

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of 0.519190 per \$100 valuation has been proposed by the governing body of City of Houston.

PROPOSED TAX RATE	\$0.519190 per \$100
NO-NEW REVENUE TAX RATE	\$0.484574 per \$100
VOTER-APPROVAL TAX RATE	\$0.523479 per \$100

The no-new-revenue tax rate is the tax rate for the 2023 tax year that will raise the same amount of property tax revenue for City of Houston from the same properties in both the 2022 tax year and the 2023 tax year.

The voter-approval tax rate is the highest tax rate that City of Houston may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that City of Houston is proposing to increase property taxes for the 2023 tax year.

A public hearing on the proposed tax rate will be held on September 27, 2023 at 9:00am at 901 Bagby, Houston, TX 77002 or may be viewed on the City’s website (<https://www.houstontx.gov/htv/index.html>), Facebook site (<https://www.facebook.com/pg/HoustonTelevision/videos/>) and the municipal channel on public television. Public comment will be allowed via teleconference or in person. Details for signing up and participating are posted at <https://www.houstontx.gov/council/meetingsinfo.html>.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, City of Houston is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the City Council of City of Houston at their offices or by attending the public meeting mentioned.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

$$\text{property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$
