

Managing Your Finances: Partner Organizations

We have partnered with several non-profit organizations to provide you with the knowledge and tools that will make saving for your future less confusing. These organizations offer free financial education classes and counseling, and other resources.

You learn how to:

- Manage a checking account
- Improve your credit rating
- Pay off debt
- Save for the future
- Manage payday and auto-title loans*
- Manage spending and avoid excessive fees

Some of our community partners offer classes in English and Spanish at locations throughout the city. They are ready to help you on a path to a better way of becoming financially stable. If you are struggling with, or wanting to avoid payday and auto-title loans, call the specific agencies designated (*asterisk*) below.
