COUNCILMAN GALLEGOS TO PROMOTE RESPONSIBLE PET OWNERSHIP & PRE-REGISTER RESIDENTS FOR FREE SPAY/NEUTER SERVICES

WHAT: District I Councilman Robert Gallegos will team up with Barrio Dogs Inc., a local animal advocacy organization, and BARC volunteers at the East Wal-Mart store to promote responsible pet ownership and stress the importance of spay and neuter.

The group will pre-register residents for free spay/neuter services for their pets, provide information on low cost animal health services and on the city's pet license ordinance.

This past January, dogs mauled a woman to death in a District I neighborhood. For years, the district has had stray dog problems and a large number of reported dog bite cases.

WHEN: Saturday, February 22
10am to 2pm

WHERE: East End Wal-Mart store
2391 S. Wayside at I-45
KM: 534 C
