

NHHIP Segments 1 & 2 Facilitation Group

Managed by
City of Houston Planning and Development
Department

**PLANNING &
DEVELOPMENT
DEPARTMENT**

Goals

1. To provide an additional forum for stakeholders along Segments 1 and 2 similar to the process that occurred for Segment 3
2. To analyze comments and bring opportunities to the Mayor's Steering Committee

The Result

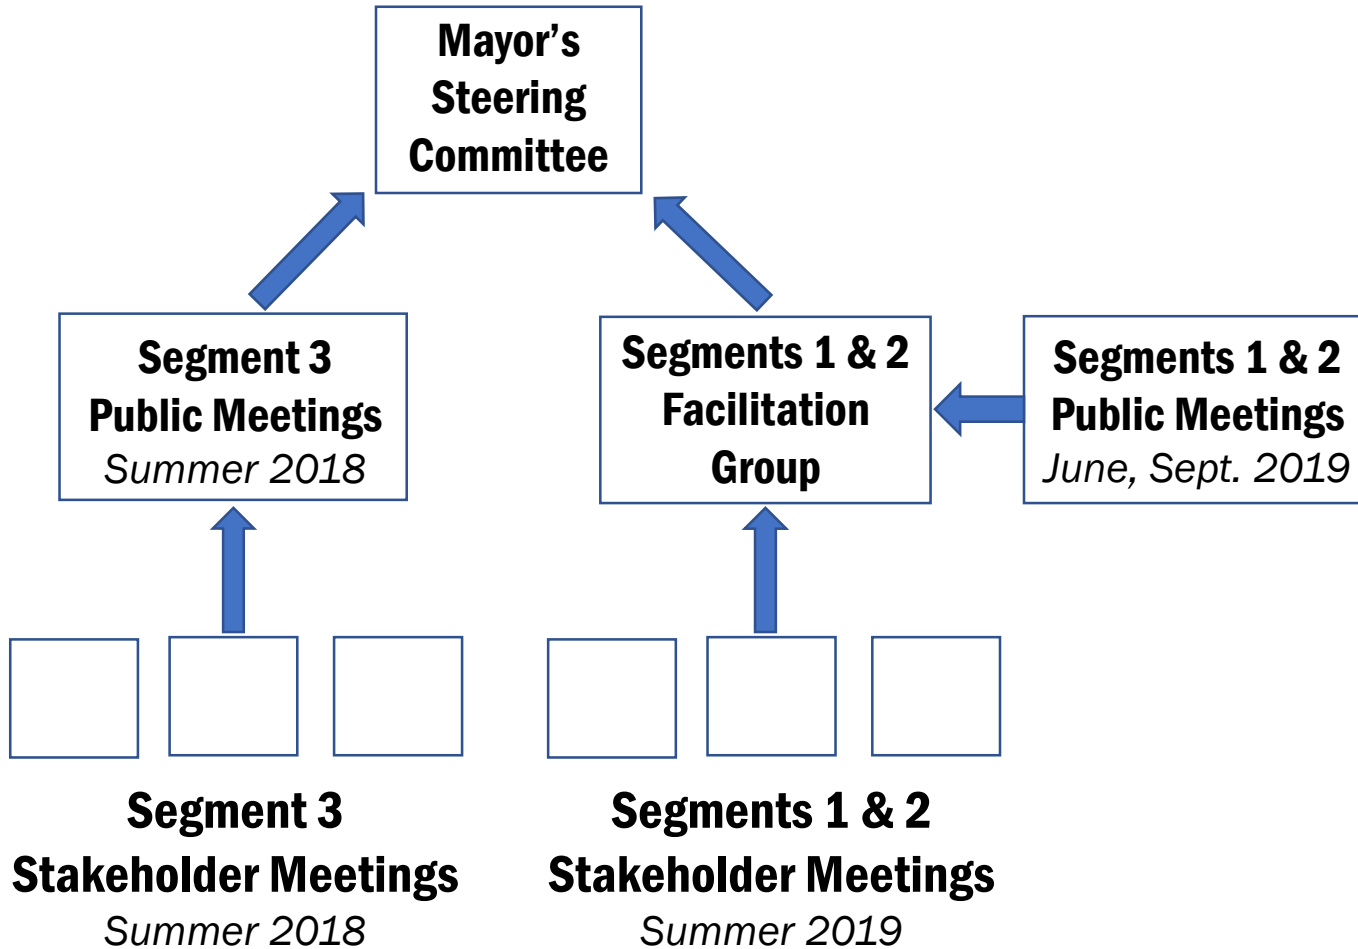

A coordinated list of opportunities to improve the North Houston Highway Improvement Project (NHHIP)

Public Engagement

- Segment 3 led by Central Houston, Inc. in 2018
- Segments 1 & 2 to be led by City of Houston Planning & Development in 2019

How this fits into TxDOT's work

- Review over 2,500 comments collected by TxDOT since 2017
 - Map comments to help prioritize
- Include feedback from TxDOT neighborhood meetings:
 - Community Impacts Tech Report
 - Cumulative Impacts Tech Report
- Convene stakeholders to identify additional opportunities
 - Include TxDOT and technical advisors in discussions to determine feasibility
- Provide analysis to Mayor's Steering Committee for presentation to TxDOT

Mayor's Steering Committee

Technical advisory committee to oversee City's role in NHHIP

Facilitation Group

Community leaders and organizations to guide engagement process

Stakeholder Meetings

Focused around issue- or location-based topics and open to all interested stakeholders including residents, businesses and organizations

Public Meetings

Held twice in June and twice in September (total of four)

Planning & Development Department

Interagency coordination and logistical support
