SPECIFICATIONS:

KNOWLEDGE:

Requires specialized training in principles, procedures, practices, routines or techniques in a specific area or trade applicable to the position, which might normally be acquired through at least 18 months of education or training beyond the high school level. Vocational competence in the operation of mechanical or electronic equipment may be required.

EXPERIENCE:

Two years of experience in operations and/or maintenance of a large facility are required, with some supervisory experience preferred.

COMPLEXITY:

Work consists of standard procedures and tasks where analytic ability is required in following guidelines, policies and precedents.

SPECIFICATIONS: (continued)

IMPACT OF ACTIONS:

Errors in work cause some expense and inconvenience. Work is typically performed under moderate supervision and within standard operating procedures. The incumbent occasionally can function autonomously, with the supervisor available to answer questions as they arise.

SUPERVISION EXERCISED:

Direct Supervision:

Involves scheduling, supervision and evaluation of work as a "first-line supervisor"; recommends personnel actions such as hiring, terminations and pay changes of nonsupervisory personnel.

Indirect Supervision:

No indirect reports.

CONTACTS:

Internal Contacts:

Level of internal contact is primarily with professionals and supervisors. Interaction requires moderate tact and cooperation; e.g., scheduling and/or coordinating two personal calendars, resolving problems and/or obtaining necessary information.

External Contacts:

Level of external contact is primarily with lower-level service representative and vendors and occasionally with citizens, visitors and/or mid-level government agencies, guests, vendors and professional contacts with allied organizations. Interaction requires considerable tact and cooperation involving somewhat sensitive issues or problems.

PHYSICAL EFFORT:

The position occasionally requires stooping or bending. Occasional very light lifting, such as three or four reams of papers or books (up to 50 pounds or an equivalent weight) may be required.

WORK ENVIRONMENT:

There are occasional minor discomforts from exposure to less-than-optimal temperature and air conditions. The position may involve dealing with modestly unpleasant situations, as with occasional exposure to office chemicals and/or extensive use of a video display terminal.

PHYSICAL SKILL:

Requires the ability to make coordinated gross motor movements in response to changing external stimuli within moderately demanding tolerances; or the ability to make coordinated eye/hand movements on a patterned response space within low tolerance demands with no real speed requirements.

MISCELLANEOUS:

All duties and responsibilities may not be included in the above job description.
