

## From Disability to Productivity

**Who should attend:** Occupational and Physical Therapists, social workers, counselors, mental health professionals, anyone who has direct access to people with disabilities during and after their rehabilitation process.

**Why is this important to me? :** When working with a person with a disability, you may hear from your patient, “I want to get back to work,” or “how can I get a job to add to my SSI or disability check, without jeopardizing my benefits?” or you may realize your patient has progressed in their rehabilitation such that you believe they could return to work, but aren’t sure of the options available to assist them in the transition ...

**Solution:** Learn about the Ticket to Work program, how it can benefit your patients, who to refer them to, and then how to best support and encourage them through the process.

Wednesday, March 9, 2016 9 a.m.-12 p.m.

Metropolitan Multi-Service Center

1475 West Gray, Houston, TX 77019

To register, please use the online registration option (web registration address) or call the Mayor’s Office for People with
