

HOUSTON PARKS AND RECREATION DEPARTMENT AFTER-SCHOOL ENRICHMENT PROGRAM 2024 - 2025

Updated as of July 31, 2024

The After-School Enrichment Program (AEP) is a fun recreational and cultural enrichment program for youth ages 6 - 13. Registration is required for this fun-filled program. Youth participants are engaged in a wide variety of activities that include crafts, nutrition, fun fitness, nature exploration and instructional sports. The program is available at 51 HPARD community centers with a heightened sense of cleaning and safety measures as this program has high physical contact with surfaces, people and equipment coupled with proximity.

Parents are required to review and acknowledge a program orientation via ActiveNet registration process. Transportation to and from the community center is the parent's responsibility. Staff to youth participant ratio is 1:25 with qualified professional recreation staff and background checks are required for all volunteers and partnerships.

The program is FREE of charge for all participants. Online registration will be available and can be accessed at <https://apm.activecommunities.com/houstonparks/Home> OR www.houstonparks.org.
