AND RECREATION DEPARTMENT**
A CAPRA Accredited Agency

February 27, 2023

Dear Team Manager,

On behalf of the Houston Parks and Recreation Department, I would like to welcome you as a participant in our **Adult Softball Program**. **We are excited to start our sports leagues again!**

Our goal is to offer quality sports programming at affordable prices and see that each participant has an enjoyable leisure experience.

Please read the rulebook at your first opportunity to familiarize yourself with our league's rules and regulations. Also, you will find a listing of online registration dates for each season in on page 5.

We now have an online registration system. You can establish your online account at www.houstonparks.org (Adult Sports Section), but you will not be able to register for a league until the specified registration dates for a specific season. The online registration system was approved by the Mayor and City Council in 2009.

Separate flyers with upcoming registration information, fee changes and rule updates will be sent to you as they become available. You can also visit our department's web site at www.houstonparks.org for additional information as well. Please be sure to advise the Adult Sports Office with ample time if your contact information changes, including email address.

The USA SOFTBALL sanction fee this year is \$30, which is due once per calendar year for each team. Unless you change the Team Name, Managers Name or Change Players on the Team.

We now have an [HPARD Facebook Page](#) and [Twitter Page](#). We will add updates on league registrations and tournaments throughout the year.

Again, welcome to our program. Wishing you and your team a very enjoyable and successful season.

Sincerely,

Sean Gay, Senior Superintendent
Recreation and Wellness Division

No refunds shall be given for a request submitted less than 14 preceding the season's start date. 1. Team manager's name, address, telephone number and signature.
2. Team name, night, league and field.
3. Reason for withdrawal.

7. LEAGUE DIVISIONS

The registration of teams in the Adult Sports program, while conducted on a first come, first served basis, shall also be regulated by performance criteria established for each league. Such performance criteria shall recognize various team proficiency levels overall in the Adult Sports program, and provide for meaningful competitive play between teams.

8. ROSTER INFORMATION

- A. All teams can submit rosters at time of registration. Team rosters must include first and last names of all players. Teams are allowed to have a maximum of 20 players on their roster.
- B. Roster changes must be made via email (louis.moore@houstontx.gov) or via fax (832-395-9445). If a player desires to transfer from one (1) team to another, a roster change must be submitted to the Adult Sports Office in person or by e-mail prior to that player participating in a game. Note: If a player desires to transfer from one team to another in the same league, the player must sit out one (1) game. If a player desires to transfer from one team to another in different leagues, the player becomes eligible immediately.
- C. Roster changes must be submitted within the first two weeks of the league via e-mail or fax (832-395-9445). If a team manager fails to receive a confirmation of receipt of the email from the Adult Sports Office, he/she is responsible to follow-up on the status at (832) 395-7130.
- D. Team rosters will be final after two (2) weeks of play.
- E. A team's final roster also becomes that team's post-season roster if a tournament or playoffs is held.
- F. Player's full names must appear on the registration roster on file in the Adult Sports Office. A substitute or replacement player must come from the dugout, not from the stands or spectator's area. **Umpires will not decide the player (s) eligibility.**
- G. Tournament Roster: Team (s) may not add players from other leagues to participate in any City of Houston Tournaments. The Adult Sports Staff will check rosters. Teams may use a player (s) from their team roster for that calendar year. For example, for the Spring T.A.A.F Tournament in June, a team may use a player (s) from Spring I Season's team roster who may not be on the Spring II roster. A player (s) that has played in a B/C/D league may not play in the E Division. Player (s) may move up to a higher division, but are not allowed to play a lower division.

Penalty: If a protest is lodged against the offended team and it is verified by the Adult Sports staff, a forfeit of the game shall be declared for incomplete rosters or ineligible player.

9. **TEAM NAME**

Team names are subject to Adult Sports staff approval. Inappropriate and vulgar names are not accepted and may be modified.

10. **LENGTH OF OFFICIAL GAMES**

Slow Pitch: Seven (7) innings or fifty-five (55) minutes whichever occurs first, constitutes a game. In case of rain, light failure, etc., the completion of thirty (30) minutes constitutes a completed game. The fifteen (15) run rule will be in effect after three innings, **twelve (12) run rule after 4 innings** or ten (10) run rule after five (5) innings.

Fast Pitch: Seven (7) innings or one hour twenty minutes (1:20), whichever occurs first, constitutes an official game. In case of rain, light failure, etc., one (1) hour will constitute a complete game. There will be a seven (7) run rule in effect after four (4) innings.

* Rule Change Effective Spring I of 2013:

Tied Game: **Games will end in a tie at the completion of the game: 55 minutes or 7 Innings, whichever occurs first. Both teams will get ½ game win/lost.**

11. **OFFICIAL TIME**

The watch of the umpires will be considered the official time clock for all games. In the event neither of the umpires has a watch, someone selected by the umpires will act as the official timer. Team managers are urged to synchronize their watches with the umpires prior to the start of every game. The game clock will start when the umpire completes the coin toss. In addition, the Team Manager/Team Representative should get the umpire (s) name (s) during the pre-game.

12. **HOME TEAM DESIGNATION**

The home team designation will be determined by the flip of a coin. The home team will be responsible for the official score and keeping up with substitutes. An official scorebook is required. If neither team has a scorebook and a conflict in the score occurs, the home team's score will be final. If only one (1) team, even if it is the visitors, has a scorebook and a conflict occurs, then that scorebook will be valid. Please check with the umpires and opponents after each inning about the number of runs scored. **BE ADVISED THE UMPIRES ARE NOT THE OFFICIAL SCORE KEEPERS OF THE GAME.**

13. **SCHEDULES**

Schedules are posted one week prior to the season's start date on the Adult Sports Team Sideline website and app:

<https://www.teamsideline.com/sites/houstonparks/home>

If you do not have Internet access, please contact the Adult Sports Office at (832) 395-7130 to request a schedule faxed or mailed to you.

14. **FORFEIT TIME**

Any team not ready to play at game time will forfeit to the opposing team. Team must be in the dugout or on the field at game time to be considered present and ready to play. The only exception will be the first game of the night, teams will be given a ten (10) minute grace period. Be aware that the game clock will start at the scheduled start time (ex. If a game starts at 6:30 and the team requests the grace period, the game clock will be running through the grace period). Umpires will not decide on player eligibility. If a team captain desires to protest the eligibility of a particular player, he/she must follow the procedures set forth in Section 13 of this rulebook.

In order to reduce the number of unjustified forfeits by teams, the following rules will be in enforced during the Seasons:

- If a team forfeits 2 or more scheduled dates of games during a 5-Week Doubleheader Season, the team would be disqualified from the City of Houston Parks and Recreation Department Playoffs Tournament and subject to being disqualified from the league.
- If a team forfeits 3 or more scheduled dates of games during a 5-Week Doubleheader Season, the team would not be eligible to register and participate in any upcoming seasons within a period of 1 year. For example, if a team forfeits 3 scheduled dates of games during the Spring I season, they will not be able to register and participate in the Spring II Season. In addition, the team may be deleted from the current league and the schedule to be revised with remaining teams.
- If a new team is formed (within 90 days of becoming ineligible to register for another season), there cannot be 5 or more players on the roster from a team that was previously disqualified by forfeiting 3 or more scheduled dates of games in a season.

Of course, if a team experiences an uncontrollable circumstance that caused the team to have a forfeit (death in the family, car accident, etc.), the Adult Sports Office will review any written appeals with documentation submitted within 5 business days after the scheduled game(s) or receipt of forfeit letter to the Adult Sports Office.

15. **PROTESTS**

- Only protests based on misinterpretations of the rules and player eligibility will be accepted.
- Protests must be announced verbally to the umpire immediately when the contested action occurs and before play is resumed. Protest must be presented in writing to the Adult Sports Office at 6200 Wheeler Street, Houston, TX 77023, by 10:00 a.m. the following business day. A \$20 fee must also accompany the protest (Cash Only). In the event a protest is upheld, the \$20 will be refunded as soon as possible. If the protest is denied, the \$20 protest fee is forfeited.
- Omission of any of the above mentioned steps will constitute the denial of a protest.
- When there is a protest against an ineligible player and there is no roster on file in the Adult Sports Office, the protest will be automatically upheld. The protesting team must also have a roster on file in order to file a protest. If there is no roster on file for either team, both teams will be credited with a loss.
- The decision of the protest committee will be considered final.
- There will be only one protest allowed per game, but it may include several items.
- Any protest lodged after the completion of the game will not be allowed.

16. **RAINOUT INFORMATION**

- Team managers may refer to the Team Sideline app or website @ <https://www.teamsideline.com/sites/houstonparks/home> for text alerts after 4:00 p.m. daily to check on field status.
- In an instance where rain may come after 4:00 p.m. the decision to play will be left to the discretion of the umpires at the first game. If the first game of the night is cancelled, the remainder of the games for that night will be cancelled. It would be wise to have representative at the field for the first game to notify team members of any cancellations.
- As many cancellations as possible will be made up in the weeks following the league schedule.
- The Adult Sports Office reserves the right to cancel remaining make-up games if it is determined that team interest is lacking and a champion will be determined on a percentage basis.
- Refunds for games not played during a season will be issued to team managers at the conclusion of each season. Please check your "My Account" section two weeks after the conclusion of a specific season and the refund will be applied to your online account. If you originally paid by cash/check for your team registration, you will need to complete a Refund Request Form 2 weeks after the conclusion of a season. A refund check from the City of Houston will be sent to you within 4 – 6 weeks. If your team has a forfeit(s) no refunds will be given during that season.

17. **PLAYER CONDUCT**

- Team managers are responsible for the conduct of their players and fans before, during and after all games and registrations. Please see the Adult Sports Code of Conduct on page 22 of this manual.

19. **UMPIRE COMPLAINTS**

If there is a problem with an umpire, call the Adult Sports Office at (832) 395-7272 the following day and report the problem/issue to the Adult Sports staff. You may also send an e-mail to report the problem/issue to louis.moore@houstontx.gov. During the pre-game meeting team managers should get the name of the umpire (s). Do not confront the umpire at the site. Failure to abide by this rule could result in the violator(s) being removed from the program.

20. **PLAYER INJURIES**

The City of Houston Parks and Recreation Department is not responsible for any injuries to any participant in the program (players, coaches, managers, officials and spectators). USA SOFTBALL and TAAF have very reasonable insurance plans that are available to all teams. It is recommended that all teams acquire such insurance coverage. You may obtain more information on insurance plans by visiting www.usasoftballhouston.org and www.taaf.com.

All players should be aware that softball can be a hazardous activity and by voluntarily participating in this activity, they acknowledge that there are numerous dangers and risks involved including various types of injuries, and even death.

The second violation by the same player during the season may result in that player being suspended from participating in the league for the remainder of the season.

III. PLAYERS

All players must be 18 years or older to participate in an Adult Sports softball league with Houston Parks and Recreation Department. Children 17 years or younger must participate in a youth sports league. Valid identification may be required by the Adult Sports Office to verify age of participants.

- **6:30 GAME (ONLY):**

The first game starting at 6:30 p.m., a team may begin with 8 players. One out will be taken in the ninth spot in the batting order. When and if the ninth player arrives, he/she will be inserted into the ninth batting position. The team that is playing with nine players will not be penalized for not having ten (10) players. Only one out will be taken (NOT TWO). If the other team has nine (9) players, they will not take @ out in the ninth spot. **If this 6:30 p.m. is a Co-Ed game 4 Men & 4 Women an out will not be taken if a male or 2 males arrives, they go to the bottom of the order and Women will now bat between the 2 Men that arrive.**

COED MUST HAVE A MINIMUM OF FOUR (4) WOMEN TO BEGIN THE GAME.

All other rules will apply in the 7:30, 8:30 & 9:30 games.

A team must have the required number of players present in the dugout or on the field to start a game.

A. Men's or Women's Slow Pitch

1. May have eleven players with one being an extra player who bats only. Any of the eleven may play defense.
2. Must have nine players to begin a game. An out would be given at the end of the lineup.
3. Male rosters shall include only male players and female roster shall include only female players (USA SOFTBALL Rule, Rule 4: Players, Coaches, Substitutes, Section 1: Players).
4. All teams must provide a lineup to the home plate umpire at the beginning of each game. Lineups must include first and last names.

B. Co-Rec

1. **Short Handed Rule:** A game may begin or finish with 9 players, but when and if another arrives (of correct sex missing), that player must be inserted into the line-up at the ninth or tenth batting position (depending on vacant spot by alternating sexes). If a team plays shorthanded with either three in the infield or outfield, at least one of the three must be a male and at least one of the three must be a female player.
2. **Defensive Positioning:** Ten players (five females and five males) with the following positioning requirements: two males and two females in both the outfield and the infield, and one male and one female as the pitcher or catcher. **If playing 6 men & 4 Women, you MUST HAVE A Man Pitching to satisfy the 2 women in the infield rule; the catcher is not an infielder.**
3. **Batting Order:** The batting order for COED shall alternate sexes. COED play will use an 11-inch red-stitch ball when the female bats and 12-inch red stitch ball when the male bats. COED teams may bat 10 or 12 players.
4. New Rule for 2019: There will not be an out taken between the 2 Men, you just insert the next woman in the lineup. So, when playing 5 or 6 men / 4 women, men remember the men you follow in the lineup and women remember the women you follow in the lineup. You splice the Women in, this way you will always have a male then female batter, with no outs taken.**
5. All teams must provide a lineup to the home plate umpire at the beginning of each game. Lineups must include first and last names.
6. In Co-Ed play, when a female batter hits a fair ball to the outfield, the first play from the outfield may not be on the female batter-runner at first base. Should an outfielder attempt to put out the female batter-runner at first base as the first play from the outfield, the female batter-runner will not be called out and the defense will be given a warning of the rule violation. All subsequent violations of this rule will result in the female batter-runner NOT being called out AND being awarded 2nd base. **Should the female batter-runner be injured during a violation of this rule, the offending outfielder can be ejected by the umpire. This was a new rule for 2018.**

C Players leaving or being ejected

1. If a team begins play with the required number of players as listed, that team may continue a game with one less player than is currently in the lineup whenever a player leaves the game for any reason other than ejection. Under no circumstances shall a team be permitted to bat less than nine (slow pitch) or eight (fast pitch).
2. If a player (s) are ejected for unsportsmanlike conduct during the first game, it is up to the umpire's discretion as to whether the player (s) may play the second game that night. Depending on the seriousness of the unsportsmanlike conduct the Adult Sports Office may suspend the player (s) indefinitely from future leagues.
3. If playing shorthanded, and a substitute arrives, they must be inserted immediately into the vacant spot. If he/she refuses to enter for any reason, that player becomes ineligible for the remainder of the game.
4. If the player leaving the game is a runner or batter, the runner or batter shall be declared out.
5. When the player who has left the game is scheduled to bat, an out shall be declared for each turn at bat.

7 Extra Player (EP)

1. An extra player is optional, but if one is used, it must be made known prior to the start of the game and be listed on the line-up card/scoring sheet in the regular batting order.
2. If the extra player is used, the extra player must be used the entire game.
3. The EP must remain in the same position in the batting order for the entire game.
4. If an EP is used, all 11 on the starting lineup must bat and any 10 of those 11 may play defense.
5. The EP may be substituted for at any time. The substitute must be a player who has not yet been in the game. The starting EP may re-enter.

8 Re-entry

1. Any player may be substituted or replaced and re-entered once, providing players occupy the same batting positions whenever in the lineup.
2. Player may not re-enter a second time. The starting player and their substitute may not be in the lineup at the same time.

9 Courtesy Foul

- a. All batters (Men, Women & Co-Ed) begin with a 1 & 1 count (one ball and one strike) before they enter the batter's box. **After 2 strikes the batter is allowed ONE COURTESY FOUL BALL.**

Courtesy Runner

Any eligible player on the official line-up including available substitutes may be used as a Courtesy Runner. Only one (1) Courtesy Runner may be used per inning. For Co-Ed play "ONLY" you may have one (1) Male Courtesy Runner & one (1) Female Courtesy Runner per inning. A player can only be a Courtesy Runner once per inning. *Example: Bob was a courtesy runner of Alex, Bob can't be a courtesy runner again until that inning has been completed.* The Courtesy Runner is selected using the following order:

1. **Any player that is currently playing in the game.**

The order of selection may be changed due to the flow of the game. The intent of the selection order is to keep the Courtesy Runner from being on base when it is their turn to bat. **The penalty should the Courtesy runner be on base when it's their turn to bat is: They are removed from the base (with no runner allowed to take their spot on the base) and placed at bat. Should this create the 3 out of the inning, they would bat first the next inning**

"Note: males are to run for males & females for females". **Above all, do NOT CONFUSE THE COURTESY RUNNER with the SUBSTITUTION RULE.**

Hit and Sit

When a batter hits a home run over the fence, the batter is not required to touch 1st base. All other players who were already on a base are not required to run the base.

Concussion Policy and Procedures:

THE FACTS

- A concussion is a brain injury.
- All concussions are serious.
- Most concussions occur without loss of consciousness.
- Concussions can occur in *any* sport or recreation activity.
- Recognition and proper response to concussions when they first occur can help prevent further injury or even death.

A bump, blow, or jolt to the head can cause a concussion, a type of traumatic brain injury (TBI).

Concussions can also occur from a blow to the body that causes the head to move rapidly back and forth. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious.

RECOGNIZING A POSSIBLE CONCUSSION

To help recognize a concussion, you should watch for and ask others to report the following two things among your athletes:

1. A forceful bump, blow, or jolt to the head or body that results in rapid movement of the head. --*and*--
2. Any change in the athlete’s behavior, thinking, or physical functioning.

Athletes who experience ***one or more*** of the signs and symptoms listed below after a bump, blow, or jolt to the head or body should be kept out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says they are symptom-free and it’s OK to return to play.

SIGNS OBSERVED BY COACHING STAFF, SPORTS OFFICIALS, OR LEAGUE ADMINISTRATORS:

Appears dazed or stunned
Is confused about assignment or position
Forgets an instruction
Is unsure of game, score, or opponent
Moves clumsily
Answers questions slowly
Loses consciousness (*even briefly*)
Shows mood, behavior, or personality changes
Can’t recall events *prior* to hit or fall
Can’t recall events *after* hit or fall

SYMPTOMS REPORTED BY ATHLETE:

Headache or “pressure” in head
Nausea or vomiting
Balance problems or dizziness
Double or blurry vision
Sensitivity to light
Sensitivity to noise
Feeling sluggish, hazy, foggy, or groggy
Concentration or memory problems
Confusion
Just not “feeling right” or is “feeling down”

DANGER SIGNS

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that not only does not diminish, but gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless, or agitated
- Has unusual behavior
- Loses consciousness (a brief loss of consciousness should be taken seriously and the participant should be carefully monitored).

WHEN A CONCUSSION IS SUSPECTED

If you suspect that an athlete has a concussion, implement your four-step action plan:

1. Remove the athlete from play. Look for signs and symptoms of a concussion if your athlete has experienced a bump or blow to the head or body. When in doubt, sit them out.

2. Ensure that the athlete is evaluated by a health care professional experienced in evaluating for concussion.

Do not try to judge the severity of the injury yourself. Health care professionals have a number of methods that they can use to assess the severity of concussions. As a coach or team manager, recording the following information can help health care professionals in assessing the athlete after the injury:

- Cause of the injury and force of the hit or blow to the head or body
- Any loss of consciousness (passed out/knocked out) and if so, for how long
- Any memory loss immediately following the injury
- Any seizures immediately following the injury
- Number of previous concussions (*if any*)

3. Inform the athlete’s parents or guardians about the possible concussion and give them CDC’s fact sheet on concussion. This fact sheet can help parents monitor the athlete for sign or symptoms that appear or get worse once the athlete is at home or returns to school.

4. Keep the athlete out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says s/he is symptom-free and it’s OK to return to play.

A repeat concussion that occurs before the brain recovers from the first—usually within a short period of time (hours, days, or weeks)—can slow recovery or increase the likelihood of having long-term problems. In rare cases, repeat concussions can result in edema (brain swelling), permanent brain damage, and even death.

Procedure: If an athlete sustains a concussion, a doctor’s letter of clearance will be required to be submitted to the Adult Sports Office prior to returning to play in a sports league.
