 **Cigna**

It is Open Enrollment time for the 2020 – 2021 plan year. If you are currently enrolled in a Cigna medical plan and do not make a change during open enrollment your medical coverage will remain the same. However, there are some **NEW CHANGES** to the Limited Network Plan.

The Physician Groups participating in the Limited Network Plan are:

1. **Cigna KelseyCare** – You must obtain all care from a Kelsey-Seybold provider but you can visit any Kelsey location. If you select Cigna KelseyCare, you can make appointments with a Kelsey-Seybold specialist without a referral.
2. **Renaissance Physicians Organization (RPO)** – PCPs and Specialists are grouped in geographic “Pods”. If you select a Renaissance PCP, your PCP will refer you to a specialist within their pod. If you require a type of specialist that is not in the pod, your PCP will arrange one for you.
3. **Village Family Practice** – This is a new physician group to the Limited Plan. If you select a Village PCP, your PCP will refer you to a specialist within their group. If you require a type of specialist that is not in the group, your PCP will arrange one for you.

Note: The Memorial Hermann Health Network (MHHN) no longer participates in the Cigna Limited Plan. However, some of the MHHN physicians may now be participating in the Village Family Practice group.

WHAT THIS MEANS TO YOU

You have a choice among physician groups in the Cigna Limited Plan. **A PCP selection must be made for yourself and each of your covered dependents.** You and each of your dependents can select a different PCP and from different physician groups. The PCP will determine the group of specialists you will have access to for your care. **Your benefits are the same, regardless of which physician group you choose.**

WHAT YOU NEED TO DO

If you are satisfied with your current Kelsey-Seybold or Renaissance physician, you do not need to do anything.

If you currently have a MHHN provider you will be auto-assigned to a Village Family Practice PCP. However, after May 1 you can call the number on the back of your Cigna ID card to make a PCP change.

1. **Kelsey-Seybold Physicians** - provide **Kelsey ID # 8877698011** for the Main Campus
(You may still receive care at any Kelsey-Seybold facility of your choice.)
2. **Renaissance Physicians Organization**– provide your Primary Care Physician's ID # located in the Limited Network Directory. (Note: Some RPO PCPs may have moved to a different “Pod” which may change the specialists available to you. Please check the directory for physicians important to you.
3. **Village Family Practice** – provide your Primary Care Physician's ID # located in the Limited Network Directory.

PCP CHANGES THROUGHOUT THE YEAR:

PCP selections can be made by visiting www.myCigna.com or contacting the Customer Service number on the back of your ID card. Changes will become **effective the 1st** of the following month, regardless of the day of the month you request the change.

Information Regarding Your Cigna Limited Network Providers

Cigna KelseyCare

Although you are asked to designate a Kelsey-Seybold Clinic as your Primary Care Physician for enrollment purposes, you can go to any of the Kelsey-Seybold Clinics for care. You can also make an appointment with a Specialist without a referral. All of your care will be managed by Kelsey-Seybold. To schedule appointments with a Kelsey-Seybold physician call 713.442.0000.

Renaissance Physician Organization (RPO)

When you select a Renaissance Primary Care Physician (PCP), your PCP will direct your care to the appropriate Specialist within the RPO. Please note the Renaissance Organization or “pod” designation that is listed with the PCP’s name. To identify the specialists to which you will be referred you can reference the Specialist listed under that same Organization or “pod” name. For example if the PCP is in the Central Houston pod, then you will be referred to the specialists in the Central Houston pod. If you require a type of specialist that is not in the pod, your PCP will arrange a referral within the Renaissance Organization.

If your specialist is important to you, look for them in the open enrollment materials then check to see what PCPs are in the same group.

Village Family Practice

This is a new physician group to the Limited Plan. If you select a Village PCP, your PCP will refer you to a specialist within their group. If you require a type of specialist that is not in the group, your PCP will arrange one for you.

Selecting a Primary Care Physician (PCP)

If you would like to change and or select a Primary Care Physician (PCP) you will have the opportunity beginning **May 1, 2020 – May 8, 2020**. You can make your selection by logging on to [myCigna.com](https://mycigna.com) or calling Cigna Customer Service on the back of your Cigna ID card at **1.800.997.1406**. If you fail to elect a PCP from **May 1, 2020 - May 8, 2020** you will automatically be assigned a PCP near your home address.
