PROJECT MAP

Update

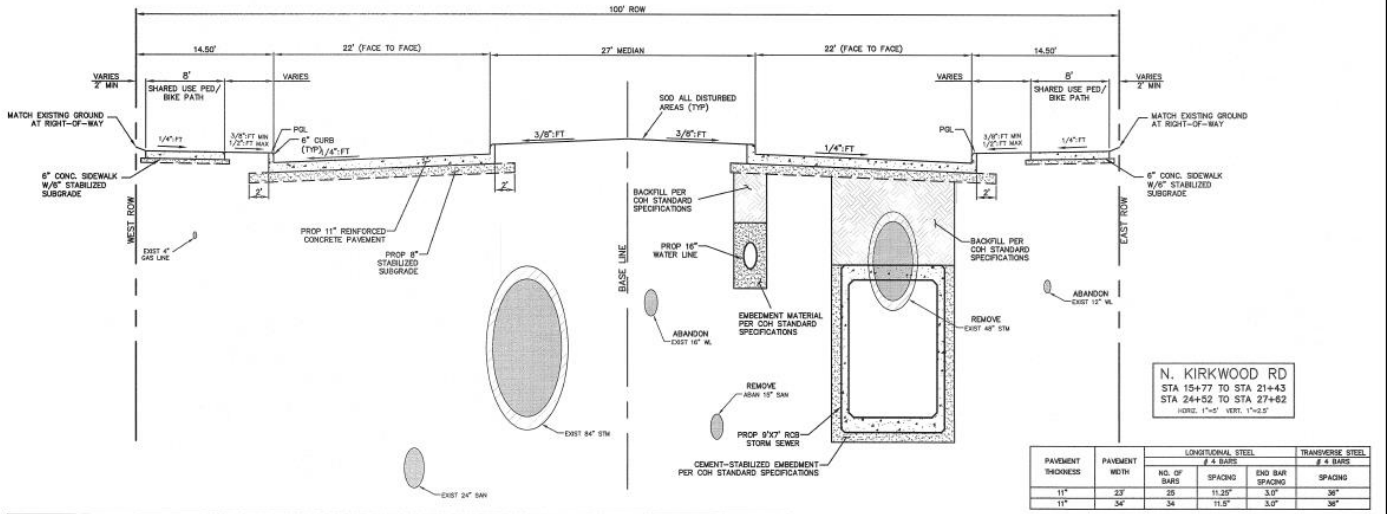

Project Updates:

- Updated Timeline: (Construction is anticipated to begin in Spring 2022 and end in Spring 2023)
- Updated Typical Section (Below)

Typical Roadway Section

- Boulevard section: (2) 11-ft travel lanes each way separated by a 27-ft median with (2) 8-ft Shared Use Paths outside of curb all within a 100-ft (existing) Right of Way.
 - Where providing Left Turn bays, the median changes to 16-ft and add an 11-ft left turn lane.

Updated Typical Section
