Where have we come from?

- 1. CSMART Phase I went live April 2nd, 2015**
- 2. Cases Filed since go-live 322,741; Cases Closed since go-live – 253,305**
- 3. CSMART Warranty period ended June 30th, 2015**
- 4. CSMART is now in Run & Maintain**

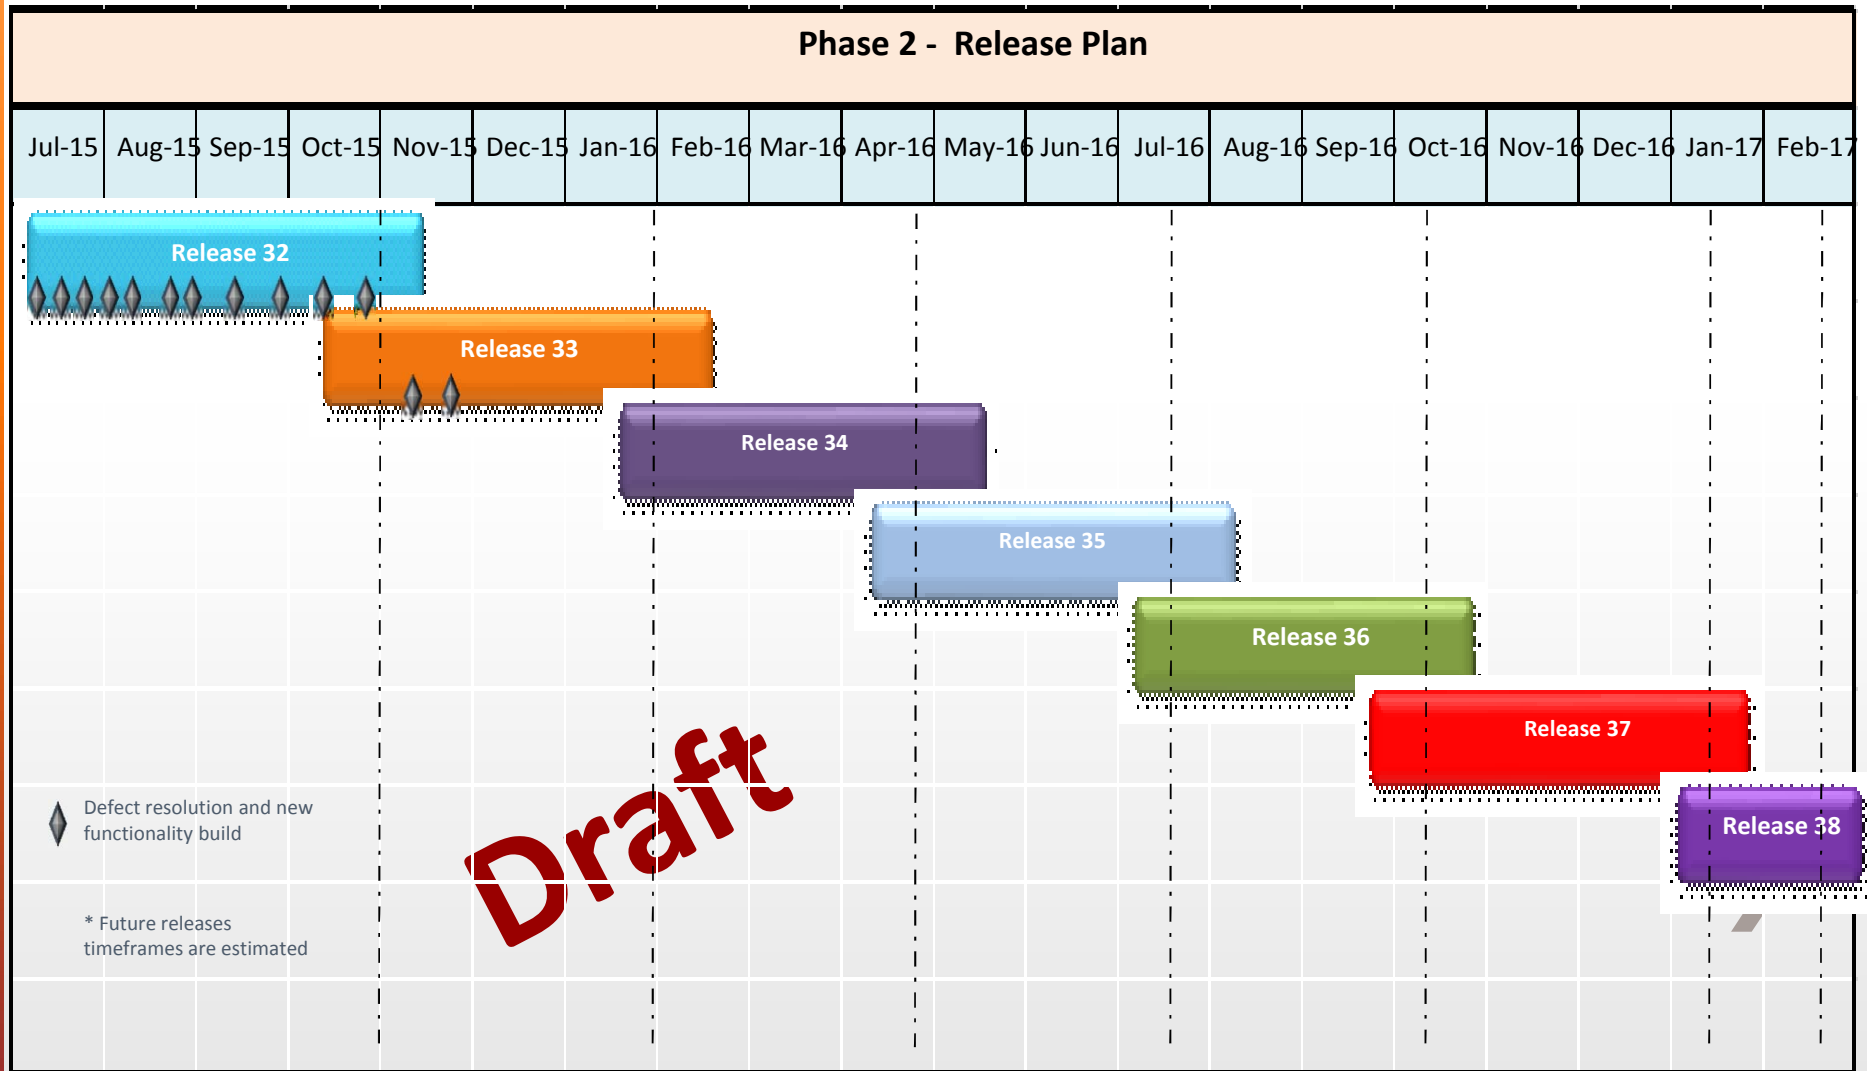

Where are we going?

- » **Run & Maintain – support and maintenance of the system as developed or modified.**
- » **Continue to stabilize the system and implement more features with process improvements.**
- » **Start the planning of ‘technical components’ that support the system to keep these components current.**
- » **Phase II – the next slide illustrates this.**

Phase II Timeline - DRAFT

Final Thoughts

- 1. There are other large jurisdictions in Texas and around the country which have an interest in the solution...some are still manual and others have a need to upgrade.**
- 2. Attending the State Courts Conference...**
- 3. No additional funding is being requested; CSMART is live. The administration will determine how future updates on the CSMART Program are shared.**
