

Connecting People
to Solutions

You Submit QUESTIONS. They Provide ANSWERS!

Are you searching for "EXPERT" advice on issues impacting work outcomes?

Are you seeking an "ANSWER" to a persistent workplace challenge?

Real PEOPLE, Real SITUATIONS, Real SOLUTIONS

An organizational development (OD) intervention to address documented concerns from middle and senior-level managers of the 2014-2015 Leadership Institute Program (LIP). Come and experience our diverse panel of experts eager to answer questions and offer instruction on a wide-range of topics, spanning the Peter Principle, trust, micro-management, compensation, behavior barriers and strategic workforce planning.
