

POLICE FACILITIES

The mission of the Houston Police Department is to enhance the quality of life in the city of Houston by working cooperatively with the public to prevent crime, enforce the law, preserve the peace, and provide for a safe environment. This is accomplished by providing superior and equitable services to improve the quality of community and work life for all citizens.

As part of our effort to accomplish these goals, the Houston Police Department utilizes Capital Improvement Plan bond funds to provide for the expansion or renovation of department facilities and other infrastructure improvements based on community needs and service demands.

The FY2010 – 2014 Capital Improvement Plan budget for police includes \$77.5 million in Public Safety Public Improvement Bonds and an additional \$10 million in other funding sources.

Approximately two-thirds of the appropriated funding for this bond cycle will be allocated to partially fund the City of Houston /Harris County Jail Merger project and the Police Radio Infrastructure Upgrade project.

Highlights of the Adopted FY2010 – 2014 CIP include:

- Construction of a new Prisoner Processing Center (join City of Houston/Harris County Jail Merger project)
- Police Radio Infrastructure Upgrade.
- Expansion of the Firearms Training Center.
- Roof replacement and exterior water proofing of the Southeast Command Station.
- Design and construction of a covered arena for the Mounted Patrol facility.
- Building code and security upgrades at various facilities.
