Awesome Courses... Affordable Prices

Remember when you played with real woods? Golf was a lot cheaper then. Take a step back in time at the City of Houston's fine group of municipal courses and enjoy modern golf courses with prices that make you feel as if it's still 1976.

You can enjoy a round for as little as \$10.00 at many of our courses. Give us a shot. We are close in on the North, East, South and West sides of town.

WATER SPRAYGROUNDS

Water Playgrounds

The Houston Parks & Recreation Department's water playgrounds provide an engaging & interactive fun activity year-round for children, especially during the hot summer months. Water playgrounds have distinct advantages over swimming pools in that they are cost effective, low maintenance, & water-play activities extend well beyond normal pool season. Water playgrounds are controlled using a timer & touch-sensor. The timer is set for 12 hours of water activation, & the touch-sensor turns on the water for a two to three minute cycle.

H-E-B Grocery Company has generously donated more than \$1.1 million to the Houston Parks & Recreation Department through the Houston Parks Board, to create & build additional water playgrounds in Houston city parks. These are brightly colored facilities featuring equipment that squirts, sprays, & mists water. The department is very thankful to H-E-B for their support in providing fun cool facilities in our parks.

Memorial Park Golf Course

Memorial Park Golf Course began in 1923 as a 9-hole sand green course built near the hospital at Camp Logan. In 1935, in an ambitious effort to enhance parks across the city, the Houston Parks & Recreation Department began constructing an illustrious 18-hole golf course. In July of 1936, the first ball was teed off on what architect John Bredemus called his "greatest golf course ever."

Through the years, Memorial Park Golf Course hosted many famous golfers such as Arnold Palmer, Babe Didrikson & Charlie Sifford. It also hosted the Houston Open PGA Tour event from 1951 to 1963. In 1995, a newly renovated 260-acre course opened with a lighted driving range, putting & chipping greens & a beautiful new clubhouse facility featuring an expanded pro shop & a Beck's Prime Restaurant.

Today, Memorial Park Golf Course is known as one of the best municipal courses in the nation & is visited by more than 60,000 patrons each year. Houston is proud to call Memorial Park Golf Course the crown jewel of Memorial Park. Memorial Park Golf Course is closed on Tuesdays. Tee times are available online at www.houstonparks.org. Hermann Park Golf Course

Hermann Park Golf Course is a jewel nestled in the center of the Bayou City. Since 1922, this lush parkland course has been at the center of a rich tradition of golfing excellence. The course was fully renovated in 1998. The new clubhouse is located at the corner of Almeda & North MacGregor, & from there you set out on this short, but challenging & enjoyable course. Water toughens the course, coming into play on half the holes.

You'll find no more enjoyable way to experience George Hermann's legacy than playing this 18-hole oasis in the very heart of Houston. Hermann has a driving range, practice putting green, pro shop & complete snack bar.

Come play on living history. Gus Wortham opened in 1908 as the original Houston Country Club. Today, Wortham is the oldest continually operating 18 hole course in the state. Gus Wortham provides challenges not regularly found in Houston. Elevated tees & uphill carries to greens make you use all your clubs. The course is relatively wide open, making it attractive for all levels of golfers. The front 9 features

3 consecutive par 5 holes, 2 of which you may want to go for in 2. Your shot-making skills will be tested on several of the "short but challenging" par 4 holes. Playing to more than 6,400 yards, Gus Wortham is a fun course, located only minutes from downtown & inside the loop.

A full driving range is available for practice or warming up. Additional practice areas include a putting green, chipping green & practice bunker. The pro shop staff is available for lessons. Gus Wortham has a fully stocked pro shop & full snack bar.

Like most stroll gardens, this 5-acre oasis is designed around a sequence of landscape elements, which combine together to create a work of living art.

Lake Houston Wilderness Park

Lake Houston Wilderness Park (LHWP) is a 4,800-acre "natural" park northeast of Houston acquired by the City from TPWD in 2006. It is managed for the City by the Houston Parks & Recreation Department. The park is on the central flyway for migratory birds of the U.S. & is recognized on the Great Texas Coastal Birding Trail (Upper).

LHWP provides camping facilities; hiking, biking & equestrian trails; water activities for kayaks & canoes; & natural areas for nature lovers & birders alike.

Partnership & funding opportunities exist in many areas including the creation of a vehicle bridge, the development of a park headquarters & pavilion, the development of canoe & kayak facilities & the building of cabins & stables.

Trails in Parks

A survey of Houstonians for the Houston Parks & Recreation Master Plan showed recreational walking is the number one fitness activity. Trails in parks provide a simple outlet for physical activity to improve fitness & mental health. Trails in parks also make our parks safer & reduce vandalism by increasing park use throughout the day.

Opportunities exist to develop loop trails within existing parks as well as dedicated trails along linear parks. To meet the recommended national standards, new trails totaling 428 miles are needed to serve the 2020 population.

Park Playgrounds

Playgrounds provide kids with an opportunity for free unstructured play. Play is an important factor in how they develop both socially & physically. Kids who play build their confidence & learn the social skills that help them become happy, well-adjusted adults. Approximately 200 new or replacement playgrounds are needed in Houston of varying size & components to match the needs of the park, neighborhood, & age of the children playing on them.

Playgrounds without Limits

Playgrounds Without Limits is a campaign to build inclusive playgrounds in HPARD parks. These playgrounds surpass ADA accessibility guidelines & provide a variety of play elements & activities for children of all abilities. Ramps & transfer systems address mobility issues, elements like elevated sand boxes provide children with sight impairment sensory-rich activities to enjoy & porch-swing gliders give children with wheelchairs the opportunity to enjoy a swing.

Each Playground without Limits has an approximate cost of \$500,000. We have this Playground featured at Alief Park, Eastwood Park, Memorial Park, the Metropolitan Multi-Service Center & Tidwell Parks.

Lighted Sports Fields

The rapid growth of Houston soccer in recent years has created a citywide shortage of fields, leaving many teams & leagues to vie for play space every day. Lighting existing sports fields is a cost effective alternative to acquiring, developing, & maintaining new facilities because it extends hours of play, especially during the shortening days of the fall & winter seasons. In summertime, lighted fields provide an escape from the hot Texas sun, making games safer for players & more enjoyable for fans. Increased recreational opportunities have a direct impact on the success of our youth, & as a result, the future success of our entire community.

Funding will be used to purchase Musco Lighting's energy efficient Light-Structure Green™ lighting system. This state-of-the-art technology offers key benefits including:

- 50% savings in operating costs through reduced energy consumption & an automated control & monitoring system
- 50% less spill & glare, protecting the environment & keeping neighbors happy
- 100% of maintenance costs eliminated for 25 years, including lamp replacements, through a comprehensive warranty program
- Light levels guaranteed to remain constant for 25 years
