YARD WASTE

Yard waste is grass clippings, leaves and small branches. It must be placed in City-approved compostable bags to be collected. The City-approved compostable bags may be purchased at local grocery or hardware stores; be sure to look for the City Logo on the box. Yard waste is collected weekly on the same day as your garbage. Place the bags at least 3 feet from your garbage cart. Filled bags must weigh less than 50 pounds. Bundle small branches less than 4-feet in length and smaller than 18-inches in diameter and place next to the bags for collection. Yard waste mixed with trash, paper, plastic or any other type of waste will not be collected. Work performed by a contractor such as a yard service company must be removed by the contractor.

Extra Capacity Collection Fee

ADD-A-CAN

This program provides residents with the opportunity of having a second or third garbage can serviced for a fee. The fee will be added to your monthly water bill upon request of the service. Call 3-1-1 to enroll in Add-A-Can.

TAGS FOR BAGS

Extra bags of garbage are collected only if they have a special tag attached. The “Tags for Bags” program allows residents the convenience of purchasing “tags” instead of additional cans if they require extra service occasionally. These tags may be purchased at Fiesta, HEB, Sellers Bros. and participating Kroger stores. Residents may also download an order form at houstonsolidwaste.org and send the completed form and payment through the mail. Yard waste bags do not require tags.

*Chemicals and hot ashes cause truck fires.
