ROLL CALL

Council Member Abbie Kamin absent on personal business. Council Member Martha Castex-Tatum absent on City business.

MAYOR'S REPORT

Mayor Turner stated that we all know Council Member Castex-Tatum is at the Texas Municipal League. They are having a conference in Houston today through Friday. There is about 2,600 people and Council Member Castex-Tatum is President of the TML. On National Night Out, a number of the council members were out, and it was good to see the neighbors out in person

which was different from last year because it was pretty much virtual. He had a wonderful time. He had a lot of hot dogs and people were enjoying themselves. Chief Finner and law enforcement and firefighters were out last night.

As of yesterday, the Houston Health Department had just over 2,000 \$100 gift cards left, and they provided enough funding for 20,000. He wanted to encourage people to get vaccinated. As of October 3, 65.3% of Houstonians are fully vaccinated, which is good but needs to continue to rise. 76.8% of eligible Houstonians have had their first dose. Today, October 6, is Energy Efficiency Day in the City of Houston and he wants to invite all residents and businesses to join the city in supporting clean energy goals for a more energy efficient future. A news release is going out this morning with more ideas and information that will be helpful to all Houstonians.

Beginning this week, the Houston Fire Department has 9 new pumpers in service. With this acquisition, the HFD's fleet will now have an average age of 7 years, which is an improvement. The new pumpers are equipped with the latest technology to help firefighters perform their job safely. Some of the features include backup and right size body cameras, intercom and radio system provided through headsets, offering hearing protection and improve the communication. This will bring our total number of emergency vehicle pumpers to 58, which brings us closer to the administration's goal of standardization.

Next week, will be the State of the City. He will be delivering the 6th Annual State of the City address to reflect on this year's challenges and celebrate the City of Houston's successes. This year the event will be held in partnership with Houston First. He's hoping to join people at the Hilton Americas or tune in at noon on Wednesday, October 13. He wants to acknowledge the hard working staff at BARC. Starting back in July, they took in 7 dogs with distemper issues and they took immediate preemptive measures to isolate the issue. Conditions are much better and BARC is resuming select services after clearing the shelter of distemper. There will be a tour with the media tomorrow and they will highlight adoptable pets as a part of the ongoing "Empty The Shelters" campaign.

The American Advertising Federation has announced their 2021 Mosaic Award winners and they include the Planning Department Director, Margaret Wallace Brown. The Mosaic Awards recognize individuals, companies and agencies whose commitment to diversity, equity and inclusion is evident through their creative work and organization wide initiatives. At 11:00 a.m., he will join the Mayor's Office of Cultural Affairs and the Houston Arts Foundation for a news conference in the Legacy Room. There will be an announcement about the restructured Adopt A Monument Program, through which funds are raised to provide for the care and maintenance of municipally owned artworks available to the Houston public. They had a rally in front of City all yesterday for the Houston Astros. They are playing the White Socks starting tomorrow and they want to wish all of the Astros much success.
