Re: Copies of bank statements for the months of February, 2001 through June, 2001.

Due to circumstances beyond our control, we have been unable to provide the information requested by Councilmember Galloway in a timely manner, as it relates to the missing documents that were damaged as a result of the flood caused by Tropical Storm Allison. Councilmember Galloway requested copies of documents crucial to the completion of her officeholder campaign finance report. Because this information had been requested since July 1, 2001, coupled with our Branch's reliance on our San Francisco office, we have been unable to provide the information requested as of this date. It is for this reason, we cannot provide this information to Councilmember Galloway until our San Francisco office provides it to us. We deeply regret any inconvenience that this incident has caused our customer.

Thank you for your patience and consideration of the aforementioned facts.

Sincerely,

cc: Councilmember Galloway

Dear Ms. Russell:

Once again, Wells Fargo Bank has not provided me with copies of the information need to complete my 2001 Office Holder Campaign Finance Report.

Attached is a copy of a letter from the Senior Vice President of Wells Fargo Bank, John Scroggins. This letter attempts to explain the reason for the inordinate delay.

Let the record reflect my dissatisfaction with the bank's delay and my humble request for additional time.

Rather than giving a time certain for which I can provide the information, please allow me to make the information available to you when the copies are made available to me.

The very apologetic San Francisco Home office of Wells Fargo Bank has verbally assured me that this is a matter in which they are very interested.

Thank you again.

Carol Mims Galloway
