

Paper or Plastic?

Houston's solar-powered pay stations offer parkers more payment option than the standard coin-only meters; making paying for parking more convenient than ever.

No change? No problem.

Not only do the pay stations accept nickels, dimes, quarters and dollar coins, but also paper bills and credit/debit cards.

With fewer pay stations per block, Sidewalks are less cluttered, giving pedestrians more walking space. "Metered Parking" signs line each block. Pay stations display the time and the days metered parking is enforced.

Make visiting downtown Houston a snap with the Downtown Hopper Pass. Buying the Hopper allows you to park at multiple metered spaces throughout Downtown. Time limit on each zone applies.

Follow these simple steps:

1. Press any key to get started.
2. Choose the preferred language - English, Spanish or Vietnamese.
3. Select amount of time and make payment by one of three methods: bills, coins or credit/debit card.*
4. Select payment method. Parking time will increase based on amount paid.
5. The receipt will print, displaying the expiration time, date, pay station time limit and zone.

* Please note the pay station does not provide change.

For further assistance, please locate a Parking Ambassador who will be happy to help. Please call 3-1-1 or 832-393-8690 to report a meter not in service.
