realm

- Make pedestrian number one priority
- Create 24 hour pedestrian environments
- Scenic corridor model
- Positive perception of place
- Standards of public realm
- Attractive pedestrian areas

### Environment

- Sustainable physical environment
- Bike friendly, green corridor, stormwater management and air quality
- Pollution - air, noise, light
- Mitigating flooding
- Trees

### Parking

- Reduce parking ratio
- Provide as public utility
- Shared parking facilities
- Site appropriate parking

### Planning

- Neighborhood serving businesses
- Utilized places
- Development incentives
- Mixed use
- Density
