**MATTERS TO BE PRESENTED BY COUNCIL MEMBERS** - Council Member Martin first

Members of Council commented and thanked everyone for their support to help them be seated around this horseshoe.

Council Member Davis stated that he is here representing his people in District B because his term has ended and the obligation to make sure that District B voters has someone to represent them at this horseshoe. This past Election the vote didn’t go down in District B because they didn’t have a Representative on the Ballot. They asked him the question if he would stay and he agreed to stay a while and we’ll make sure we get this process going and he hopes the Courts take action because this isn’t his seat. There needs to be someone in this seat, and he prays that the Courts will act swiftly.

Mayor Turner stated for clarification purposes, Council Member Jerry Davis is serving because the Texas State Constitution says that one must carry over until such time a Representative is chosen. Just as soon as the Legal issue is resolved and the duly Elected Representative for District B is chosen; Council Member Davis’s seat would come to an end and that new Council Member will come automatically and assume that position. He hopes that the Legal issue will be resolved very quickly, and he believes there’s a Court Hearing on January 24, 2020 and there will be some finality in one sense or another. Mayor Turner believes that members of District B understand that this is not a situation where Council Member Davis is just holding onto the seat and again, he hopes the Courts will move quickly and the parties that are involved recognize that it’s important that the people have representation as soon as possible.

Mayor Turner stated he wanted to make a few acknowledgments and they are going to wrap up because there are number events for the Council Members throughout the City of Houston. he wanted to acknowledge the Congresspersons that are present and who have been very supportive of the City of Houston, Mayor Turner recognized Mayor Yolanda Ford from Missouri City and Senator Royce West from Dallas. Former State Representative Helen Giddings that is also from Dallas is present.

Mayor Turner stated he wanted to acknowledge his daughter Ashley Turner that is here and acknowledge number of his sisters and brothers and rest of his family that are present in the Chamber or Legacy room. Mayor Turner also wanted to recognize the City Secretary Anna Russell because this is the first time in a long time that Anna Russell has not been here when we are starting off a new session. She has been a City of Houston employee for 65 plus years
especially at a time when there are more women on the City Council in the City's history, Anna Russell is one tough person and someone saying no in leaving this Earth and willed herself forward, he can’t say enough about Anna Russell and we want to keep her and her family in our Prayers and thoughts.

Mayor Turner said that he is looking forward to working with each and every Council Member, this is an exciting season for City Council and there are 17 distinct personalities which are good and people who are committed to their Districts and the At-Large Council Members that represent the entire City and this is a great City. There being no further business before Council; the City Council adjourned at 12:05 p.m.
