GENERAL FUND EXPENDITURES/OTHER USES FY2022 BUDGET

Total = \$2,581,100,271

OVERVIEW

The largest single category of expenditures and other uses in FY2022 is Public Safety (58.48%), followed by Debt Service/PAYGO (16.10%), General Government (8.29%), Human and Cultural Services (7.13%), Development and Maintenance Services (6.08%), and Administrative Services (3.92%).

The General Fund is dominated by public safety costs. While the public safety category makes up a majority of the total costs, it is important to note that other expenditure categories such as debt, general government, maintenance, and administrative services provide support for public safety activities. Those public safety activities could not operate without the support. Further, it is widely recognized that many of the human and cultural services the City provides indirectly reduce crime by actively engaging at-risk groups. In many ways those services are public safety costs as well.

Lobbying contract services are managed by the Mayor’s Office Intergovernmental Relations. The scope of services for the contract(s) includes but not limited to identify and prepare potential proactive legislation, assist in tracking adverse legislation, advocate and advance the City’s position on legislation. The FY2022 Budget includes an estimated cost of \$400,000 a decrease of \$500,000 from FY2021 Estimate of \$900,000 due to the ending of the 87th legislative session.

Additionally, the FY2022 Budget includes \$671,632 for advertising services, an increase of 1.76% compared to the FY2021 Estimate of \$659,988. Advertising services includes costs such as notices required by law to be published in a newspaper.
