

It is Open Enrollment time for the 2023 – 2024 plan year. If you are currently enrolled in a Cigna medical plan and do not make a change during open enrollment your medical coverage will remain the same.

The Physician Groups participating in the Limited Network Plan are:

1. **Cigna KelseyCare** – You must obtain all care from a Kelsey-Seybold provider but you can visit any Kelsey location. If you select Cigna KelseyCare, you can make appointments with a Kelsey-Seybold specialist without a referral.
2. **Renaissance Physicians Organization (RPO)** – PCPs and Specialists are grouped in geographic “Pods”. If you select a Renaissance PCP, your PCP will refer you to a specialist within their pod. If you require a type of specialist that is not in the pod, your PCP will arrange one for you.
3. **Village Family Practice** – If you select a Village PCP, your PCP will refer you to a specialist within their group. If you require a type of specialist that is not in the group, your PCP will arrange one for you.

### WHAT THIS MEANS TO YOU

You have a choice among physician groups in the Cigna Limited Plan. **A PCP selection must be made for yourself and each of your covered dependents.** You and each of your dependents can select a different PCP and from different physician groups. The PCP will determine the group of specialists you will have access to for your care. **Your medical benefits are the same, regardless of which physician group you choose.**
