WRITTEN Motion by Council Member Bradford to amend Section 46-513 of Item 61 below:

Section 46-513. Transportation network vehicles – Age and mechanical condition.

In addition to the provisions of section 46-514 of this Code, no licensee or permittee shall drive or cause to be driven upon the streets of the city any transportation network vehicle that is more than seven years old or has been driven more than 150,000 actual miles, whichever occurs first. Actual mileage shall be determined from the odometer and title records except as otherwise provided in subsections (b) and (c). For purposes of this requirement, a transportation network vehicle will be considered to be seven years old on July 31st of the seventh year following the manufacturer's model year of the vehicle, regardless of the purchase date or the date it was originally placed into service.

Section 46-513. Transportation network vehicles - Age and mechanical condition.

(a) In addition to the provisions of section 46-514 of this Code, no licensee or permittee shall drive or cause to be driven upon the streets of the city any transportation network vehicle that is more than seven years old. For purposes of this requirement, a transportation network vehicle will be considered to be seven years old on July 31st of the seventh year following the manufacturer's model year of the vehicle, regardless of the purchase date or the date it was originally placed into service.

(b) A licensee or permittee may drive or cause to be driven, a transportation network vehicle for an additional three-year period beyond the age limitations described in subsection (a), if the licensee or permittee submits the vehicle for a third party Automotive Service Excellence (ASE) certified general conditions inspection each year at a location authorized and identified by the director prior to the expiration of the permit issued authorizing the operation of the transportation network vehicle.

(c) If the vehicle passes the inspection, the director is authorized to issue a certification decal for the vehicle. The transportation network vehicle is subject to the other provisions of Chapter 46 of this Code.

60. Council Member Martin withdrew motion

WRITTEN Motion by Council Member Martin to amend Section 46-7 of Item 61 below:

(a) Upon initial application for a license and at license renewal intervals stated in this chapter, the director shall cause the criminal history of each designated as a driver in an application for a license to be researched. Each person designated as a driver in an application shall complete any forms required for the director to obtain the report, and the applicant shall present the required completed forms to the director and shall bear the cost to cover any fees imposed by state or federal agencies for the report. The provision of this requirement shall not be construed to preclude the director from obtaining interim reports at the expense of the city.

(b) An applicant who has met the other requirements of this chapter may be provisionally authorized to drive for a permittee if the permittee has caused the criminal history of the applicant to be researched by a company approved by the director, and such search discloses that the applicant has no convictions of any applicable offense listed in section 1-10 of this Code. Such a search shall include a national criminal history database and a national sex offender database. Drivers provisionally authorized pursuant to this subsection shall be required to comply with the requirements of section 46-6 (c) within 30 days of being provisionally authorized by the permittee.
