To the extent the City and the Zone may legally do so, the City and the Zone also covenant and agree that they will not permit a reduction in the Tax Increments paid by the Taxing Units except to the extent provided in the agreement with the Taxing Unit executed at the time the Taxing Unit agreed or hereafter agrees to participate in the Zone. In addition, the City covenants and agrees that it will not dissolve the Authority and that any repeal of the right and power to collect the Tax Increments will not be effective until all the Bonds, notes, or other Authority Obligations of the Authority have been paid in full or until they are legally defeased. The City and the Zone further covenant and agree that they will make all payments as set forth in Article V below, by a direct deposit into the Revenue Fund, without counterclaim or offset, but minus any expenses incurred by the City in connection with the collection of the Tax Increments and minus any amount retained pursuant to the provisions set forth in Article V below.

F. Obligations of City and the Zone to be Absolute. The obligation of the City and the Zone to make the payments set forth in this Agreement from Tax Increments shall be absolute and unconditional, and until such time as this Agreement, Bonds, notes, other Authority Obligations, and the contractual obligations of the Authority incurred pursuant to this Agreement have been fully paid or provision for payment thereof shall have been made in accordance with their terms or the date of

expiration of the Zone, whichever comes first, the City and the Zone will not suspend or discontinue any payments provided for in this Agreement and will not terminate this Agreement for any cause, including, without limiting the generality of the foregoing, the failure of the Authority to perform and observe any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with this Agreement. Nothing contained in this section shall be construed to release the Authority from performance of any of the agreements on its part contained in this Agreement, and in the event the Authority shall fail to perform any such agreement on its part, the City may institute such action against the Authority as the City may deem necessary to compel performance so long as this action does not abrogate the obligations of the City and the Zone to make the payments set forth in this Agreement to pay the Bonds and notes of the Authority or to meet its Authority Obligations to Developers/Builders.

V.

CITY PAYMENT TO AUTHORITY

The City, on behalf of itself and the South Post Oak Zone, will pay the Authority, not later than the first business day of each calendar quarter in which a current, approved Budget is in effect for the Authority, all monies then available in the Tax Increment Fund, subject to the retention by the City of (i) a reserve up to 5 percent of the monies then available in the Tax Increment Fund pursuant to Section IV (B) of this Agreement, and (ii) any amounts required to be remitted to the School District pursuant to the terms of the Interlocal Agreement between the City and the School District, approved and adopted by City of Houston Ordinance No. 1999-0913, dated as of August 18, 1999; provided, however, the City and the Zone shall never be obligated to pay to the Authority an amount

that exceeds the amount of the approved Budget for that fiscal year. The Authority shall use such payments for its budget-approved expenditures, its obligations to the holders of its Bonds and notes, or its obligations to Developers/Builders pursuant to a Development Agreement, all in accordance with an approved Budget from funds in the Tax Increment Revenue Fund. Notwithstanding the foregoing, however, in the event that the budget has not been approved in accordance with Article VI of this Agreement by the thirtieth (30th) day before the date of a principal or interest payment on the Authority's Bonds, and upon the request of the Authority, the City shall pay to the Authority the amount of monies in the Tax Increment Fund necessary for the payment of the principal and interest due to the holders of the Authority's outstanding Bonds next due in accordance with this Article, and the obligation to make such payments shall survive a termination of this Agreement as provided by Article VI.

A quarterly accounting of expenditures and revenues of the Authority, including its operating statements and balance sheets, shall be submitted to the Director of Planning and Development by the thirtieth (30th) day of the quarter following such expenditure or receipt of revenue (the "Accounting"). The City's review of the Accounting shall be limited to determining whether the expenditures are authorized by the Budget and not a review to determine whether the Authority Board properly exercised its discretion in making the expenditure.

VI.

BUDGET, ACCOUNTING, AND AUDITS

A. Budget, Books, and Records. During the term of this Agreement, the Authority will prepare and submit to the City and the Zone Board, by January 1 of each year during the term of this

Agreement, its annual Budget setting forth the Authority's proposed expenditures during the ensuing fiscal year which will include the Authority's administrative costs incurred in connection with providing services under this Agreement, and its obligations payable to the holders of its Bonds or notes and to Developers/Builders pursuant to a Development Agreement. Administrative costs may include reasonable employee salaries, travel, insurance, and other benefits expenses. The annual Budget also shall disclose the amount of all revenues available to the Authority for purposes of funding the services and paying the obligations of the Authority and is subject to the review and approval of the Zone Board and City Council. The Authority may amend (increase, decrease, or adjust) its Budget but must advise the Zone Board and the Director of Planning and Development of such Budget amendments. Provided, however, that Budget amendments which involve an increase, decrease, or adjustment of \$400,000 or more must be approved by the Zone Board and the City Council. In the event that the Zone Board or the City Council fails or refuses to approve the proposed Budget of the Authority for the ensuing year by July 1 of that year, the Authority may continue to operate on the Budget for the previous fiscal year for a period not to exceed twelve (12) months. If, at the end of that period no Budget has been approved by City Council, either the City or the Authority may terminate this Agreement as provided in Article XXV hereof, subject to the payment of the Bonds, notes, and other Authority Obligations. Termination of this Agreement shall constitute the sole remedy of the parties under this circumstance.

B. Accounts, Records, and Accounting Reports. The Authority will maintain books of records and accounts in which full, true, and proper entries will be made on all dealings, transactions, business, and matters which in any way affect or pertain to the operation of the Zone, and the

allocation and application of the Tax Increments. All such records shall be maintained in accordance with Generally Accepted Accounting Principles and shall be clearly identified and readily accessible. The Authority shall provide free access to such books and records and permit the Zone or the City to perform an audit of same, at all times, to the City and the Zone or their representatives in order that they may examine and audit the same and make copies thereof. The Authority shall further allow the City and the Zone and their representatives to make inspections of all work data, documents, proceedings, and activities related to this Agreement. Such right of access and audit shall continue for a period of three (3) years from the date of final payment under this Agreement. The Authority will operate on the basis of a fiscal year which begins July 1.

C. Audit. At the end of each fiscal year (beginning with the fiscal year or fraction thereof during which this Agreement is executed), the Authority will have at its own expense an audit prepared by an independent Certified Public Accountant for that fiscal year which shall be submitted to the Authority, the Zone and the City within one hundred twenty (120) days after the end of the fiscal year. The Authority shall furnish copies of such audit without cost to the City and the Zone Board.

D. Construction Audit. At the end of each fiscal year (beginning with the fiscal year or fraction thereof during which this Agreement is executed), the Authority will have at its own expense an audit of construction activities prepared by an independent consultant approved by the Director of Planning and Development for that fiscal year which shall be submitted to the Authority, the Zone and the City within a reasonable period after the end of the fiscal year. The scope of the audit shall include an analysis of all expenditures for reasonableness and a review to insure that they conform

with both the approved Project Plan and Financing Plan and Development Agreements. The Authority shall furnish copies of such audit without cost to the City and the Zone Board.

E. Authority Depository. The Authority's Revenue Fund is the account into which all payments made by the City and the Zone pursuant to this Agreement shall be deposited. Any moneys received from investing and reinvesting the moneys paid by the City and the Zone to the Authority shall remain in this fund until used by the Authority for one of the purposes permitted by this Agreement, and may be commingled with other moneys of the Authority; provided, however, that these funds shall be accounted for separately. Moneys in the Revenue Fund may be invested and reinvested by the Authority only in investments which would be eligible for investment by the City pursuant to the provisions of the Public Funds Investment Act (Chapter 2256, Texas Government Code). Moneys on deposit in the Revenue Fund will be secured by the depository bank in the same manner as City funds are required to be secured at the City depository and in accordance with the provisions of Subchapter C and D of Section 105 of the Code.

VII.

PUBLIC CONVENIENCE AND SAFETY

A. Observance of City Ordinances. The Authority shall observe City ordinances relating to obstructing streets, keeping alleys or other rights-of-way open and protecting same, and shall obey all laws and City ordinances controlling or limiting those engaged in the work.

B. Performance of Duties. The Authority shall perform its duties in a manner that will cause the least inconvenience and annoyance to the general public and the property owners, and will

exercise every necessary precaution for the safety of the property and the protection of any and all persons and property located adjacent to or making passage through said property.

VIII.

RIGHT OF OWNERSHIP

All permanent public facilities and equipment owned by City within the Zone shall remain property of City, and such property shall not be disposed of by Authority. All property and improvements purchased by the Authority shall be the property of the Authority and shall be maintained by the Authority throughout the term of this Agreement and the Authority may lease, sell or otherwise dispose of such property upon such terms and conditions as the Authority deems desirable, or if the TIRZ Project is integrated in and used as part of the City's infrastructure, it may be conveyed to the City at the time of such integration, at the City's discretion; however, all utilities, drainage facilities, public street improvements, sidewalks, and light fixtures shall be conveyed to the City subject to City policy. Upon termination of this Agreement, title to all such Authority property shall immediately vest in the City without the need for further action on the part of the City. The Authority shall provide an up-to-date inventory of all of its property and improvements as an attachment to its annual Budget.

IX.

EQUAL EMPLOYMENT OPPORTUNITY

The Authority agrees to comply fully with the provisions of the City's current Equal Employment Opportunity Ordinance, the provisions of which are set out in Exhibit "A," or as they may be amended from time to time.

X.

PARTICIPATION OF DISADVANTAGED BUSINESS ENTERPRISES

It is the policy of the City to stimulate the growth of minority and women-owned business by encouraging their full participation in all phases of its procurement activities and by affording them a full and fair opportunity to compete for all City contracts and/or agreements.

The Authority agrees to use its best efforts to carry out this policy through award of subcontracts and aid to Disadvantaged Business enterprises to the extent consistent with the efficient performance of this Agreement.

Without limiting the generality of the foregoing, the Authority agrees that it will make Good Faith Efforts (as defined by the Director of Affirmative Action) to award the percentage of the value of contracts, pursuant to this Agreement, to Disadvantaged Businesses at the same rate as set forth in the City's Affirmative Action Program, as it may be in effect from time to time. While it is not a requirement of this Agreement that the Authority, in fact, meet or exceed these goals, it is a requirement that the Authority objectively demonstrate to the City that it has exerted Good Faith Efforts to meet these goals. To this end, Authority shall maintain records showing (i) its subcontracts, supply agreements and support with and to Disadvantaged Business enterprises, (ii) subcontracts, supply agreements, and support with and to Disadvantaged Business enterprises, and (iii) specific efforts to identify and award subcontracts, supply agreements, and support with and to minority and women-owned business enterprises. The Authority shall submit quarterly reports of its Good Faith Efforts under this Article to the Director of Affirmative Action in such form and manner as the Director of Affirmative Action may prescribe.

XI.

PERSONAL LIABILITY OF PUBLIC OFFICIALS

To the extent permitted by State law, no director of the Authority, nor any employee or agent of the Authority, no director of the Zone, nor any employee or agent of the Zone, and no employee of the City, nor any agent of the City, shall be personally responsible for any liability arising under or growing out of the Agreement, or operations of the Authority under the terms of this Agreement.

XII.

CITY AND ZONE NOT LIABLE FOR DELAY

It is expressly agreed that in no event shall the City or the Zone be liable or responsible to the Authority or any other person for or on account of, any stoppage or delay in the work herein provided for by injunction or other legal or equitable proceedings, or from or by or on account of any delay for any cause over which the City or the Zone has no control.

XIII.

INDEMNIFICATION AND RELEASE

A. INDEMNITY FOR PERSONAL INJURIES. THE AUTHORITY COVENANTS AND AGREES TO, AND DOES HEREBY, INDEMNIFY AND HOLD HARMLESS AND DEFEND THE CITY, THE ZONE, AND THEIR OFFICERS AND EMPLOYEES (THE "INDEMNIFIED PERSONS"), FROM AND AGAINST ANY AND ALL SUITS OR CLAIMS FOR DAMAGES OR INJURIES, INCLUDING DEATH, TO ANY AND ALL PERSONS OR PROPERTY, WHETHER REAL OR ASSERTED, ARISING OUT OF OR IN CONNECTION WITH ANY ACT OR OMISSION ON THE PART OF THE AUTHORITY,

ITS OFFICERS, AGENTS, SERVANTS, EMPLOYEES, OR SUBCONTRACTORS, AND THE AUTHORITY DOES HEREBY ASSUME ALL LIABILITY AND RESPONSIBILITY FOR INJURIES, CLAIMS OR SUITS FOR THE DAMAGES TO PERSONS OR PROPERTY, OF WHATSOEVER KIND OR CHARACTER, WHETHER REAL OR ASSERTED, OCCURRING DURING OR ARISING OUT OF THE PERFORMANCE OF THIS AGREEMENT AS A RESULT OF ANY ACT OR OMISSION ON THE PART OF THE AUTHORITY, ITS OFFICERS, AGENTS, SERVANTS, EMPLOYEES, OR SUBCONTRACTORS. SUCH INDEMNIFICATION SHALL INCLUDE WORKERS' COMPENSATION CLAIMS OF OR BY ANYONE WHOMSOEVER IN ANY WAY RESULTING FROM OR ARISING OUT OF THE AUTHORITY'S WORK, SERVICES, AND OPERATIONS IN CONNECTION HEREWITH, INCLUDING OPERATIONS OF SUBCONTRACTORS, IF ANY, AND THE ACTS OR OMISSIONS OF EMPLOYEES OR AGENTS OF THE AUTHORITY.

B. INDEMNITY TO CITY PROPERTY. AUTHORITY SHALL LIKEWISE INDEMNIFY AND HOLD HARMLESS THE CITY FOR ANY AND ALL INJURY OR DAMAGE TO CITY PROPERTY ARISING OUT OF OR IN CONNECTION WITH ANY AND ALL ACTS OR OMISSION OF AUTHORITY, ITS OFFICERS, AGENTS, EMPLOYEES, CONTRACTORS, SUBCONTRACTORS, LICENSEES, OR INVITEES.

C. RELEASE. THE AUTHORITY RELEASES EACH INDEMNIFIED PERSON FROM ALL LIABILITY FOR INJURY, DEATH, DAMAGE, OR LOSS TO PERSONS OR PROPERTY SUSTAINED IN CONNECTION WITH OR INCIDENTAL TO

PERFORMANCE UNDER THIS AGREEMENT, EVEN IF THE INJURY, DEATH, DAMAGE, OR LOSS IS CAUSED BY THE INDEMNIFIED PERSON'S SOLE OR CONCURRENT NEGLIGENCE AND/OR THE INDEMNIFIED PERSON'S STRICT PRODUCTS LIABILITY OR STRICT STATUTORY LIABILITY.

THE AUTHORITY SHALL REQUIRE ALL CONTRACTORS ENGAGED BY IT TO CONSTRUCT TIRZ PROJECTS (AND THEIR SUBCONTRACTORS) TO RELEASE AND INDEMNIFY THE INDEMNIFIED PERSONS TO THE SAME EXTENT AND IN SUBSTANTIALLY THE SAME FORM AS ITS RELEASE OF AND INDEMNITY TO THE INDEMNIFIED PERSONS HEREUNDER.

D. Insurance Requirements. Insurance coverage specified herein constitutes the minimum requirements and said requirements shall in no way lessen or limit the liability of the Authority under the terms of this Agreement. The Authority shall procure and maintain, at its own cost and expense, any additional kinds and amounts of insurance that, in its own judgment, may be necessary in connection with its performance of its obligations under this Agreement.

XIV.

INDEPENDENT CONTRACTOR

It is expressly understood and agreed that Authority shall perform all work and services described herein as an independent contractor and not as an officer, agent, servant, or employee of the City or the Zone; that except as herein provided, Authority shall have exclusive control of and the exclusive right to control the details of the services and work performed hereunder, and all persons performing the same; and shall be solely responsible for the acts and omissions of its officers, agents,

employees, contractors, and subcontractors; that the doctrine of respondeat superior shall not apply as between City or the Zone and Authority, its officers, agents, employees, contractors, and subcontractors; and that nothing herein shall be construed as creating a partnership or joint enterprise between City or the Zone and Authority. No person performing any of the work and services described hereunder shall be considered an officer, agent, servant, or employee of the City or the Zone.

XV.

INSURANCE

The Authority shall maintain insurance coverage continuously during the term of this Agreement, and the Authority shall contract with each contractor engaged by it hereunder to maintain (and to cause each of its subcontractors to maintain) insurance coverage during the term of its contract, in each case in accordance with the terms of this Section through any combination of primary and excess coverage and, in the case of "claims made" coverage, for an additional two years thereafter.

If the amount of any contract awarded by the Authority to construct a TIRZ Project shall exceed \$1,000,000, the Authority shall contract with the contractor to maintain Commercial General Liability coverage for at least twice the combined minimum limits specified above.

B. Form of Policies. The Director of Planning and Development may approve the form of the insurance policies, but nothing the Director of Planning and Development does or fails to do relieves the Authority of its obligation to provide the required coverage under this Agreement. The actions or inactions of the Director of Planning and Development do not waive the City's rights under this Agreement.

C. Issuers of Policies. The issuer of each policy shall have a certificate of authority to transact insurance business in Texas or a Best's rating of at least B+ and a Best's Financial Size

Category of Class VI or better, according to the most current edition *Best's Key Rating Guide, Property-Casualty United States*.

E. Deductibles. The Authority shall be responsible for and bear (or shall contract with each applicable contractor to bear and assume) any claims or losses to the extent of any deductible amounts and waives (and shall contract with each contractor to waive) any claim it may have for the same against the City, its officers, agents, or employees.

F. Cancellation. Each policy must state that it may not be canceled, materially modified, or nonrenewed unless the insurance company gives the Director of Planning and Development 30 days' advance written notice. The Authority shall (and shall contract with each contractor to) give written notice to the Director of Planning and Development within five days of the date on which total claims by any party against such person reduce the aggregate amount of coverage below the amounts required by this Agreement. In the alternative, the policy may contain an endorsement establishing a policy aggregate for the particular project or location subject to this Agreement.

G. Subrogation. Each policy must contain an endorsement to the effect that the issuer waives any claim or right of subrogation to recover against the City, its officers, agents, or employees.

H. Primary Insurance Endorsement. Each policy, except Workers' Compensation and Professional Liability (if any), must contain an endorsement that the policy is primary to any other insurance available to the additional insured with respect to claims arising under this Agreement.

I. Liability for Premium. The Authority shall pay (or shall contract with contractors to pay) all insurance premiums for coverage required by this Section, and the City shall not be obligated to pay any premiums.

J. Subcontractors. Notwithstanding the other provisions of this Section, the amount of coverage contracted to be provided by subcontractors shall be commensurate with the amount of the subcontract, but in no case less than \$100,000 per occurrence. The Authority shall provide (or shall contract with contractors to provide) copies of insurance certificates to the Director of Planning and Development.

K. Proof of Insurance. Promptly after the execution of this Agreement and from time to time during the term of this Agreement at the request of the Director of Planning and Development, the Authority shall furnish the Director of Planning and Development with certificates of insurance maintained by the Authority in accordance with this Section along with an affidavit from the Authority confirming that the certificates accurately reflect the insurance coverage maintained. If requested in writing by the Director of Planning and Development, the Authority shall furnish the City with certified copies of the Authority's actual insurance policies. If the Authority does not comply with the requirements of this Section, the Director of Planning and Development, at his or her sole discretion, may (1) suspend performance by the City and the Zone hereunder and begin procedures to terminate this Agreement for default or (2) purchase the required insurance with City or Zone

funds and deduct the cost of the premiums from amounts due to the Authority under this Agreement. The City shall never waive or be estopped to assert its right to terminate this Agreement because of its acts or omissions regarding its review of insurance documents.

L. Other Insurance. If requested by the Director of Planning and Development, the Authority shall furnish adequate evidence of Social Security and Unemployment Compensation Insurance, to the extent applicable to the Authority's operations under this Agreement.

XVI.

The Authority at all times shall observe and comply with all federal and state laws, local laws, ordinances, orders, and regulations of the federal, state, county, or city governments. The federal, state and local laws, ordinances, and regulations which affect those engaged or employed in the work, or the equipment used in the work, or which in any way affects the conduct of the work, shall be at all times in effect, and no pleas of misunderstanding shall be considered on account of ignorance thereof.
