

Edward Byrne Justice Assistance Grant (JAG) Program Fact Sheet

JAG Overview: The Edward Byrne Memorial Justice Assistance Grant (JAG) Program was created as part of the Consolidated Appropriations Act of 2005, which merged the discretionary Edward Byrne Memorial Grant Program with the formula-based Local Law Enforcement Block Grant (LLEBG) program. The JAG Program, administered by the Bureau of Justice Assistance (BJA), is the leading source of federal justice funding to state and local jurisdictions. The JAG Program provides states, tribes, and local governments with critical funding necessary to support a range of program areas including law enforcement, prosecution and court, prevention and education, corrections and community corrections, drug treatment and enforcement, planning, evaluation, and technology improvement, and crime victim and witness initiatives.

In Fiscal Year (FY) 2011, there are a total of 56 states and 1483 local jurisdictions eligible for JAG funds, with a total of \$368.26 million available (approximately \$246 million to states and territories and \$122 million to local units of government).

In Fiscal Year (FY) 2010, BJA processed 1,577 local and 56 state applications totaling more than \$456 million in JAG funding (approximately \$301 million to states and territories and \$153 million to local units of government).

Legislation: [Public Law 109-162](#), Title XI–Department of Justice Reauthorization, Subtitle B–Improving the Department of Justice's Grant Programs, Chapter 1–Assisting Law Enforcement and Criminal Justice Agencies, Sec. 1111 (Merger of the Byrne Formula Grant Program and Local Law Enforcement Block Grant Program).

JAG Formula: The Bureau of Justice Statistics (BJS) calculates, for each state and territory, a minimum base allocation which, based on the congressionally mandated JAG formula, can be enhanced by (1) the state's share of the national population and (2) the state's share of the country's Part 1 violent crime statistics. Once the state funding is calculated, 60 percent of the allocation is awarded to the state and 40 percent to eligible units of local government.
