

Pedestrian Accessibility Review Program

This program is administered by the Mayor's Office for People with Disabilities (**MOPD**) in partnership with Houston Public Works (**HPW**). This program allows for constituents with disabilities to apply for the addition or replacement of sidewalks and curb ramps within Houston city limits when there is **no safe path of travel to:**

- Bus stop or METROLift pickup location
- Educational or medical facility
- Parks, gyms, and other recreational facilities
- Place of worship or employment
- Home or vehicle

Constituent Requirements:

- Reside within Houston city limits
- Have a disability: mobility, blind, or low vision
- Complete an application (requires valid home address and contact information).

Sidewalk Requirements:

- Sidewalk requests must not exceed more than 1500 linear feet
 - 1 block: sidewalks on both sides of the street; 2 blocks: sidewalks on one side of the street
- Curb ramps can only be constructed at intersections. Requests must not exceed eight ramps.

STEP 1	Self-paced	Constituent completes PAR application. To apply, follow the QR Code above, or visit: bit.ly/Par_Program . For help completing the application, contact the MOPD office.
STEP 2	1-2 Weeks	MOPD conducts applicant phone interview to determine eligibility of the PAR request.
STEP 3	1-2 Weeks	MOPD forwards approved applications to Houston Public Works (HPW) for field vetting and assessment.
STEP 4	18-24 Months	HPW begins design and assigns a contractor to the construction. <i>Timeline varies depending on funding, resource availability, and complexity of the design.</i>
