To: Mayor Sylvester Turner City Council Members From: Chris B. Brown City Controller

**Date:** August 25, 2017

Subject: July 2017 Financial Report

Attached is the Monthly Financial Report for the period ending July 31, 2017.

# **GENERAL FUND**

The Controller's Office is projecting an ending fund balance of \$201.3 million for FY2018. This is \$4.7 million lower than the projection of the Finance Department. The difference is due to a \$4.7 million higher revenue projection from the Finance Department. Based on our current projections, the fund balance will be \$48.7 million above the City's target of holding 7.5% of total expenditures, excluding debt service and Pay As You Go (PAYGO), in reserve. The ending fund balance and amount above the target noted above are \$33 million higher than projected in the June Financial Report due to pending year-end expenditures/revenues. We expect these amounts to be reflected in the August report.

We are projecting FY2018 revenues at our Trends report amounts released in May, with the exception of Property Tax and Licenses & Permits.

The major differences are in one category:

(1) Sales Tax is \$2.0 million lower, as Controller's Office is using 1% growth.

Expenditure projections were increased \$30.2 million from the Adopted Budget. Fire was increased \$13.3 million for Fire pension rates. Parks was increased \$5 million for the Houston Zoo payment that was deferred last year. Police was increased \$1 million for an additional cadet class. General Government was increased \$10.9 million. This includes \$6 million for fire pay increases, and \$4.9 million for the lease payment to Public Works that was deferred last year.

# **ENTERPRISE FUNDS**

Our projection for the Combined Utility System Operating Fund's Non-Operating Revenues increased \$4.9 million to reflect the lease payment for the 611 Walker building.

We are currently projecting no material changes from Adopted Budget amounts in the Aviation Operating Fund, Convention & Entertainment Operating Fund, Storm Water Fund, and the Dedicated Drainage & Street Renewal Fund this month

Mayor Sylvester Turner City Council Members July Monthly Financial Report

## **COMMERCIAL PAPER AND BONDS**

The City's practice has been to maintain no more than 20% of the total outstanding debt for each type of debt in a variable rate structure. As of July 31, 2017, the ratio of unhedged variable rate debt for each type of outstanding debt was:

General Obligation	8.23%
Combined Utility System	0.31%
Aviation	15.31%
Convention and Entertainment	12.14%

Respectfully submitted,

Date: August 25, 2017 Subject: 1+11 Financial Report

Attached is the 1+11 Financial Report for the period ending July 31, 2017. Fiscal Year 2018 projections are based on one month of actual results and eleven months of projections.

# **General Fund**

# Fiscal Year 2017

In accordance with government accounting standards for governmental funds, the final revenues for FY2017 will include revenues earned through June 30 only if they are collected by the end of August. Expenditures through June 30 will include spending incurred before the end of June. These expenses continue to be recorded as accruals to Fiscal Year 2017 until August 31.

The current preliminary undesignated fund balance for the General Fund is \$282.3 million which is approximately \$25.9 million higher than our June MoFR projection. This number is expected to change as goods and services in FY2017 continue to come in. The results are not final until the publication of the FY2017 Comprehensive Annual Financial Report.

## Fiscal Year 2018

General Fund Revenues (amounts expressed in thousands)

With the greater than anticipated beginning fund balance, and in accordance with the Mayor's intention, we are reducing our projection for the use of non-recurring budget items. Our expenditure projection is \$30.2 million higher than the Adopted Budget primarily due to:

 \$13.3 million increase due to an adjustment to the fire classified pension contribution rate based on pension fund census data and a higher contribution rate provided by the fire actuary,

- \$6.0 million increase to fully fund classified fire employee pay raises (\$7.2 million included in the adopted budget),
- \$5.0 million increase in Parks and Recreation for the elimination of a one-time deferral of the interlocal payment to the Houston Zoo,
- \$4.9 million increase in General Government for the elimination of a one-time deferral of the lease payment to Public Works for 611 Walker, and
- \$982,000 increase in Houston Police Department to fund an additional police cadet class.

\*The total designation for the Budget Stabilization Fund is currently \$20.1M.

\*\* A negative number in the Controller or Finance projections represents a gap between sources and uses of funds that was not included in the adopted budget. If this gap was not addressed by decreasing uses or increasing the sources of funds, it would require a drawdown of fund balance in order to balance the budget. A positive number represents a projected increase in fund balance. \*\*\*According to the financial policies, Ordinance 2014-1078, the City is required to maintain an ending fund balance equal to 7.5% of expenditures less Debt Service and Pay-As-You-Go (PAYGO) which is \$152,602 based on current projections. The City will be \$48,690 above 7.5% shows for the source of 5% or \$5M of budget expenditures or projected revenues are 5% or \$5M less than current budget.
