\*The Rainy Day Fund Fund of \$20 million became unassigned in FY2011. In 2012, the City reassigned \$5 million to the Rainy Day Fund and another \$5million to the FY2013 Budget. The total designation for the Rainy Day Fund is \$10 million. In FY2012, the City also provides for the designation of \$2.72 million out of the General Fund fund balance as restricted in the event that DARLEP collections are insufficient (Ordinance 2012-88).

\*\*A negative number in the Controller or Finance projections represents a gap between sources and uses of funds that was not included in the adopted budget. If this gap was not addressed by decreasing uses or increasing the sources of funds, it would require a drawdown of fund balance in order to balance the budget. A positive number represents a projected increase in fund balance.

\*\*\*The City desires to maintain an ending fund balance equal to 7.5% of expenditures before Debt Service which is \$128,200 based on current expenditure projections. Ordinance 2003-474 requires a 5% fund balance of expenditures before Debt Service. The City of Houston will be \$15,249 above 7.5% based on the Controller's projections for Fiscal Year 2013.
