The Health Benefits Fund is an Internal Service Fund established in 1984 to centralize the financial transactions of the City's benefit plans. The benefit plans include health, vision, dental, life insurance, dependent care reimbursement and a health flexible reimbursement arrangement plan. The City also provides five Medicare plans for all eligible retirees age 65 and over, who are covered by Medicare. The medical plans are supported by contributions from the City and subscribers.

The City became self-insured effective May 1, 2011, and initially purchased stop-loss insurance. Effective May 1, 2013, the City assumed the financial risk of catastrophic and overall claims liability and discounted the purchase of individual and aggregate stop-loss coverage.

Additionally, the FY2020 Active subscriber rates will increase by 10% except for employee only in Limited Plan which will be at \$0.00 effective May 1, 2019. The City departments' contribution rates will increase by 1.86% in aggregate effective July 1, 2019.
