

**TABLE II
CITYWIDE REVENUE SUMMARY**

Listed below are the resources for all City funds by category. All City funds include General, Special and Enterprise, as well as interfund eliminations. Totals do not include Service Chargeback and Internal Service Funds. The largest revenue source for the City is collection from the City's Combined Utility System for water and sewer charges, which are projected to increase by approximately 23.47%. The second largest source of revenues is general property taxes, which are projected to increase by approximately 3.98%. Together these two sources account for approximately 49.68% of all City revenues.
