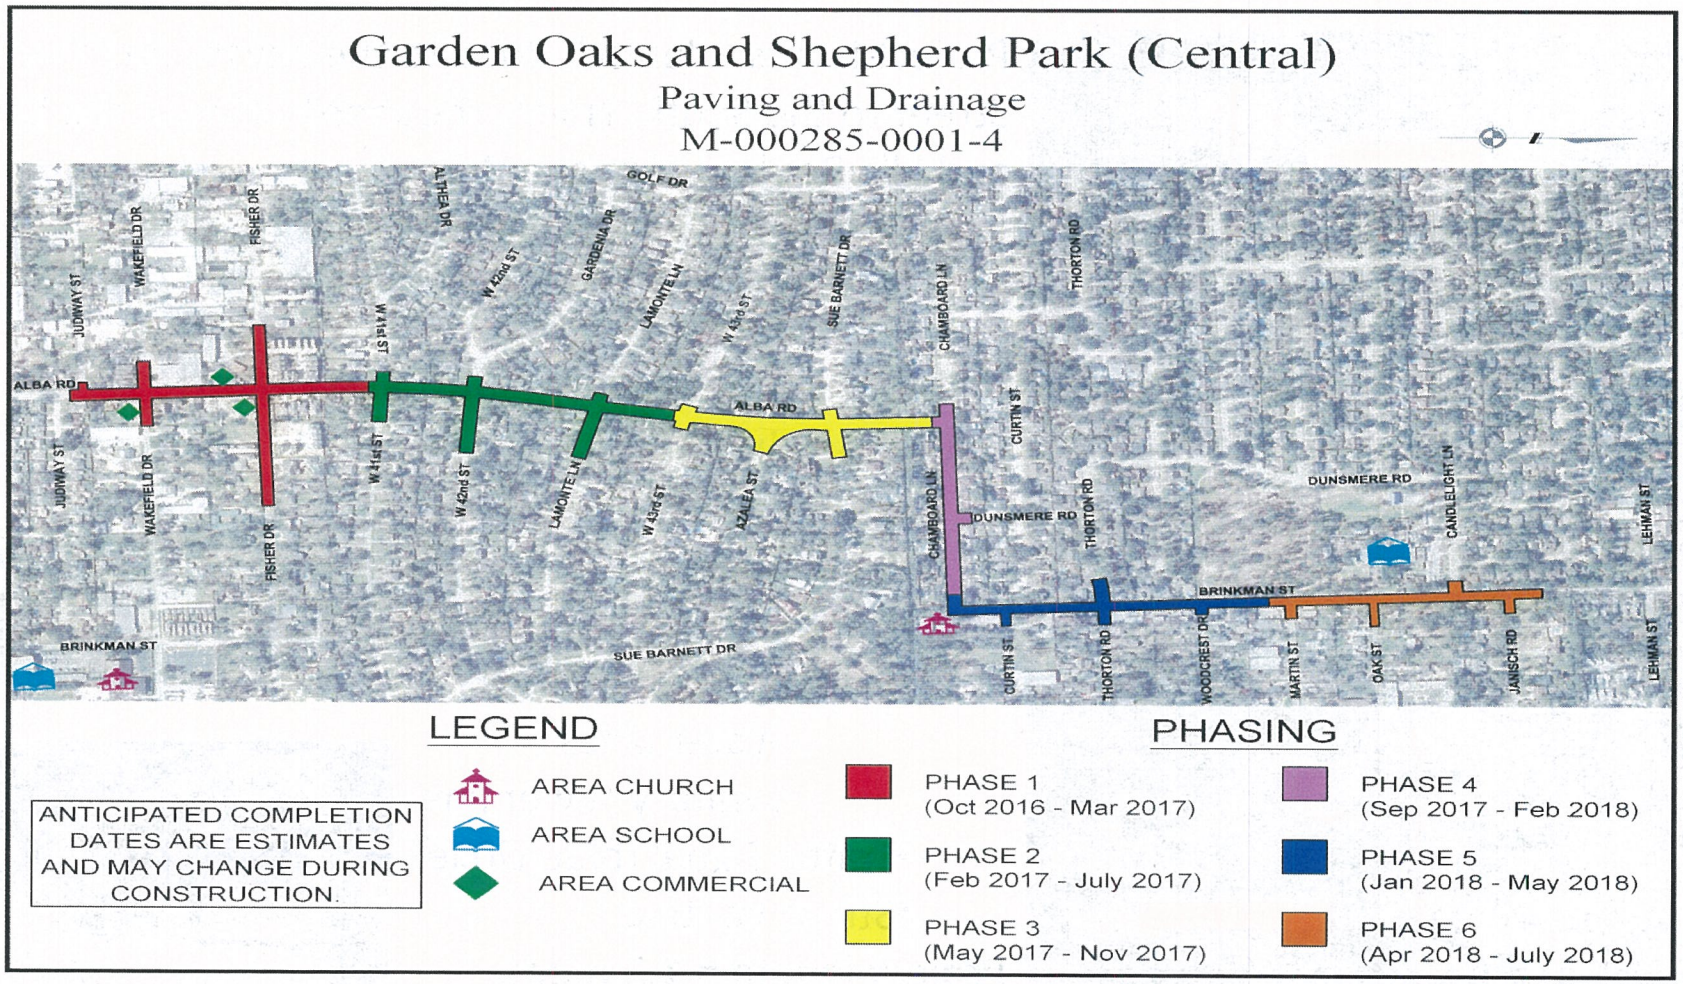
PHASING PLAN



Garden Oaks and Shepherd Park (Central) Paving and Drainage Project | WBS# M-000285-0001-4

Questions – Construction

- Why are you doing this project in my neighborhood?
- Where do I call to report problems?
- Why have various markers and protective barriers been placed in some yards around trees, etc.?
- What should residents with sprinkler systems be prepared for?
- At some point, will I lose my water?

Garden Oaks and Shepherd Park (Central) Paving and Drainage Project | WBS# M-000285-0001-4

Questions – Construction

- Are you going to dig up my yard, or just my street?
- At some point, will I have issues parking in mu driveway or garage?
- Will my street be at a different elevation that it is today?
- What about any school buses that typically drives on the affected streets?
- On streets under construction, what is the procedure for trash and recycling pickup?

Garden Oaks and Shepherd Park (Central) Paving and Drainage Project | WBS# M-000285-0001-4

Questions – Sidewalks, Trees & Lighting

- What about my sidewalk?
- What about our trees?
- What about landscaping near streets, sidewalks and curbs?

Questions – Restoration

- How can residents feel comforted that all restoration will occur properly?
- What about my driveway?
- What if I have an improved or special/decorative driveway and/or walkway?
- What if I perceive that there has been damage to my property?
