Certification: May be required to pass a City administered typing test with a typing speed of 60 words per minute with no more than 6 errors.

EXPERIENCE:

Two years of clerical or administrative support experience are required.

COMPLEXITY:

Work consists of standard procedures and tasks where basic analytic ability is required, as in the comparison of numbers and simple facts in selecting the correct action.

IMPACT OF ACTIONS:

Errors in work typically lead to minor inconvenience and costs. Work is typically performed under moderate supervision and within standard operating procedures. The incumbent occasionally can function autonomously, with the supervisor available to answer questions as they arise.

SUPERVISION EXERCISED:

Direct Supervision:

No direct report employees.

Indirect Supervision:

No indirect reports.

CONTACTS:

Internal Contacts:

Level of internal contact is primarily with clerical and technical staff. Interaction requires moderate tact and cooperation; e.g., scheduling and/or coordinating two personal calendars, resolving problems and/or obtaining necessary information.

External Contacts:

Level of external contact is primarily with lower-level service representatives and vendors and occasionally with citizens, visitors and/or mid-level government agencies, guests, vendors and professional contacts with allied organizations. Interaction involves routine information exchange and/or simple service activity that requires common courtesy; e.g., directing calls and answering simple questions.

PHYSICAL EFFORT:

The position occasionally requires stooping or bending. Occasional very light lifting, such as three or four reams of papers or books (up to 20 pounds or an equivalent weight) may be required.

WORK ENVIRONMENT:

There are no major sources of discomfort, i.e., essentially normal office environment with acceptable lighting, temperature and air conditions.

PHYSICAL SKILL:

Requires the ability to make closely coordinated eye/hand movements within very fine tolerance and/or calibration demands; or the ability to make rapid closely coordinated eye/hand movements on a patterned response space within somewhat fine tolerance demands; or the ability to make coordinated eye/hand movements within fine tolerances with large equipment as an extension of the worker.
