

HEALTH AND HUMAN SERVICES DEPARTMENT

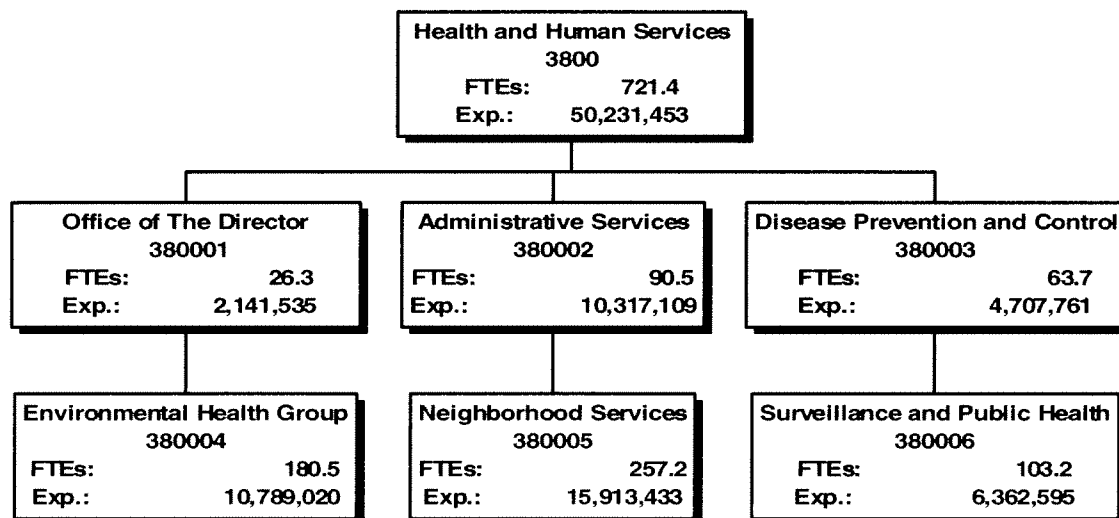

Department Description and Mission

The mission of the Health and Human Services Department is to provide leadership in the promotion and protection of the health and social well being of the Houston community through advocacy, education and community-based health services. To accomplish this mission, the department's programs and activities are structured within six core public health functions:

- Educate, promote, and encourage healthy behaviors
- Prevent the spread of communicable disease
- Protect against environmental hazards
- Collect, analyze, and disseminate health data
- Provide leadership, planning, and policy development, and
- Assure community-wide quality and accessible health services

Funding from the General Fund along with state and federal grant funding supports departmental priorities which consist of: improving communicable/infectious disease control, improving the environment and environmental outcomes within the City of Houston, eliminating health disparities in the City of Houston, improving departmental capacity to provide effective and efficient services to the community, improving community capacity to address health disparities and gaps in services through improved health information and dissemination, technical support and partnership development.
