

## **1. How do I get a tee time at Memorial Park Golf Course?**

Memorial Park Golf Course has a 24 hour call center and web site for making tee times. This system provides the following free services:

- Ability to make tee times any time of the day or night
- Ability to check for cancellations 24 hours a day
- Access by phone or computer

Web site reservations: [www.memorialparkgolf.com](http://www.memorialparkgolf.com).

Phone reservations: 713.862.4033

The system uses an automated lottery process for assigning tee times. The lottery process is convenient: no more speed-dialing, busy signals, and waiting on hold for tee times. The lottery provides all golfers a fair chance of obtaining a tee time at Memorial Park.

Getting a tee time guarantees you access to the course at a specific time. The following are the tee time options:

- Most of the tee times at Memorial Park Golf Course are reserved via an automated lottery draw which closes at 6:00 a.m. every morning. Use the web site or telephone reservation system to make your entry no later than 6:00 a.m. at least 4 days before the day you would like to play. Shortly after 6:00 a.m., the automated lottery will assign tee times.
- There are several tee times that can be reserved up to two months before the day you would like to play. A reservation fee of \$15.00 per person will be charged for this service (Premium Tee Times).
- "Walk On Play" is an option if you wish to play and do not have a tee time. A tee coordinator will take your name and let you know the approximate wait time should a tee time become available. Tee times may become available when a reserved tee time is canceled or when the tee coordinator determines a tee time is available and you can be worked in.
