Mission:

The Department of Planning and Development provides leadership to ensure Houston is a vibrant city in which to live, learn, work and play by:

- Developing plans to meet future citywide needs.
- Enhancing and protecting neighborhood character and stability.
- Providing reliable data, mapping and analysis to decision-makers.

Department Short Term Goals:

- Conduct sub-area transportation plan studies throughout the City that supports the Houston Complete Streets and Transportation Plan.
- Improve customer service and streamline processes.
- Pursue grant funding opportunities to supplement department activities.

Department Long Term Goals:

- Implement and maintain Plan Houston.
- Implement and maintain the Houston Bike Plan.
- Develop and maintain the Houston Complete Streets and Transportation Plan.
- Conduct small area planning and sub-regional mobility studies to support Plan Houston.
- Actively market the use of Foreign Trade Zones in and around the city in conjunction with the Port of Houston and The Mayor's Office of Economic Development.

The following briefly describes the function of each section in the Planning and Development Department:

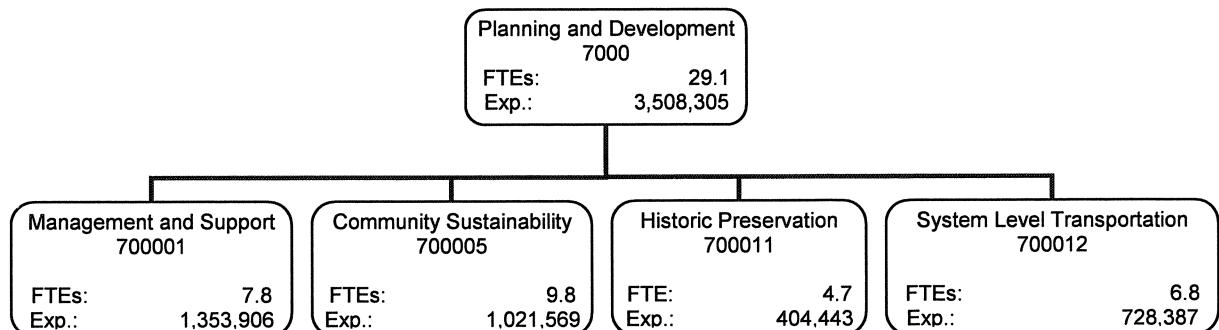

The Management and Support Services Division supports the core functions of the department by providing internal administrative, communication, financial, and managerial resources.

The Community Sustainability Division coordinates and administers programs that seek to preserve the development character of communities and works to strengthen and transform communities through civic engagement. The division is also responsible for reviewing and analyzing requests for boundary changes within the City limits and in the City's extraterritorial jurisdiction (ETJ).

The Historic Preservation Office administers the City's Historic Preservation Ordinance in order to preserve our community's historic structures, neighborhoods, and archeological sites.

The Transportation Planning Division leads the City's systems-level mobility planning. This function includes management of the City's Complete Streets and Transportation Plan, Major Thoroughfare & Freeway Plan, Bicycle Master Plan, rail-related planning, local area studies, and external transportation funding efforts.
