**THE LEADING CAREER EXPO FOR EDUCATORS AND HIGH SCHOOL STUDENTS TO DISCOVER A VARIETY OF CAREER OPPORTUNITIES**

**OPPORTUNITIES FOR YOUR ORGANIZATION TO REACH OVER 5,000 ATTENDEES**

Dear Industry Leader,

Welcome to the 2023 “Find Your Path” Youth Career Expo and TACRAO College Fair, the largest city-wide career expo in the Houston area. Hosted by the City of Houston Human Resources Department; the Expo is an excellent opportunity to plant seeds in the minds of our youth. The Find Your Path Youth Career Expo serves to connect students with employers in the public and private sectors. It provides students with opportunities for their future career and gives employers access to reach high school scholars throughout the City of Houston.

The expo targets high school students from area school districts, charter schools, and students who are home schooled in the greater Houston community. This is a community sustainability initiative that will help us “grow our own” future workforce, by providing students with a wide variety potential career options and positive motivation.

Your support of this initiative allows you to do some long-range recruiting and offers the benefits of community investment and exposure. The sponsor information packet provides information on the various sponsorship levels. Your contributions are tax deductible via the HISD foundation.

Learn more about this exciting and innovative event at [www.houstonfindyourpathexpo.org](http://www.houstonfindyourpathexpo.org). If you have any questions or need additional information, feel free to contact Sharon Malveaux at 832.393.6148 or via email at [findyourpath@houstontx.gov](mailto:findyourpath@houstontx.gov).

We look forward to seeing you at the Find Your Path Career Expo! Sincerely,

Find Your Path Committee
