North Houston Highway Improvement Project: Update and Next Steps for Public Engagement

June 20 and 26, 2019
AGENDA

• Public Engagement Process *(City of Houston)*
• Status of NHHIP *(TxDOT)*
• Break Out Discussion Groups/Open House
Goals for Segment 1 and 2 engagement

1. To provide an additional forum for stakeholders along Segments 1 and 2 similar to the process that occurred for Segment 3.
2. To analyze comments and bring opportunities to the Mayor’s Steering Committee.
The Result

A coordinated list of opportunities to improve the North Houston Highway Improvement Project (NHHIP).
How this fits into TxDOT’s work

• Review over 2,500 comments collected by TxDOT since 2017
  • Map comments to help prioritize

• Include feedback from TxDOT neighborhood meetings:
  • Community Impacts Tech Report
  • Cumulative Impacts Tech Report

• Convene stakeholders to identify additional opportunities
  • Include TxDOT and technical advisors in discussions to determine feasibility

• Provide analysis to Mayor’s Steering Committee for presentation to TxDOT
