

# APPEAL FORM

Questions for this promotional examination were taken solely from the source material listed in the Source Material List. Information contained in any other material will not be considered in determining the correct answer to any question.

Houston Fire Department

HFD Investigator 1/7/2015

You may only appeal **ONE** question per form.

For Question # 85 I would like the Test Review Committee to take the following action (please check one or explain in the space provided):

- Make A the only correct answer.
  - Make B the only correct answer.
  - Make C the only correct answer.
  - Consider the following as correct answers (circle the answers you feel are correct):  
 A      B       C
  - Give all applicants credit
  - Remove the question from the exam.
- Other (please explain below):

Explanation: Please provide a detailed explanation of your appeal / rebuttal. **DO NOT WRITE THE TEST QUESTION ON THIS FORM.** Print/ Write legibly.

From experience Radiation is not below the heated layer. there is substantial heat in radiat heat. Enjo enough to catch adjacent structures on fire. This question should get dual credit. Thanks.
