SUBJECT: CASE:60205707- I MONICA ORTIZ

Chief Hurtt & Chief Perales:

I would like to personally thank you for the action taken by the Juvenile Division, and the Houston Police Department in the case of 14 year old Monica Ortiz. The League of United Latin American Citizens greatly appreciates the hard work and dedication exemplified by the officers involved in this case. Houston Police has returned Monica Ortiz home to her parents and family.

Your Houston Police Officers' actions provided hope to a mother and father who were losing faith in having their young daughter return home. Your immediate attention proved to Patricia Ortiz and Haroldo Ortiz that Houston Law Enforcement continues protect and serve its community.

I cannot express the gratitude felt by the family, therefore I have attached a personal note sent to you by Haroldo and Patricia Ortiz:

Chief Hurtt:

I personally would like to thank you for helping us get our daughter back home. It was 5 long weeks until we were able to successfully see our daughter back home, and we will never be able to repay what the Missing Juvenile Division and HPD have done to solve this matter. Please let the people involved know that we are very grateful for the job that they have done, and that we are very happy to live in a society in which the system does work.

Thank you again and God bless you.

Haroldo & Patricia Ortiz
