

FINANCE

Department Description and Mission

The Finance Department's mission is to safeguard the fiscal integrity of the City, its component units, and other dependent entities, and enable other City stakeholders to do the same.

The Finance Department's strategic objectives are to:

- Promote fiscal responsibility.
- Provide high-quality financial services and information to the Mayor's Office, City Council, City departments and citizens.
- Seek maximum disaster recovery reimbursement from all applicable funding sources.
- Improve process execution internally and citywide.
- Engage staff and provide them the resources they need to get the job done.

Department goals include:

- Promote fiscal responsibility
 - Encourage and enable compliance with the City's Financial Policies.
 - Increase collection rates on accounts receivable through improved vendor performance.
 - Implement outcome-based budgeting citywide.
 - Complete in-depth budget reviews on all city departments.
 - Continue using data-driven analysis to provide accurate revenue estimates.
- Provide high-quality financial services and information to the Mayor's Office, City Council, City departments and citizens
 - Develop structurally-budgeted operating and capital budget proposals for the Mayor that maximize City resources and promote the Administration's priorities.
 - Work with operating departments to create efficiencies by centralizing financial work functions.
 - Promote financial transparency to provide useful financial information to all stakeholders.
 - Produce meaningful and useful strategy, planning, budgeting, reporting, and administrative support to council members, staff, and members of the Mayor's administration.
- Seek maximum disaster recovery reimbursement from all applicable sources
 - Continue site inspections in the area of Hazard Mitigation to reduce or eliminate long-term risk to City properties from future disasters.
 - Secure funding opportunities from federal, state and private sources.
 - Ensure compliance with all applicable federal and state requirements.
 - Monitor cash flow forecasting for recovery purposes.
- Effectively manage spend and compliance of the COVID-19 pandemic cost recovery from U.S. Department of Treasury
 - Coronavirus State and Local Fiscal Recovery Fund under the American Rescue Plan Act (ARPA).
- Improve process execution internally and citywide
 - Document controls, written procedures, instruction manuals, training curriculum, and metrics/goals for all remaining financial management and procurement processes.
 - Create a data warehousing environment for operational and financial data that enables citywide access to useful business intelligence and analytics, and external access to open data.
 - Implement new financial forecasting, budgeting, and reporting software system.
 - Identify and achieve savings through procurement, active cost management, centralization and business process improvements.
 - Collaborate with Internal stakeholders to increase engagement with local small business.
 - Streamline contract management and sourcing.

Capital Projects and Debt Management

Description:

Engage all departments in the annual preparation of the five-year Capital Improvement Plan. Work with Administration and City Council to Adopt the CIP annually. Once adopted, review and approve RCAs in NOVUS as compared to the plan. Monitor capital budgets and spending. Maintain asset replacement models and bring forth the equipment models. Approve RCAs in Novus based on the plan amounts. Maintain asset replacement model for Fleet and IT, with possibility of others coming online. Monitoring and reporting on capital budgets and spending. Serve as chair of the Finance Working Group responsible for all debt issuance and managing liquidity facilities. Analysis of pension and OPEB matters.

Goal:

Adopt the annual Capital Improvement plan before end of preceding fiscal year. Maintain the active CIP in SAP with the most up to date information. Manage any requests from the departments and the Administration in a way that is fiscally responsible, while providing the highest benefit to the citizens. Track and evaluate all debt refunding opportunities to achieve the lowest possible cost of borrowing. Maintain credit ratings and ensure a sufficient debt service fund balance. Ensure compliance with applicable laws and ensure annual actuarial valuation reports are completed.

Citywide Procurement and Contract Management

Description:

On behalf of client departments, manage the full procurement process for the purchase of goods and services and provide oversight for any departmental delegated procurement authority. Assist client departments with developing purchase specifications, scopes of service and all other necessary information for solicitation development. Work with the vendor community, including certified MWBE firms, to competitively procure needed goods and services. Provide contract management and vendor performance evaluations.

Goal:

Ensure timely, compliant procurement of necessary goods and services on behalf of client city departments. Protect the city's interests by ensuring public funds are being used to their highest and best use through competitive, open, and fair procurements. Safeguard the city's interest and reduce risks by ensuring procurements are compliant to all state, federal and local procurement policies, and procedures.
