

OPEN ENROLLMENT GUIDE
MARCH 3 - 31, 2025

WHAT TO KNOW FOR 2025

The plan year is changing to a calendar year

The City of Houston is updating the 2026 plan year enrollment to reflect a calendar year. In preparation for this change, this will be the last spring enrollment for employees, retirees, and survivors.

What does that mean for you?

- The elections you make during this enrollment period will be effective May 1, 2025 - December 31, 2025, which is 8 months for the plan year instead of 12 months.
- There will be a second enrollment in November 2025 for all benefits to be effective January 1, 2026 - December 31, 2026.
- All deductibles and maximum out-of-pocket expenses will be pro-rated to reflect the shortened plan year.
- Healthcare Flexible Spending Account elections will be divided among 16 deductions and the maximum contribution is reduced to \$2,400 due to the shortened plan year.
- Starting with the 2026 plan year, your benefits enrollment will be streamlined. Enrollment for all benefits will be in November each year and deductibles, out-of-pocket maximums and flex spending accounts will align the calendar year.

There are no premium changes

That is correct! Plans will also remain unchanged.

Medical Insurance Cards

New insurance cards will be issued for all medical plans.

Log on to myCigna.com at any time to request, view or print additional medical benefits cards.

WHAT DO YOU NEED TO DO?

Nothing! If you are satisfied with your current benefits*, you don't need to do anything.

All your current elections will roll over into the new plan year, except for the Healthcare Flexible Spending Account (HFSA).

You only need to log into Benefitplace to add coverage, make changes to your existing coverage re-enroll in the HFSA or update your beneficiaries.

*You must re-enroll in the HFSA each year.

**Want to make changes?
Don't wait until the last minute!

Disclaimer

If a conflict exists between this enrollment guide and the official plan documents for each plan, the official plan documents will prevail. The City of Houston reserves the right to change, modify, increase or terminate any benefits.

ENROLLMENT OPPORTUNITIES

There are several opportunities to elect, drop, add, or modify benefit coverage for yourself and/or your dependents. It's important to carefully consider the benefit options available to you and your dependent(s), as there are only a few opportunities to select coverage or make changes to your benefits.

Initial Enrollment

(New Employees)

You have only thirty (30) days from your hire date to make initial enrollment elections and submit supporting documents for any eligible dependents you would like to cover.

After enrollment, your benefits will begin the 1st or 16th day of the month following your 30th day of employment.

Annual Open Enrollment

(All Employees)

The annual open enrollment is one time a year event. This is an opportunity to review and make changes to your benefits elections. During this time, you can add, drop, or change medical, dental, vision, the Healthcare Flexible Spending Account (HFSA), voluntary life, and supplemental insurance.

The open enrollment period for plan year 2025 is Monday, March 3 - Monday, March 31, 2025. Changes made during open enrollment will be effective on May 1, 2025. Voluntary life insurance will be effective on May 1, 2025 or the 1st or the 16th of the month following the date of Evidence of Insurability (EOI) approval.

Special Enrollments

(Qualified Life Events)

Life happens. A change in your situation, like getting married, having a baby or losing health coverage, can make you eligible for a special enrollment period, allowing you to enroll or make changes to your coverage outside the annual open enrollment.

To a change to your benefits due to a Qualifying Life Event (QLE), log into Benefitplace and request the change within 31 days of the event and upload supporting documentation. If documentation is not uploaded within 31 days, your newly elected dependent coverage will not be processed.

Newborns are temporarily covered for medical for 31 days. After 31 days, if you do not enroll your newborn your newborn's coverage will terminate, even if you have Employee + Child(ren) or Employee + Family coverage. The coverage will be terminated back to date of birth.

Examples of QLE:

- Losing existing health coverage, including job-based, and individual plans
- Losing eligibility for Medicare, Medicaid, CHIP
- Turning 26 and losing coverage through a parent's plan
- Getting married or divorced
- Having a baby or adopting a child
- Death in the family

- Student moving to or from the place they attend school

Important note about upcoming dependent audit

The Benefits Division will be conducting an audit in preparation for the calendar year change. If you are covering **ineligible dependents** on any City of Houston sponsored health plans, please remove them during open enrollment, prior to our audit. An eligible dependent means your legal spouse, and any child (natural, adopted, foster, stepchild, a child for whom you are legal guardian and/or have legal support obligations) and is under age 26. A dependent may be your child who is age 26 or older, primarily supported by you, and incapable of self-sustaining employment by reason of mental or physical disability or handicap which arose while the child was covered as a dependent under this Plan, or while covered as a dependent under a prior City plan without a break in coverage. **Proof of the child's condition and dependence must be submitted within 31 days after the child/children ceases to qualify.**

MEDICAL PLANS

City of Houston offers you three (3) unique medical plans. All plans include preventive care services and a four-tier prescription drug plan. Full-time and part-time employees who consistently worked 30 or more hours per week over the past 12 months are eligible for benefits. The three (3) plans offered are the Cigna Open Access, the Cigna Limited Network, and the Consumer-Driven Health Plan (CDHP).

- **Cigna Open Access** — Under the Open Access plan you will be able to visit any of the more than 572,800 providers in Cigna's national network, but only true* emergency services are available out-of-network. This is the most expensive option.
- **Cigna Limited Network** — Under the Limited Network Plan, all your medical care comes from one of three provider groups — Kelsey-Seybold, Renaissance or Village Medical. This is the middle-of-the-road option.
- **Consumer-Driven Health Plan (CDHP)** — The CDHP plan offers the same broad network as the Cigna Open Access plan, plus access to out-of-network services at higher deductibles and coinsurance as well as a Health Reimbursement Account. This is the least expensive option.

Mental Health & Substance Abuse Benefits

Don't forget you have mental health and substance abuse benefits through Cigna Total Behavioral Health regardless of the medical plan in which you are enrolled. Call 800-997-1406.

Duplicate Coverage

If both you and your spouse work for the city, you may be covered as an employee or a retiree, or as a dependent — but not both.

Dependents may be enrolled under only one parent or guardian.

Cigna Limited Plan members

Review your Cigna insurance card when you receive it and verify your Primary Care Physician (PCP) is with the vendor (Kelsey Seybold, Village or Renaissance) you wish to have. If it is not, call Cigna at 800-997-1406 to make the change.

*A true emergency is when an illness or injury places a person's health or life in serious jeopardy and treatment cannot be delayed. Examples include difficulty breathing, chest pain, a head injury or ingestion of a toxic substance.

FLEXIBLE SPENDING ACCOUNTS

There are two options available: The Healthcare Flexible Spending Account for health-related expenses and the Dependent Care Reimbursement Plan for dependent care expenses.

The provider for both plans is Total Administrative Services Corporation (TASC).

Healthcare Flexible Spending Account

The Healthcare Flexible Spending Account (HFSA) allows you to stretch your budget further. The HFSA is a voluntary pre-tax benefit plan that allows you to set aside money from your paycheck to be used to pay the out-of-pocket medical, prescription, dental and vision expenses that you and your eligible dependents incur.

You never pay taxes on the money you put into your account, giving you more bang for your buck when you use pre-tax money to reimburse qualified healthcare expenses.

How does it work?

After enrollment, you will receive a TASC Card. The full amount is available on May 1, 2025 or upon activation of your account.

Use your TASC Card to pay of eligible expenses at the point of purchase instead of paying out-of-pocket and requesting a reimbursement.

You can also use the online account or mobile app to submit a claim.

Any missed deductions during an unpaid leave of absence will be deducted before the end of the benefit year.

Selecting an Election Amount

Four factors to keep in mind when selecting an election amount:

1. Your total election amount is available on May 1, 2025 - December 31, 2025, so the HFSA can help regulate your healthcare spending and take care of the unexpected expenses along the way.
2. The minimum annual election amount is \$240 and the maximum is \$2,400.
3. As an HFSA participant, you have a 90-day period (January 1, 2026 - April 1, 2026) to file claims and request reimbursement for expenses incurred prior to the end of the HFSA Plan Year on December 31, 2025.
4. Contributions are based on 16 pay periods during this short plan year (May 1, 2025 – December 31, 2025).

Rollover

The HFSA maximum rollover amount is \$500. The minimum amount of rollover is \$50. Any amount left above \$500 will be forfeited.

Dependent Care Reimbursement Plan

Dependent Care Reimbursement Plan (DCRP) enrollment will occur in November.

The plan year is January 1 - December 31. The maximum contribution for DCRP per year is \$5,000 (family); \$2,500 (married filing separately).

How do I manage my Flexible Spending Accounts?

TASC's web and mobile tools ensure easy access, account management, and benefit fund security for you.

LEGAL NOTICES

Plan Documents

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services.

This is only a summary. For more information about your coverage, refer to the 2023 plan documents. SBCs and plan documents for each of the plans can be found on the HR website at cityofhoustonbenefits.org. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 800-997-1406 to request a copy. You may obtain a printed copy of the SBC or plan documents at no charge by contacting the Benefits Division at 832-393-6000 and it will be sent to you within seven days.

Note: Information about the cost of plans is provided on page 8.

COBRA Notification Obligations

Under federal law, Consolidated Omnibus Budget Reconciliation Act (COBRA), the City of Houston is required to offer covered employees and/or covered family members the opportunity for continued health coverage at group rates when coverage under the health plan would otherwise end due to certain qualifying events. Continuation of coverage under COBRA is the same as that provided to active employees and subject to the same requirements.

Evidence of good health is not required to continue coverage. Failure to notify the plan administrator within 60 days of a qualifying event or from the loss of coverage date will result in a loss of any potential COBRA rights you may have had.

Notice of Privacy Practices

The City of Houston's group health plans, which include medical, dental and vision plans; the wellness program; flexible spending accounts; and the Employee Assistance Program, are designed to protect your privacy. In fact, even though we provide health benefits plans and programs for you, we do not have access to your medical records. That information is maintained by your doctor and your health plan provider. Federal and state laws require us to maintain the privacy of any information regarding your health care and treatment that is personally identifiable to you, and that is transmitted or maintained by the plans, regardless of the form. This includes information and identifiable factors such as your name, age, and address.

A Notice of Privacy Practices is posted at www.houstontx.gov/hr and describes how medical information about you may be used and disclosed, and how you can get access to this information. The notice also explains the plans' privacy practices, legal duties, and your rights concerning your protected health information. You can visit the website to review and retrieve the privacy notice.

Notice of Wellness Program Participation

The Wellness Program is administered for City of Houston employees and certain retirees covered under a Cigna medical plan, with the goal of improving employee health and preventing disease. All activities, programs, and initiatives related to the wellness program adhere to federal regulations pertaining to employer-sponsored wellness programs, including

the Health Insurance Portability and Accountability Act (HIPAA). Participation in the wellness program is voluntary and requires you to complete a health assessment that asks a number of different questions about your health-related activities and behaviors, with the goal of assessing whether you have or are predisposed to certain medical conditions, such as heart disease or diabetes. In order to complete your health risk assessment, you will be asked for your biometric numbers including height, weight, blood pressure, body mass index (BMI), and blood cholesterol levels. These health numbers can be obtained through a lab or at your doctor's office. The results of your health assessment are used to guide you to other wellness program resources, such as lifestyle management courses and health coaching. After completing the health risk assessment, you will be asked to complete one Wellness Engagement Option. These options are wide-ranging and diverse and seek to guide employees into healthier living through promotion of healthy eating habits, weight management, physical activity, immunization adherence, and taking advantage of health coaching and annual physicals.

Employees who complete an annual physical and the health assessment will receive a discount on their medical plan rate up to \$900 (for employees and covered spouses). Employees who choose not to participate in and complete the wellness program will not receive a discount on their medical plan rate and will pay the full employee share of cost for coverage. Employees on Family Medical Leave or Military Deployment for two or more months, or who become pregnant during the insurance plan year are exempt from having to complete the wellness program.
