<b>AMOUNT &amp; SOURCE OF FUNDING:</b> N/A		<b>Prior appropriations:</b> 8/23/2006.....\$4,679,540.00 Arpt Sys Consolidated 2004 AMT Fd (8203)		
<b>RECOMMENDATION: (Summary)</b> Pass a motion to approve the final contract amount of \$4,144,249.46 or 0.03 percent less than the original contract amount, accept work, and authorize final payment.				
<b>SPECIFIC EXPLANATION:</b>  The contractor, TJ&T Enterprises, Inc., has completed all the work required under their contract in the amount of \$4,254,123.67 for the construction of a new communication duct bank and the conduits for the access control system at William P. Hobby Airport (HOU). During construction, HAS inspected the project, the inspection team was led by Henry Horelica and Douglas Holsenback.  The final contract amount, including Change Order No. 1 in the amount of \$144,984.65 and line item under runs in the amount of \$254,858.86, will be \$4,144,249.46, which is 0.03 percent less than the original contract amount. Changes included additional work on duct bank systems and traffic control.  Additional calendars days (394) were allowed to extend the contract due to inclement weather conditions (111 days), required additional duct bank systems (180 days), and coordination with project 612W which installed the fiber backbone system (103 days).  TJ&T Enterprise, Inc. achieved 18.11% DBE participation on a 19.70% goal. The shortfall was due to the following: (1) DBE subcontractor for ready mix concrete no longer offered this item; and (2) City of Houston Fire Academy adjacent to HOU accepted excavated material, which was originally to be hauled off by a DBE subcontractor. Small Business Development and Contract Compliance Office awarded TJ&T Enterprises, Inc. a "Satisfactory" rating.

<b>SPECIFIC EXPLANATION:</b> On January 3, 2008, City Council awarded a Construction Management at Risk (CMAR) Contract to Spaw Glass Construction Corporation for construction of the Midwest Police Station – District 18. The General Services Department and Spaw Glass agreed to a Guaranteed Maximum Price (GMP) for construction services in the amount of \$5,886,342.00. The General Services Department recommends that City Council approve the final construction amount of \$5,828,056.00 or 0.99% under the GMP, accept the work and authorize final payment to Spaw Glass Construction Corporation.			
<b>PROJECT LOCATION:</b> 7277 Regency Square Blvd. (530D)			
<b>PROJECT DESCRIPTION:</b> This project converted an existing 60,000 SF office building into a police station, which included renovation of approximately 40,770 SF of interior space with the remaining portion shelled out for future use. The new police station includes a front desk, roll call, community meeting room, break room, officer's work area, exercise room with lockers, showers and restrooms, electrical, data, and telecom rooms and an Investigations Unit on the second floor.			
<b>PREVIOUS HISTORY AND PROJECT SCOPE:</b> On April 1, 2009, City Council approved a First Amendment to delegate authority to the director to approve the GMP proposal, and appropriated \$6,654,000.00 for construction phase services based on the estimate of costs submitted by Spaw Glass.

**CONTRACT COMPLETION AND COST:** The contractor completed the project within the original contract duration of 233 days. The final construction cost of the project is \$5,828,056.00, a decrease of \$58,286.00 under the GMP.

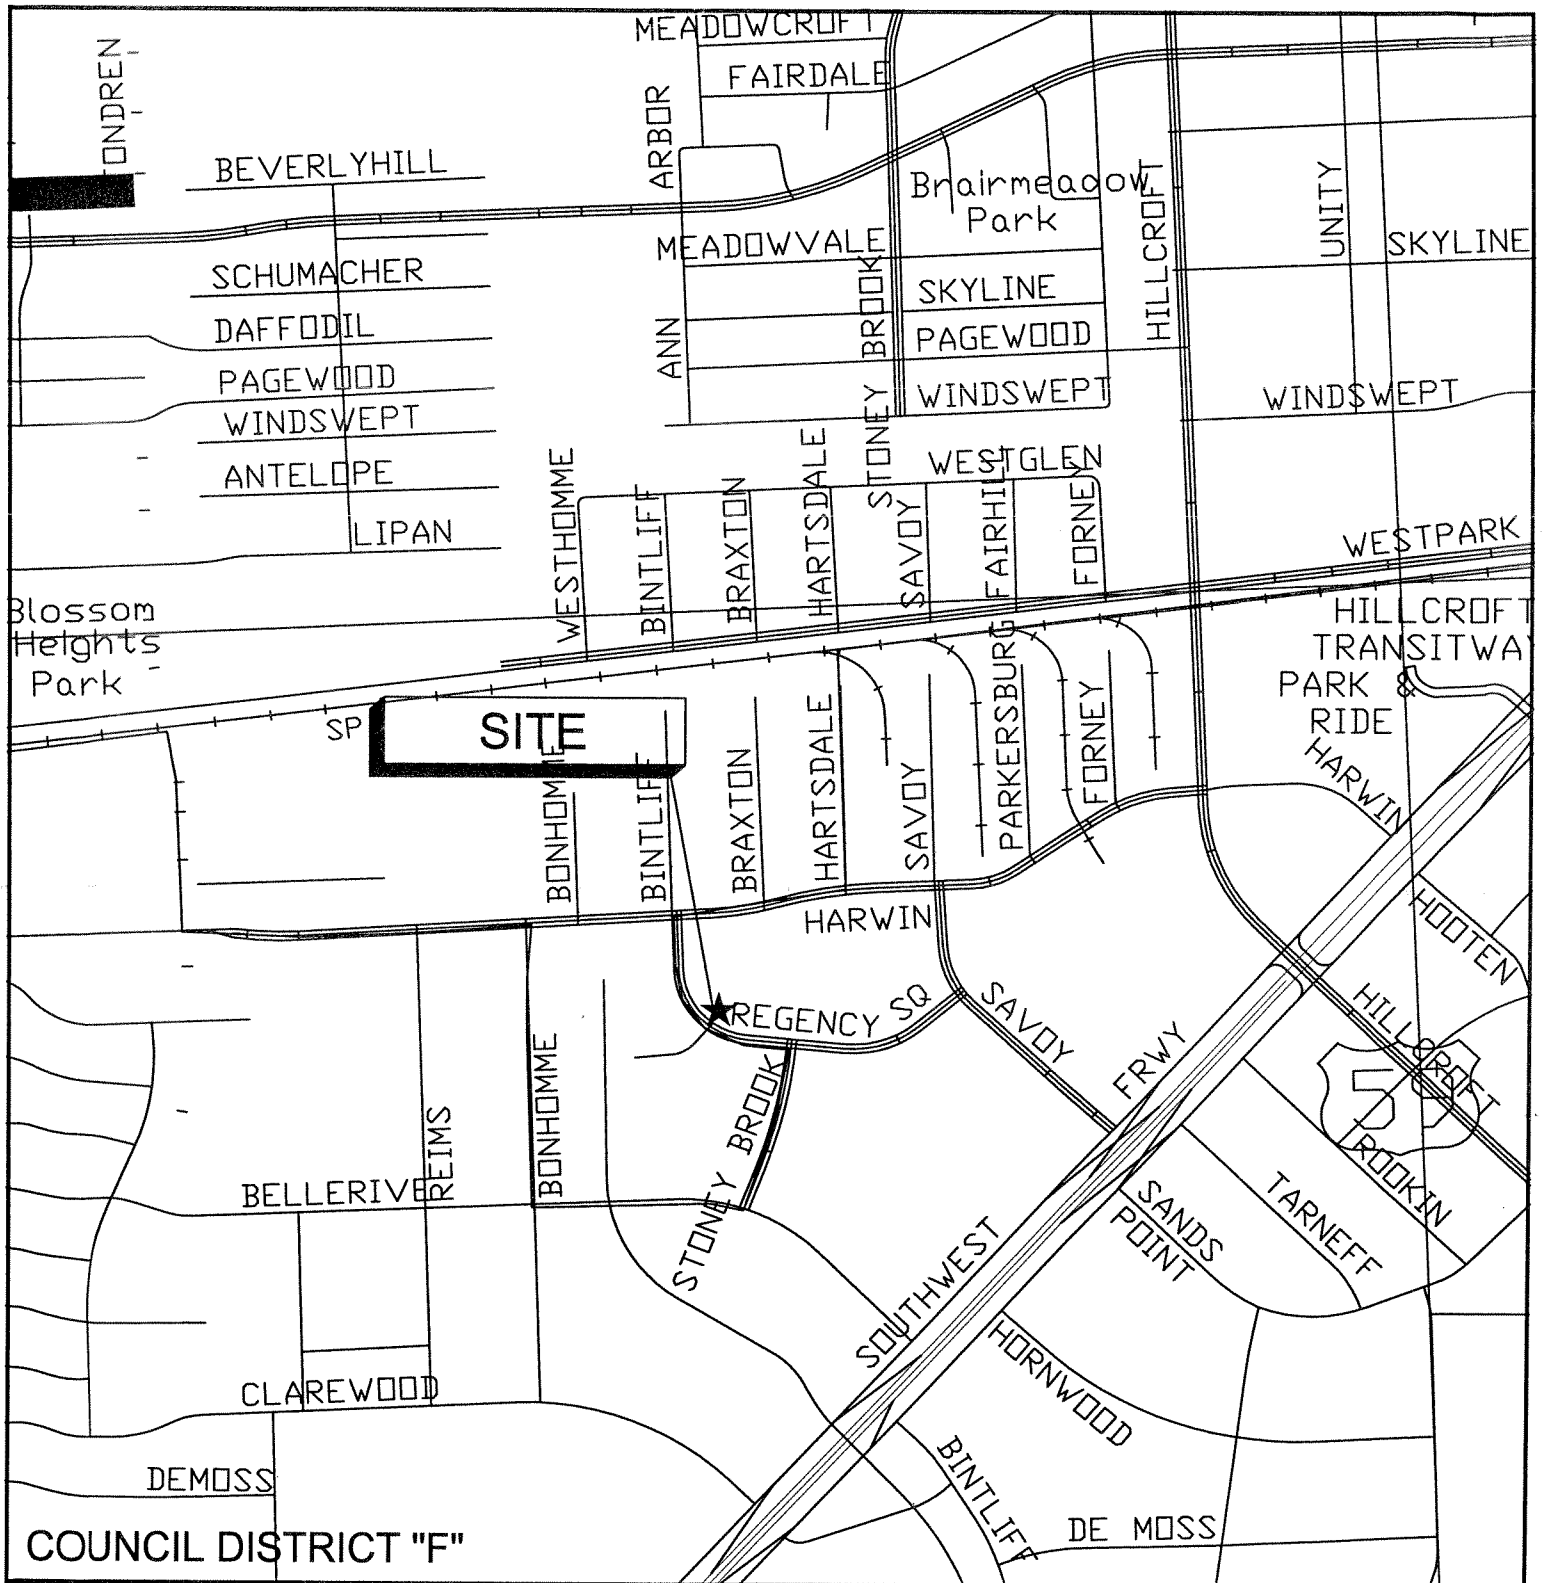

Perkins + Will, CRA, L.P. was the project design consultant.

**PREVIOUS CHANGE ORDERS:** Change Orders 1-5 addressed unforeseen conditions discovered during the renovation process including replacement of water damaged insulation and asbestos and mold abatement, upgrade of millwork and furnishing for durability, additional security cameras for enhanced security, additional guard railing for enhanced safety and improved site detention. Additionally there were owner enhancements including an energy efficient roof system, solar window shades and lobby enhancements. Change Order 6 provided for a credit to the City because the actual construction costs were less than the GMP.

**M/WBE PARTICIPATION:** The contract contained a 14% MBE goal, 5% WBE goal and 5% SBE goal. According to the Affirmative Action and Contract Compliance Division, the contractor achieved 24.35% MBE participation, 2.27% WBE participation and 3.70% SBE participation and was assigned an outstanding rating.

**RECOMMENDATION: (Summary)** Pass a motion to approve the final Contract Amount of \$5,595,826.97, which is 6.13% under the original Contract Amount, accept the Work and authorize the final payment.

**Amount and Source of Funding:** No additional appropriation required.

(Original appropriation of \$6,846,300.00 from Water and Sewer System Consolidated Construction Fund No. 755.)

**PROJECT NOTICE/JUSTIFICATION:** This project was part of the City's ongoing program to improve the conditions and operation of various wastewater treatment and sludge processing facilities. This project is required to improve the safety and dependability of sludge processing facility at 69<sup>th</sup> Street Wastewater Treatment Plant.

**DESCRIPTION/SCOPE:** The project consisted of rehabilitation and replacement of Dryer No. 3 and certain other sludge processing facilities at 69<sup>th</sup> Street Wastewater Treatment Plant. Binkley & Barfield, Inc. designed the project with 510 calendar days allowed for construction. The project was awarded to Pepper-Lawson Construction, L.P. with an original Contract Amount of \$5,961,000.00.

**LOCATION:** The project is located at 2525 SSGT. Macario Garcia Drive. The project is located in Key Map Grid 494-R.

**CONTRACT COMPLETION AND COST:** The Contractor, Pepper-Lawson Construction, L.P. has completed the Work under subject Contract. The project was completed within the contract time with an additional 754 days approved by Change Order Nos. 1 through 5. The final cost of the project, including overrun and underrun of estimated bid quantities, previously approved Change Order Nos. 1 through 5 is \$5,595,826.97, a decrease of \$365,173.03 or 6.13% under the original Contract Amount.

The cost underrun is primarily due to the work not requiring use of most Extra Unit Price Items.

**M/WBE PARTICIPATION:** The M/WBE goal set for this project was 17.00%. According to Affirmative Action and Contract Compliance Division, the actual participation was 26.72%. The Contractor was awarded an "Outstanding" rating for M/WBE compliance.

**Amount and Source of Funding:** No additional appropriation required.

(Original appropriation of \$2,889,000.00 from Water and Sewer System Consolidated Construction Fund No. 8500.)

**PROJECT NOTICE/JUSTIFICATION:** This project was part of the City's ongoing program to improve and upgrade its neighborhood sanitary sewers.

**DESCRIPTION/SCOPE:** The project consisted of construction of 8-inch, 10-inch, and 12-inch of sanitary sewers, 6-inch sanitary sewer leads and various pavements. Brown & Gay Engineers, Inc. designed the project with 270 calendar days allowed for construction. The project was awarded to ACM Contractors, Inc. with an original Contract Amount of \$2,534,197.43.

**LOCATION:** The project is generally bound by Westheimer on the north, West Alabama on the south, Hazard on the east and Revere on the west. The project is located in the Key Map Grids 492-U and 492-V.

**CONTRACT COMPLETION AND COST:** The Contractor, ACM Contractors, Inc. has completed the Work under subject Contract. The project was completed within the Contract Time with 7 additional days allowed by previously approved Change Order No. 1. The final cost of the project, including overrun and underrun of estimated bid quantities and Change Order Nos. 1 and 2 is \$2,627,703.55, an increase of \$93,506.12 or 3.69% over the original Contract Amount.

The increased cost is a result of the differences between planned and measured quantities, primarily due to an overrun in Base Unit Price Item No. 34 - Type D - Hot Mix Asphalt Concrete Surfacing, 1-1/2-inch Thick (includes removal and disposal of 1-1/2-inch surface), which was necessary to complete the Work.

**M/WBE PARTICIPATION:** The M/WBE goal for this project was 20%. According to Affirmative Action and Contract Compliance Division, the actual participation was 20.70%. The Contractor was awarded a "Satisfactory" rating for M/WBE compliance.

<b>Amount and Source of Funding:</b> Not Applicable			
<b>SPECIFIC EXPLANATION:</b>  Rich Cryar, 7411 Mesa Drive, Houston, Texas, 77028, requested the abandonment and sale of an unnamed platted street, from Fitzhugh Street east to its terminus, located in the Knollwood Estates Subdivision, out of the J.L. Stanley Survey, A-700. The street was dedicated to the City by the J.L. Stanley Survey, dated December 22, 1936 in Volume 13, Page 53, of the Harris County Map Records. The street was never opened or used for utility purposes. Further, the City has identified no future need for this street. The abutting property owner, Rich Cryar, plans to use the subject property as a storage area for his adjacent metal fabrication business. The Joint Referral Committee reviewed the request and determined the request could be processed as a non-acceptance.  Therefore, it is recommended City Council approve a council motion declining the acceptance of, rejecting, and refusing the dedication of an unnamed platted street, from Fitzhugh Street east to its terminus, located in the Knollwood Estates Subdivision, out of the J.L. **RECOMMENDATION: (Summary)**

Approve the purchase of light-duty cabs & chassis with modular bodies through the Texas Local Government Purchasing Cooperative (BuyBoard) in the amount of \$352,557.22 for the Houston Police Department.

Award Amount: \$352,557.22

**Finance Budget**

\$352,557.22 - State Homeland Security Program Grant (SHSP) Fund ( Fund 5030)

**SPECIFIC EXPLANATION:**

The City Purchasing Agent recommends that City Council approve the purchase of six 11,000-lb Gross Vehicle Weight Rating, 4-wheel drive, diesel-powered cabs & chassis mounted with modular bodies through the Interlocal Agreement for Cooperative Purchasing with BuyBoard in the amount of \$352,557.22 for the Houston Police Department, and that authorization be given to issue a purchase order to the BuyBoard contractor, Philpott Motors, Ltd. These vehicles will be used by the Department's Bomb Squad Unit to rapidly respond to and assess all bomb and bomb-related calls, including any terrorist and weapons of mass destruction events.

The Houston Police Department Bomb Squad Unit is the largest and best-trained unit in the region and has a responsibility to respond to events not only in Houston but most of South Texas as well. In addition to responding to events in the City of Houston, including the City's airports, the Bomb Squad Unit has memorandums of understanding with the Federal Bureau of Investigation (FBI), the Alcohol, Tobacco and Firearms (ATF), and other agencies within the Houston-Galveston Area Council response area to provide immediate deployment and quick resolution to any suspected explosive devices. It also has the responsibility along with the FBI and the ATF to conduct post-blast investigations and collect evidence.

These new vehicles are additions to the Bomb Squad Unit's fleet and are required to transport six new tech members and their equipment and personal gear. Currently, there are eight comparable vehicles assigned to the Bomb Squad Unit. The Department's goal is an immediate deployment and quick resolution to any suspected explosive device because response time is critical. To accomplish this goal, the unit will immediately dispatch the closest techs to the scene, thereby reducing response times. All unit members are on-call 24/7 and may be activated at any time.

The cabs & chassis will come with a full three-year/36,000-mile warranty and the modular bodies will come with a full six-year warranty. The life expectancy of these vehicles is 7 years or 100,000 miles. These vehicles will meet the EPA's current emission standards for vehicles with diesel engines.

**SPECIFIC EXPLANATION:**

First Evangelical Church and Education Building at 1311 Holman Road was designated as a Landmark and Protected Landmark by City Council on June 24, 2009, resolution 2009-16. However, the resolution contained an incorrect legal description. The purpose of this action is to correct the legal description to:

*All of Lots 5-10, and the West 50 feet of Lots 3 and 4, Block 1, Holman Outlot #40, City of Houston, Harris County, Texas. The block, bounded by Holman, Austin, Francis and Caroline Streets, includes four historic buildings: the church, a religious education building, a two-story parsonage, and a detached garage with custodian quarters. Only the church and religious education building are included in this protected landmark designation. The two-story parsonage and the parsonage's detached garage with custodian quarters, located on the East 50 feet of Lots 1, 2, 3 and 4, are excluded.*

**Amount of Funding:** Not Applicable

**Finance Budget:**

**Source of Funding:** ☐ General Fund ☐ Grant Fund ☐ Other (Specify)  
☐ Enterprise Fund

**SPECIFIC EXPLANATION:**

Starting in 1993, City Council began authorizing commercial paper programs to provide appropriation and "on time" funding for various capital expenditures of the City. The issuance of commercial paper has provided an expedient, cost-effective method of accessing cash and providing interim financing. Commercial paper notes are later refinanced into fixed rate bonds more closely matching the useful life of the project or equipment being financed.

The current liquidity facilities that support the Series D and Series F commercial paper programs expire on May 25, 2010. These commercial paper programs support the Capital Improvement Plan and drainage projects, therefore, the Finance Working Group ("FWG") recommends the creation of the new commercial paper program Series J to replace the Series D and Series F commercial paper programs.

State Street Bank is recommended as the liquidity provider for the Series J commercial paper program in the amount of \$125 million, plus interest. The liquidity facility is for a 3-year term, with a commitment fee of 70 basis points per annum. Morgan Stanley and Loop are recommended as dealers, and U.S. Bank National Association as issuing/paying agent. Vinson & Elkins and Francisco G. Medina are recommended as co-bond counsel.

This issue was discussed and reported out favorably at the January 4<sup>th</sup> Budget and Fiscal Affairs meeting.

The FWG recommends approval of this transaction.

**Source of Funding:** ☐ General Fund

**SPECIFIC EXPLANATION:**

In the FY 2010 Budget previously approved by City Council, the City has agreed to partially fund the unfunded actuarial accrued liabilities (UAAL) of the Houston Police Officers' Pension System (HPOPS) with proceeds of taxable pension obligation bonds. This \$20 million payment is due May 25<sup>th</sup>, 2010.

The Finance Working Group ("FWG") recommends obtaining funding in the form of a short-term note issued to a commercial bank. This short-term note will have a 15-18 month maturity. The note will then be refunded with long-term Taxable Pension Obligation Bonds when the City is prepared to do a larger debt issuance.

The closing is expected to occur on or around May 21st, 2010. The FWG recommends that the notes be issued to Bank of America, based on the most favorable terms offered through the FWG solicitation process. Vinson & Elkins L.L.P. is recommended as bond counsel.

This item was discussed at the Budget and Fiscal Affairs Committee on April 5<sup>th</sup>, 2010 and was recommended favorably for full City Council consideration.

Ordinance No. 95-1149

**RECOMMENDATION: (Summary)**

That City Council approve and authorize a Lease Agreement with the Houston Symphony Society for office space at Jones Hall.

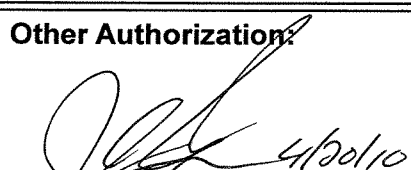

**Amount of Funding: N/A (Revenue)****F & A Budget:****SPECIFIC EXPLANATION:**

In 1995, under Ordinance No. 95-1149, the Houston Symphony Society entered into a Lease Agreement for space in Jones Hall, 615 Louisiana. The 1995 Lease Agreement expires on May 31, 2010. The Convention & Entertainment Facilities Department requests approval of a new Lease Agreement with a five year term. The total amount of space being leased remains at approximately 8,398 square feet. The first year's rental is \$58,108.08 or \$4,842.34 monthly. Thereafter, the rental will be adjusted according to the Consumer Price Index.

The five year term was selected to coincide with the term of the most recent Resident Company Agreement for Jones Hall, which was approved by City Council in December, 2009. The Houston Symphony Society and the Society for the Performing Arts are both resident companies of Jones Hall and schedule the majority of their performances in Jones Hall. Both entities maintain their primary offices in Jones Hall, along with their box offices.

The Convention and Entertainment Facilities Department recommends approval of the new Lease Agreement with the Houston Symphony Society for office space in Jones Hall. The new Lease Agreement will continue the City's tradition of promoting the arts and arts organizations.

HPD is the coordinating police agency for this grant and works in conjunction with the Texas Department of Public Safety (DPS), Fort Bend County Sheriff's Office (FBCSO) and the Harris County Metropolitan Transit Authority Police Department (METRO PD). If approved by City Council, this will be the 19<sup>th</sup> year of funding through the ABTPA program. Since its inception in 1991, the ABTPA Grant Unit has been instrumental in reducing the auto theft rate in Houston and the surrounding areas by 66%.</p> <p>As a lead agency, the HPD ABTPA program has successfully fostered an increased level of cooperation with other police agencies. These agencies have provided personnel who assist in the apprehension and prosecution of suspected buyers and sellers of stolen motor vehicles and automotive parts. These participating law enforcement partners have requested to continue their collaborative efforts and are presently preparing interlocal agreements with HPD that will be presented for City Council approval at a later date.</p> <p>The in-kind contributions consist of direct expenses such as fuel and utilities and office space while the cash match consists of salaries and fringe benefits. Both the in-kind and cash match items are presently included in the HPD General Fund budget, therefore no additional allocation is required.</p> <p>HPD will pass on \$1,248 to DPS, \$31,236 to METRO PD and \$26,746 to FBCSO in support of their participation in the Houston Auto Crimes Task Force.</p>

<b>RECOMMENDATION: (Summary)</b> The Department recommends approval of an Ordinance authorizing an Agreement between the City of Houston and Houston Esperanza, Inc. for land acquisition and construction of a Senior Residential Housing Facility.				
<b>Amount of Funding:</b> \$2,449,929			<b>Finance Budget:</b>	
<b>SOURCE OF FUNDING</b> <input type="checkbox"/> General Fund <input type="checkbox"/> Grant Fund <input type="checkbox"/> Enterprise Fund <input checked="" type="checkbox"/> Other (Specify) <b>HOME FUNDS</b>				
<b>SPECIFIC EXPLANATION:</b> <p>Houston Esperanza, Inc. (Esperanza), a nonprofit Texas corporation under Section 501(c)(3), has been certified by the Housing and Community Development Department (HCDD) as a Community Housing Development Organization (CHDO). Esperanza is requesting a \$2,449,929 0% Performance Based Loan (PBL) from the City of Houston. Esperanza will then provide a credit facility to Houston Sterling Court Senior Residences, L.P. (HSCSR) for land acquisition and construction of the Sterling Court Senior Residence complex.</p> <p>The City of Houston HOME funds, to Esperanza, will be a 0% interest loan with a 20 year term. The PBL is to be forgiven at the end of the 20 year term so long as the Borrower complies with the City loan agreement terms and conditions, and the property is in full compliance with HUD and City guidelines. As collateral, Esperanza will convey its security interest in the Note and Deed of Trust from the HSCSR partnership to the City of Houston. The City's Land Use Restrictions Agreement (LURA) will be superior to Alliant Capital loan on the property.</p> <p>HSCSR has been awarded a tax-credit commitment from the Texas Department of Housing and Community Affairs. The tax-credits will be purchased by a national tax-credit syndicator. The additional financing will be provided by City HOME funds and bank loan. The limited partnership interest in HSCSR will be sold for a 99.99% limited partnership interest. With the pay down of the construction loan, the equity proceeds from the sale of the limited partnership will be invested into the project.</p> <p>Under the proposed structure, HSCSR will own Sterling Court Senior Residences, and in partnership with Esperanza, will be responsible for all aspects of the development process and management. The principals of HSCSR will personally guarantee the \$2,449,929 note from the City of Houston to Esperanza, which will be released upon project completion and stabilization.</p>

**RECOMMENDATION: (Summary)**

The Department recommends approval of an Ordinance authorizing a loan agreement between the City of Houston and Floral Senior LDG, LP.

**Amount of Funding:** \$726,000

**Finance Budget:**

**SOURCE OF FUNDING**      ☐ General Fund      ☒ Grant Fund      ☐ Enterprise Fund

☐ Other (Specify)      **HOME Funds**

**SPECIFIC EXPLANATION:**

Floral Senior LDG, LP is a limited partnership established to build and operate Floral Garden. Floral Garden is a 100-unit affordable housing development targeting seniors 55 and older earning 30%, 50% and 60% of median income for the Houston MSA. The proposed project will be new construction consisting of a single three-story building with elevators. The proposed development will be located on the NE side of Beltway 8 and Fondren Road.

Floral Senior LDG, LP is requesting a \$726,000 loan from the City of Houston to assist in the acquisition and development of Floral Garden.

Floral Garden was awarded 9% housing tax credits in the 2009 competitive round. They returned the tax credits to the Texas Department of Housing and Community Affairs (TDHCA) to participate in the TAX Credit Exchange Program administered by TDHCA. The tax credit exchange award amount is \$11,936,975 or \$1,404,350 annually for 10-years.

Floral Garden will have 100-units of which 30 units or 30% will be one-bedroom units and 70 or 70% will be two-bedroom units. The one-bedroom units will be 604 square feet and the two-bedroom units will average 917 square feet. The following amenities are proposed for the development: swimming pool, fully equipped clubhouse, health screening room, library, laundry facility, business center, barbecue area with grills, gated entry, and gazebo. The proposed supportive services for this development are: health screening, health /nutritional classes, exercise classes, legal assistance, computer classes and financial planning.

LDG Development, LLC is the proposed developer of Floral Gardens. LDG Development was formed in 1994 by Mark Lechner and Chris Dischinger as the primary holding company for their real estate investments. LDG and its related companies have built or rehabilitated over 500 properties totaling in excess of \$150,000,000. The principals will personally guarantee the project through completion of construction.

The City of Houston will provide a \$726,000 HOME loan at 0% interest for 20-years with an option to extend for 10 years. The City's loan will be repaid at maturity. The City's Land Use Restrictions will prime Sterling Bank's 1<sup>st</sup> lien and the affordability period is 20 years. Capstone Real Estate Services will manage the property.

Sterling Bank will provide interim construction and permanent financing for the development.

Construction loan: \$2,000,000 Prime floating + 2.00% subject to a minimum all in rate of 6.25%, interest only for 30-months.

Permanent loan: \$1,800,000 @ 8% for a term of 18-years based on a 30-year amortization.

The City will restrict 6 units; 2 Low HOME units and 4 High HOME units. The restricted units will float throughout the property. Seven units are designated to accommodate mobility and sensory impaired persons.

<b>RECOMMENDATION: (Summary)</b> That City Council pass an ordinance to amend the existing contract with the Law Offices of Patrick Zummo to provide additional funding in the amount of \$100,000 for legal services related to continuing litigation and other matters involving the ongoing enforcement of the City's SOB ordinance.			
<b>Amount and Source of Funding:</b> \$100,000 – Additional fund amount – Property and Casualty Fund 1004 \$118,200 – Previous funding \$308,200 – Maximum contract amount			
<b>SPECIFIC EXPLANATION:</b>  The City Attorney recommends that City Council pass an ordinance to amend the current legal services contract with the Law Offices of Patrick Zummo (formerly Zummo & Midkiff, L.L.P.) to provide additional funding in the amount of \$100,000 for legal services in connection with continuing enforcement, including litigation, of the City's sexually oriented business regulations.  With Mr. Zummo's assistance, the City successfully defended the 1997 amendments to the SOB ordinance against all constitutional challenges. The federal litigation terminated on or about March 14, 2008, when the U.S. Supreme Court declined to consider the plaintiffs' appeal from the final judgment rendered by the Fifth Circuit Court of Appeals which upheld the City's 1997 amendments to the SOB ordinance. Notwithstanding the City's success in the federal litigation, several SOB enterprises filed state court actions during 2007 to complete the amortization process provided for in the SOB ordinance and that litigation continues to this date. Mr. Zummo continues to represent the City in those actions, and others relating to the enforcement of the SOB ordinance. Although the City Attorney's Office is handling a number of SOB enforcement cases internally, the City Attorney remains convinced that it is in the City's best interest for Mr. Zummo to continue to represent the City in these matters.  The ongoing litigation is a vital part of the City's enforcement of the City's SOB ordinance. It is recommended that the proposed ordinance be approved to continue those efforts.

**SPECIFIC EXPLANATION:**

The City of Houston ("Houston") has been sued by Trail Enterprises, Inc., and others (collectively "Trail") who claim that Section 23-102 of Houston's Code of Ordinances, which restricts the drilling of oil and natural gas wells in certain areas near Lake Houston, has resulted in a taking of their mineral interests under a tract of land located near the lake.

The trial court dismissed their claims as unripe because none of the Plaintiffs ever applied for a drilling permit. However, the 10<sup>th</sup> Court of Appeals in Waco reversed, and rendered judgment that Plaintiffs recover from the City \$16,849,099.37, plus interest. The City appealed that Order to the Texas Supreme Court, which reversed the judgment of the Court of Appeals, but found that Plaintiffs claims were ripe and remanded everything to the trial court for further proceedings.

Olson & Olson, L.L.P. has considerable experience in representing local governmental entities on inverse condemnation claims. The Legal Department requests that Council approve an ordinance authorizing a contract for legal services with Olson & Olson, L.L.P. to represent the City in this matter.

\$ 11,250.00 PW&E Water & Sewer System Operating Fund (8300)

\$358,230.58

**SPECIFIC EXPLANATION:**

The City Purchasing Agent recommends that City Council approve an ordinance awarding a three-year contract, with two one-year options, to Capt. Kirk's Marine Service, Inc. on its low bid in an amount not to exceed \$358,230.58 for boat, boat motor and boat trailer repair services for various departments. The City Purchasing Agent may terminate this contract at any time upon 30-days written notice to the contractor.

This project was advertised in accordance with the requirements of the State of Texas bid laws. Eight prospective bidders downloaded the solicitation from SPD's e-bidding website and two bids were received as outlined below:

<u>COMPANY</u>	<u>TOTAL AMOUNT</u>
1. Capt. Kirk's Marine Service, Inc.	\$358,230.58
2. Gulf Coast Composite Marine Specialists	\$398,250.00

The scope of work requires the contractor to provide all labor, materials, equipment, supervision, tools and transportation necessary to provide repair, preventative and remedial maintenance services on boats, boat motors and boat trailers. The Police Department Lake Patrol uses seven boats to patrol Lake Houston and its Dive Team has seven boats at its disposal to respond to emergencies citywide and one boat used for major offenders/ environmental unit. The Public Works and Engineering Department uses their three boats for environmental sampling and emergency rescue.

**Pay or Play Program**

The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City Contractors. In this case, the contractor provides health benefits to eligible employees in compliance with City policy.

**Initial Appropriation:**

\$ 1,113,147.00 - Reimbursement of Equipment/Projects Fund (1850)

**SPECIFIC EXPLANATION:** The General Services Department recommends that City Council approve an Energy Savings Performance Contract for Energy Conservation Measures with Siemens Building Technologies, Inc. (Siemens) to implement energy conservation measures designed to improve the system infrastructure and operational efficiencies at Solid Waste Management, Parks and Recreation and Health Department facilities, which represents 56 facilities, totaling 1,333,175 square feet. The contract consists of three work orders. The requested appropriation of \$1,113,147.00 will fund the first work order for implementation of energy conservation measures (ECM) at the Solid Waste Management Department (SWMD) facilities listed below. Council will be requested to appropriate additional funds to this contract for the remaining two work orders, as funds become available.

It is expected that the Reimbursement of Equipment/Projects Fund will be reimbursed from the guaranteed energy savings. The project will generate annual savings of \$2,010,807.00 with \$508,296.00 of that savings derived from capital cost avoidance. The consultant guarantees the City of Houston will save a total of \$26,140,491.00 over a 13 year period, which is the payback timeframe. The lifetime of the new equipment and systems installed and implemented during this project is between 20 and 25 years. If the costs savings are less than the guaranteed annual savings of \$2,010,807.00, the consultant will pay the City the difference.

**PROJECT LOCATIONS:** The following SWMD facilities total approximately 119,502 square feet:

Implementation of Energy Conservation Measures at Solid Waste Management, Parks and Recreation and Health Department Facilities	<b>Originator's Initials</b> GD	<b>Page</b> 2 of 2
--------------	---	------------------------------------	-----------------------

**PROJECT DESCRIPTION:** Many of SWMD facilities use older, inefficient lighting, mechanical systems and control systems. This project will upgrade these systems through the installation and implementation of measures to reduce energy, water consumption and/or operating costs of City facilities. Further, this project will replace several pieces of equipment that are at the end of their useful life, and if not included in this project, would have to be financed through the Capital Improvement Plan. Work is to begin within ten days of the effective date and work shall be completed within 450 days from the date of commencement.

**FUNDING SUMMARY:**

\$1,085,997.00 Construction Contract Services  
\$ 27,150.00 2.5% Contingency  
**\$1,113,147.00 Total Appropriation**

**PREVIOUS HISTORY AND PROJECT SCOPE:** On May 14, 2008, Ordinance No. 2008-439, City Council approved an energy audit services contract with Siemens to provide the City a detailed energy analysis and plans for the implementation of energy conservation measures (ECM) for various City facilities. Due to the popularity of the program, on June 17, 2009, Ordinance No. 2009-0533, City Council amended the energy audit services contract to allow Siemens to perform energy audits on facilities when requested by other City departments.

**M/SBE PARTICIPATION:** A 14% MBE goal and 10% SBE have been established for this contract. The consultant has submitted the following certified firms to achieve the goals:

<u>MBE Firm</u>	<u>Scope of Work</u>	<u>Amount</u>	<u>% of Contract</u>
TAG Electric Company L.P.	Electric	\$2,026,339.00	10.4%
D.C. Services, LLC	Controls Installation	\$ 508,200.00	2.6%
Veritas Supply, Inc.	HVAC Equipment Supply	\$ 295,500.00	1.5%
	<b>Total:</b>	<b>\$2,830,039.00</b>	<b>14.5%</b>

<u>SBE Firm</u>	<u>Scope of Work</u>	<u>Amount</u>	<u>% of Contract</u>
Bocci Engineering, LLC	Engineering	\$ 24,001.00	0.12%
Globe Electric Supply Company, Inc.	Electrical Supplies	\$ 620,000.00	3.17%
Aviles Engineering Corporation	Geo-technical	\$ 133,716.00	0.68%
MAF Enterprises	HVAC Install	\$ 200,000.00	1.02%
FMW Distributors, Inc.	HVAC Equipment Supply	\$ 985,000.00	5.04%
	<b>Total:</b>	<b>\$1,962,717.00</b>	<b>10.03%</b>

**PAY OR PLAY PROGRAM:** The proposed contract requires compliance with the City's 'Pay or Play' Ordinance regarding health benefits for employees of City contractors. In this case, the consultant provides health benefits to eligible employees in compliance with City policy.

<b>SPECIFIC EXPLANATION:</b> The Department of Public Works and Engineering is requesting that an ordinance for the HOUSTON HERITAGE CORRIDOR BAYOU TRAILS WEST HIKE AND BIKE PROJECT be passed approving and authorizing the acquisition of parcels by dedication, purchase, or condemnation.  This project provides a safer route of travel for bicyclists and/or hikers away from the street traffic. Various trails will encourage an alternative method to commute within the City.  This action authorizes payment for the costs of land purchases/condemnations, appraisal fees, title policies/services, and recording fees in connection with negotiations to settle purchases, finds a public necessity for the project, and approves and authorizes the condemnation of the land and improvements thereon. If negotiations to acquire the property cannot be concluded as a purchase or for any reason for which acquisition by condemnation is warranted, this action authorizes the City Attorney to file or cause Eminent Domain proceedings to be filed and acquire rights-of-way and easements for said purposes and authorizes payment for the Award of Special Commissioners and court costs associated with condemnation proceedings. Payments for purchase considerations that exceed the spending authority threshold set by State law will be submitted to City Council as they are finalized. This will expedite the process of acquiring land in support of the Houston Heritage Corridor Bayou Trails West Hike and Bike Project.  MSM:NPC:hht N:/Tyler/HeritageWestH&Bblnktrca cc: Marty Stein

**Amount and Source of Funding:**

\$731,372.00 from the Water and Sewer System Consolidated Construction Fund 8500 *M.P. 4/14/10*

**SPECIFIC EXPLANATION:**

The City of Houston has a Contract Relating to the Operation and Maintenance of the Lake Houston Pump Station, West Canal, and Related Facilities passed on 10/25/1995 Ordinance 95-1141. The 1<sup>st</sup> Amendment with the Coastal Water Authority ("CWA") passed on 11/25/2003 Ordinance 03-1137. Under this contract, CWA operates and maintains the described facilities for the City. This agreement is funded annually as a part of the operation and maintenance budget and expenses are paid monthly as invoiced. Capital improvements such as rehabilitation or replacement are paid when necessary, under the same contract, but from the Capital Improvement Fund. It has become necessary to appropriate capital funds to rehabilitate certain portions of the facility.

Over time, the roof has deteriorated and is leaking into the Motor Room. Minor repairs will no longer suffice and a roof replacement is necessary. With the roof replacement, other items such as doors will be replaced and guard rails will be added. The total project cost including contingency, construction management and engineering testing is \$731,372.00. The project was bid by CWA and the low bidder was Millsap Waterproofing, Inc. The breakdown is shown below. Once the City has appropriated funds for this purpose, CWA will proceed with the repairs.

Bid Amount	\$614,884.00
Contingency	\$61,488.00
Engineering and Testing Services	\$20,000.00
Construction Management	\$35,000.00
Total:	\$731,372.00

It is recommended that \$731,372.00 be appropriated for this rehabilitation.

**PROJECT NOTICE/JUSTIFICATION:** This contract is necessary to provide professional engineering service in investigating and resolving drainage issues lodged by private citizens and assist with large storm repairs referred by the Right-of-Way and Fleet Maintenance Division.

**DESCRIPTION/SCOPE:** This project is part of the Storm Drainage Capital Improvement Plan and is required to provide professional engineering services to address local drainage improvements and storm sewer system repairs citywide.

**LOCATION:** The project location and limit will be determined and defined by each work order.

**SCOPE OF CONTRACT AND FEE:** Under the scope of the Contract, the Consultant will perform Phase I - Preliminary Design (Screening), Phase II - Final Design and Phase III - Construction Phase Basic and Additional Services as defined by the work order. The Basic and Additional Services Fee for each work order will be negotiated based on the scope of service required and all Phases will be paid on a reimbursable basis with authorization not-to-exceed the agreed upon amount.

The total cost of this project is \$110,000.00 to be appropriated as follows: \$100,000.00 for contract services and \$10,000.00 for project management.

**PAY OR PLAY PROGRAM:** The proposed contract requires compliance with the City's 'Pay or Play' ordinance regarding health benefits for employees of City contractors. In this case, the contractor has elected to provide health benefits to eligible employees.

Subject: **MWDBE GOALS ON ENGINEERING  
SERVICES CONTRACTS RELATED TO LOCAL  
DRAINAGE PROJECT NEGOTIATED WORK  
ORDERS  
WBS NO. M-000126**

The Storm Water Engineering Section recently made engineer selections for FY10 professional engineering services for Local Drainage Project Negotiated Work Orders (LDP). The LDP contract scope is to investigate and resolve drainage issues lodged by private citizens and assist with the design of storm sewer repairs referred by the Right-of-Way and Fleet Maintenance Division. Unlike traditional Capital Improvement Projects, the LDP contracts involve less intense basic services and limited additional services. The tasks associated with a work order vary for each work order, but generally include site visits, data gathering, simple hydrodynamic modeling, and a screening evaluation report to the City, which may lead into a simple design. Typical average engineering services fees are less than \$12,000 per work order.

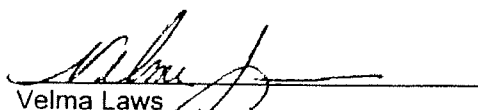

Historically, the engineers have not been able to satisfy the current contract compliance goal of 24%. Below are two previous LDP contracts and their achieved MWDBE goals:

- Contract No. 61865 PTI Inc. - 14.6%
- Contract No. 4600007552 R.G. Miller Engineers, Inc. - 12.15%

We are currently in the contract award process with three engineers, the engineering services fees are: two contracts for \$200,000.00 and one contract for \$100,000.00. I am writing to request your consideration in reducing the participation goal to 15% for contract compliance related to LDP contracts only. I feel this goal addresses the nature of these work order contracts while upholding the goals of affirmative action.

Should you have any questions or require additional information, please contact Harish Jajoo, P.E. at 713-837-0442.

**RECOMMENDATION: (Summary)** Approve an Ordinance authorizing an Engineering Services Contract with Siemens Industry and appropriating funds.

**Amount and Source of Funding:**

\$500,000.00 from Street &amp; Bridge Consolidated Construction Fund 4506.

**Finance Department:****SPECIFIC EXPLANATION:**

**PROJECT NOTICE/JUSTIFICATION:** This project will provide engineering services associated with the planning, design and evaluation of Intelligent Transportation Systems (ITS). The ITS provide for traffic signal interconnectivity and communication and allows traffic signal timing to be controlled from Houston Transtar.

**DESCRIPTION/SCOPE:** This project consists of developing complete construction-ready plans, specifications (if needed), and estimates for traffic signal interconnection.

**LOCATION:** The project area is located throughout the City.

**SCOPE OF CONTRACT AND FEE:** Under the terms of the contract, the consultant will provide all project background research, data collection results, field survey reports, charts, layouts, software modeling outputs, reports, maps, exhibits, design notes, graphics, photographs, evaluations, plans, specifications, technical memoranda, and estimates. All intersection plans shall include integration into the I2 Traffic Management System at Houston Transtar. This is a work order type contract for a period of two years with three one-year options to renew.

**Pay or Play Program:** The proposed contract requires compliance with the City's "Pay or Play" ordinance regarding health benefits for employees of City contractors. In this case the contractor provides health benefits to eligible employees in compliance with City policy.

**M/WBE INFORMATION:** The M/WBE goal for the project is set at 24%. The Consultant has proposed the following program to achieve this goal:

**RECOMMENDATION: (Summary)**

That City Council approves the general appropriations ordinance authorizing FY2010 expenditures.

Amount of Funding: SEE ATTACHMENTS (Exhibits A and B)

Finance Department Budget:

*Kelly D...***SOURCE OF FUNDING:**☒ General Fund☐ Grant Fund☒ Enterprise Fund☒ Other - Special Revenue**SPECIFIC EXPLANATION:**

The City begins each fiscal year operating on an interim spending plan until such time as the General Appropriations Ordinance or annual certification is brought forward and approved by City Council. The FY2010 interim spending plan was adopted by City Council along with the annual budget in June 2009, using FY2009 spending estimates. The annual certification process requires the City Controller to certify the level of funding that the Controller's Office analysis indicates will be available for the current year.

This action will establish the General Fund appropriation at **\$1,918,184,358**, which is \$4,601,467 more than the current budget and \$15,812,022 less than the adopted budget for General Fund expenditures. City Council approval of the budget transfers and appropriation ordinance is requested including:

**General Fund:**

- Budget transfers to the General Fund ending balance:
  - From Houston Emergency Center in the amount of \$78,904 due to a decrease in computer supplies and software.
- Budget transfers from the General Fund ending balance:
  - To Administration & Regulatory Affairs for BARC bulk fuel in the amount of \$31,638.
  - To the Fire Department for employee termination pay in the amount of \$2.6 million (budget will be reduced in FY2011 in the amount of \$2.6 million to cover this overage).
  - To Municipal Courts Administration for security guard expenses in the amount of \$240,286.
  - To Public Works & Engineering for the electricity costs of street lights in the amount of \$1.6 million, and for the costs associated with the Wireless Interoperability for Microwave Access (WiMax) as well as Sign Manufacturing done for other departments offset by revenue in the amount of \$200,000.

**Enterprise Funds**

- Aviation Fund
  - Decrease Aviation Operating Fund in the amount of \$3.3 million to offset lower revenues.

**SPECIFIC EXPLANATION:**

The City Purchasing Agent recommends that City Council approve an ordinance authorizing 1) the appropriation of \$4,023,982.36 out of the Equipment Acquisition Consolidated Fund (Fund 1800); 2) the appropriation of \$781,450.65 out of the Reimbursement of Equipment/Projects Fund (Fund 1850); the appropriation of \$511,908.00 out of the Solid Waste Consolidated Construction Fund (Fund 4503). It is further recommended that City Council approves the purchase of cabs & chassis and refuses bodies through the Interlocal Agreements for Cooperative Purchasing with BuyBoard and H-GAC in the total amount of \$5,854,279.01 for the Solid Waste Management Department, and that authorization be given to issue purchase orders to the cooperative purchasing agencies contractors as shown below. The cabs & chassis, when mounted with the refuse bodies and associated equipment, will be used citywide by the Department to pickup, transport and dispose of residential waste and recycled material. The equipment that will be purchased with funding from the Equipment Acquisition Consolidated Fund (Fund 1800) is included in the adopted Equipment Acquisition Plan. The Department will reimburse the Reimbursement of Equipment /Projects Fund (Fund 1850) with revenue generated from its recycling program. The roll-off trucks being purchased with Fund 4503 will be used to expand the department's Neighborhood Depository and Recycling operations at the expanded Sunbeam location and the new 9003 N. Main locations.

This purchase uses funds awarded under the American Recovery and Reinvestment Act of 2009 (ARRA). The City of Houston and the recommend contractors will adhere to and comply with special reporting requirements associated with ARRA grant expenditures as required by the granting agency and/or Office of Management and Budget.

<b>SPECIFIC EXPLANATION:</b>				
<p>The Housing and Community Development Department ("HCDD") recommends approval of a contract between the City of Houston and Marjo House, Inc. for the administration of a Housing Opportunities for Persons with AIDS ("HOPWA") grant – funded Community Residence for HIV positive men with multiple disease diagnosis.</p> <p>The mission of Marjo House, Inc. is to provide permanent housing through a community residence setting, for those individuals who cannot live alone due to illnesses relating to HIV disease or inability to secure appropriate and safe housing on their own. The agency provides housing and various collateral services which greatly improve and sustain the physical and mental health, functioning capacity, stability and overall quality of life for clients. Marjo House's comprehensive and full time care services are tailored to provide and model personal care services as well as introduce and implement various therapies to build independence.</p> <p>Since inception in 2003, Marjo House, Inc., a nine bed community residence, has provided long term housing to this population. Clients served through Marjo House are HIV positive men with dual diagnosis and in need of specific care and housing. With additional HOPWA funding, Marjo House can extend its bed capacity for this population and ensure long term care. Located in District B, an area disproportionately affected by HIV/AIDS, Marjo House is unique in bringing this level of care to the impacted surrounding communities.</p>

**SPECIFIC EXPLANATION:** The City desires to convert the abandoned historic Fifth Ward Deluxe Theater into a neighborhood library. Built in 1941, the Deluxe Theater served as a movie house from 1941 to 1969, and an art gallery from 1971 to 1973. The new Fifth Ward Deluxe Library will promote the cultural history of performing and visual arts of the Fifth Ward Community and the City of Houston. Therefore, the General Services Department recommends that City Council approve a professional architectural services contract with Smith & Company Architects to perform design and construction phase services for the Fifth Ward Deluxe Theater Renovation.

**PROJECT DESCRIPTION:** The project will transform the existing facility into a neighborhood library and theater for the performing arts with collaboration from the Houston Public Library and Texas Southern University. Program space will include a 7,200 SF library, a 4,000 SF theater with seating for approximately 150 patrons and approximately 1,600 SF of shared spaces. The project will also restore the theater marquis fronting Lyons Avenue and provide surface parking for approximately 70 vehicles.

The Architect will incorporate LEED™ (Leadership in Energy and Environmental Design) credits to achieve certification.
