SUMMER FOOD SERVICE PROGRAM

Summer Food Service Program

Register today to become a Summer Food Service Site and help provide FREE lunches and snacks to area youth, ages 1-18, this summer! The Summer Food Service Program (SFSP) works to fill the meal gap that area youth experience when school cafeterias are closed for the summer.

The program is a federally funded and administered by the Texas Department of Agriculture. The Houston Parks and Recreation Department has sponsored and coordinated the program since 1980. Various organizations and groups can apply to become a Summer Food Program site and participate in the program at no cost to themselves. Participating sites have included HPARD Community Centers, churches, apartment complexes, learning centers, YMCA's and many other nonprofit organizations. Organizations must apply and qualify to become a Summer Food Service Site. The program operates on a weekday basis. Meals are prepared and delivered daily to participating sites. The meals consist of a sandwich, a fruit, juice and milk. Each year over 1.3 million meals are distributed at more than 400 participating sites throughout Houston and Harris County. The need for more sites is great and we encourage interested groups and organizations to consider becoming a Summer Food Service Site and help us feed area youth throughout the summer. This year's Summer Food Service Program will run from June 1, 2015 through August 14, 2015.

Applications must be received by April 17, 2015. Apply today to become a Summer Food Service Site and help us provide nutritious meals this summer to Houston's young people.

Note:

Application Forms are available for download at www.houstonparks.org. No billing or food preparation involved.

Registration Deadline: April 17, 2015

WATER SPRAYGROUNDS

The Houston Parks and Recreation Department's water playgrounds provide an engaging and interactive fun activity year-round for children, especially during the hot summer months. Water playgrounds have distinct advantages over swimming pools in that they are cost effective, low maintenance, and water-play activities extend well beyond normal pool season. Water playgrounds are controlled using a timer and touch-sensor. The timer is set for 12 hours of water activation. The touch-sensor turns on the water for a two to three minute cycle.

H-E-B Grocery Company has generously donated more than \$1.1 million to the Houston Parks and Recreation Department through the Houston Parks Board Inc., to create and build additional water playgrounds in Houston city parks. These are brightly colored facilities featuring equipment that squirts, sprays, mists and shoots water. Children will be able to enjoy everything from oversized flowers that mist to a whale that spouts and squirts water and in-ground elements that resemble geysers.

GOLF COURSES

The Houston Parks and Recreation Department provides 7 challenging golf courses for citizens' enjoyment. From the highly acclaimed Memorial Park (the #1 municipal course in the state!), to the well maintained and lower priced Brock Park and Gus Wortham Park courses, there is something for every golfer.

Memorial, Hermann, and Gus Wortham are all located inside the loop. Sharpstown, one of Houston's most popular and most walkable courses, is close in on the Southwest side. Brock offers opportunities to Northeast golfers, while Glenbrook provides a venue in the Southeast area of the City. Melrose, in the North Central part of the city, offers a chance to practice short-game skills with its 18 par -3 holes. All courses except Glenbrook have driving ranges. All have practice putting and chipping greens. Pro shops are available at all courses. Dining facilities are available at all courses except Melrose.

All courses are non-metal spike facilities. Weekday fees apply Monday through Thursday. Weekend fees apply Friday through Sunday, and all city holidays. Junior (under 18) and Senior (65 – older) rates are offered on weekdays only. Twilight start times vary by season and courses. Call individual courses for more information. For tee time reservations log on to www.houstonparks.org and access the tee time reservation system. This innovative tee time system includes Memorial, Sharpstown, Brock, and Gus Wortham. For tee times at other courses call the pro shop. For information on all the courses, visit www.houstonparks.org. Lessons from qualified instructors are available at all courses. Tournament and corporate outings may be scheduled by calling any of the courses.

(Note: Prices are subject to change. Extra fee applies for use of electric golf car.)

Memorial Park Golf Course

Memorial Park Golf Course began in 1923 as a 9-hole sand green course built near the hospital at Camp Logan. In 1935, in an ambitious effort to enhance parks across the city, the Houston Parks and Recreation Department began constructing an illustrious 18-hole golf course. In July of 1936, the first ball was teed off on what architect John Bredemus called his "greatest golf course ever."

Through the years, Memorial Park Golf Course hosted many famous golfers like Arnold Palmer, Babe Didrikson, and Charlie Sifford. It also hosted the Houston Open PGA Tour event from 1951 to 1963. In 1995, a newly renovated 260-acre course opened with a lighted driving range, putting and chipping greens, and a beautiful new clubhouse facility featuring an expanded pro shop and a Beck's Prime Restaurant.

Today, Memorial Park Golf Course is known as one of the best municipal courses in the nation and is visited by more than 60,000 patrons each year. Houston is proud to call Memorial Park Golf Course the crown jewel of Memorial Park. Memorial Park Golf Course is closed on Tuesdays. Tee times are available online at www.houstonparks.org. Memorial Park Golf Course

Hermann Park Golf Course

Hermann Park Golf Course is a jewel nestled in the center of the Bayou City. Since 1922, this lush parkland course has been at the center of a rich tradition of golfing excellence. The course was fully renovated in 1998.

The new clubhouse is located at the corner of Almeda and North MacGregor and from there you set out on this short but challenging and enjoyable course. Water toughens the course, coming into play on half the holes.

You'll find no more enjoyable way to experience George Hermann's legacy than playing this 18-hole oasis in the very heart of Houston.

Hermann has a driving range, practice putting green, pro shop and complete snack bar. The Hermann Park Golf Course is managed for HPARD by BSL Golf Corp. Sales tax is additional on all fees. Carts required weekend mornings. Tee times are available online at www.houstonparks.org. Gus Wortham Park Golf Course

Come play on living history. Gus Wortham opened in 1908 as the original Houston Country Club. Today, Gus Wortham is the oldest continually operating 18 hole course in the state. Gus Wortham provides challenges not regularly found in Houston. Elevated tees and uphill carries to greens make you use all your clubs. The course is relatively wide open, making it attractive for all levels of golfers. The front 9 features 3 consecutive par 5 holes, 2 of which you may want

to go for in 2. Your shot-making skills will be tested on several of the "short but challenging" par 4 holes. Playing to more than 6,400 yards, Gus Wortham is a fun course, located only minutes from downtown and inside the loop.

A full driving range is available for practice or warming up. Additional practice areas include a putting green, chipping green and practice bunker. The pro shop staff are available for lessons. Gus Wortham has a fully stocked pro shop and full snack bar.

**Sharpstown Park
Golf Course**

Welcome to Sharpstown Park Golf Course, Houston's "Best Golfing Value." Sharpstown has earned this reputation by providing outstanding customer service and excellent facility conditions, while offering some of the lowest fees in the Gulf Coast area. Sharpstown Golf Course is located in the heart of southwest Houston, one mile west of Hwy 59 and just 1 block north of Bellaire Blvd. on Harbor Town Drive. Sharpstown's convenient location allows for quick access from anywhere in the

greater Houston area. Recent improvements at Sharpstown include new cart paths, improved drainage, and resurfaced greens with high quality mini-verde ultra-dwarf bermuda. The 18 hole, par 70 course has 4 sets of tees, allowing moderate degrees of difficulty for the novice and beginner, yet enough length (6,660 from the back tees) to test the avid and skilled player.

**Brock Park
Golf Course**

Brock Park is one of Houston's "Best Kept Secrets." Quietly tucked in northeast Houston, far from the noise, but less than 20 minutes from downtown, this tree-lined course has been one of the City's fine municipal courses since 1972.

Brock plays to 6,427 yards with elevation changes unlike most courses in the area. It combines risk and reward on many holes, and requires good shot selection and execution on others. Greens Bayou comes into play on 4 holes, and creeks cross 4 others. Good scores can be found at Brock, provided you stay out of the trees!

A driving range is available for practice or for warming up. Additional practice areas include a putting green, chipping green and practice bunker. The pro shop staff is available for lessons. The McGovern Centennial Gardens were designed by the landscape design firm Hoerr Schaudt, in collaboration with White Oak Studio and Dr. William C. Welch of Texas A & M University. Japanese Garden at Hermann Park

Nestled in a pine grove near the Sam Houston Monument in Hermann Park you'll find an island of serenity known as the Japanese Garden. Designed by world-renowned Japanese landscape architect Ken Nakajima, the garden was built to symbolize the friendship between Japan and the US, and to recognize Houston's thriving Japanese community.

The Japanese Garden in Hermann Park is built in the Daimyo Style, a traditional design that dates back to the 17th, 18th, and 19th century stroll gardens. Like most stroll gardens, this 5-acre oasis is designed around a sequence of landscape elements, which combine together to create a work of living art.
