The purpose of Houston Television (HTV) is to produce and cablecast informational programming, describing services provided by both City departments and related community agencies, and educating the public on utilization of those services.

HTV began operations in 1986 as The Municipal Channel, with the distribution of Houston City Council meetings through a closed circuit network. Now, HTV provides a variety of informative, educational, and feature programs. HTV produces both live and recorded taped programming, including live gavel-to-gavel coverage of City Council, Planning Commission and other special events. Live streaming two – HTV channels of programming 24/7, and on demand archive of meetings such as City Council, Planning and Parking Commission, is also available to the public through our website: [www.htvhouston.net](http://www.htvhouston.net).

The 82nd legislature passed SB1087, which was signed by the Governor on June 17, 2011, and was effective September 1, 2011. SB1087 requires that fees paid under state franchises be maintained in a separate account and not commingled with revenue from any other source. Any unspent Public, Educational, and Governmental (PEG) fees previously collected from State franchises must be transferred to the separate account. As a result, Ordinance #2011-731 established the Cable TV State Fund (2428).
