Investigator - **STUDY AID**

This is only an aid. Exam content will be based on sources listed above.

Applicant Instructions: This matrix is presented as a study aide to assist you in your preparation for the written job knowledge promotional examination for the position of Investigator with the Houston Fire Department. The top six job tasks performed by an Investigator are listed on the left hand side of the page, and each Source Material is listed by title (only) on the top of this document (1-6). To identify what to study from any particular source and how to apply what you study to the test, follow down the sheet to read what portions/ chapters of the source are related to each critical job task. For example, as you study Source 1 think about how Chapter X might help you "Thoroughly interviews witnesses, suspects, occupants, and owners, documenting pertinent evidence for legal processing." Please note that examination questions will NOT be verbatim from the sources and will not be answerable by rote memorization. Correctly answering examination questions will require you to use the facts and information presented in these sources as they apply to the critical job tasks.
